

OVER THE VALLEY

Mabel E. Morton, Valley News Editor
Phones: Residence, Main 906; Office, Main 37

Improving—
Mrs. Herbert Speckhart of the Iowa district is reported as improving quite satisfactorily from the operation which was performed Friday evening at the Grande Ronde hospital, for acute appendicitis and complications. Mrs. Speckhart was taken quite suddenly Friday afternoon and the operation performed in the early evening.

Visits—
The Misses Kathryn and Harriett Avery of Island City are at their home again following a visit with their friend, Evelyn McKennon at her home near Ailet.

Sending Exhibits—
Eight entries are to be made at the Eastern Oregon Livestock show by boys and girls who belong to the Elkhorn calf club of Muddy Creek and Rock Creek, in Baker county. It was announced at a meeting last week which secretary Tony Smith attended. These club members will also compete for the stock show's scholarship to the summer school at the state college. Miss Jane Daniel a prominent club worker in this valley is just as active in her new home and is the president of the Elkhorn Calf club.

Aid To Meet—
The Misses Mary and Margaret Taylor and Mrs. Carl Fuller will entertain the ladies aid society of Ailet Thursday afternoon at the Taylor home in Ailet.

Boys Improvements—
Members of the Odd Fellows lodge at Summerville are starting a program of repairs to their building. Work on the outside was started yesterday with painters busy putting on the first coat of paint.

Visits In valley—
Mrs. Edith Binkland of Enterprise has been visiting among her relatives in the valley.

From Meridian—
Mrs. George Jasper and daughter, Vina of Meridian, Idaho were in the valley last week visiting among relatives and friends.

Home For Summer—
Russell and Frances McKennon are home from their years work at the state college and will spend their summer at their home in this valley. They were accompanied by their college friend, Miss Ruby Kimberling of Prairie City who will make a short visit in this valley.

To Walla Walla—
Miss Allen Wendell and daughter, Miss Ava of Dry Creek and her mother, Mrs. Baker went to Walla Walla Thursday where they witnessed the high school commencement exercises. Mrs. Baker's grandson, Arleigh Baker was one of the graduating class.

Doing Well—
Miss Fernie Hill of Telocasset, who underwent an operation for appendicitis last week is doing nicely according to reports.

Home From Portland—
Hans Seltors, former tester for the county cow testing association, has returned from Portland and other points in that part of the state where he has been on business. Mr. Seltors, who resigned his position as tester at the end of the year, May first, is undecided as yet as to his plans for the future.

Sunday At Home—
The Misses Merle and Ardath Fitzgerald, who are working and studying in La Grande spent Sunday at their home in Pleasant Grove neighborhood.

Smith-Conley Reunion—
Members of the Smith and Conley connection are making plans for their annual reunion which is to be held next Sunday, June 15 at Riverside Park.

Philches Shearing—
John Wells, Jr., of Valeria district, who has been up in Starkey vicinity attending to the annual sheep shearing program returned to his home in the valley yesterday. Mr. Wells has a large band of sheep.

Home From Valley—
L. L. McKennon and daughters, Mrs. Charles Wright and Mrs. W. R. Ledbetter, returned Saturday night from their ten day auto trip to the Willamette valley where they had been visiting among relatives. They were accompanied home by Miss Virginia Wright who has been studying music in Portland the past year and Miss Naomi Wright who has been visiting her sister here.

Visiting—
Mr. and Mrs. Lavin Morris of Tacoma and their daughter, Greer, are in the valley visiting among their relatives, both his parents and hers.

Out Of Hospital—
Mrs. Press Pugh of Dry Creek north of Summerville has made splendid recovery from her recent operation for the removal of a tumor. We understand she has been removed to the home of her sister, Mrs. Irene Conrad in La Grande for recuperation.

To Present Play—
Members of the Pleasant Grove grange are practicing on the play, "Duncan Dubbs," which they plan to give in the near future.

Long's Successor Chosen—
O. T. McWhorter, for ten years county agent of Washington county with offices at Hillsboro, took over his new duties June 1 at Oregon State college extension station in horticulture, succeeding

C. L. Long, who resigned to become north-west agriculturist for the American Cyanamid company.

McWhorter is a graduate of Washington State college and has had 15 years experience in county agent work, much of it with horticultural pursuits. He served as county agent of Clallam, Jefferson and Grays Harbor counties, Washington, previous to going to Washington county, Oregon, in September, 1929. He has had practical experience in fruit, berry and gardening crops, working with his father on a farm in the Yakima valley for several years previous to becoming agriculturist at the Washington State Training school and instructor in agriculture at Snohomish high school.

McWhorter will continue the work throughout Oregon, fruit areas that was started and carried on by Long in being of service to growers in all of their problems, whether production or marketing.

Weather Cuts Receipts—
Something around \$250 was cleared at the annual Memorial Day dinner served at Summerville this year. While this amount is only about half what is usually cleared or desired, in fact necessary, it is considered not so bad when the weather and roads are taken into account. Memorial Day was one of the worst days for weather that we have had this spring.

Daily Vacation School—
The daily vacation Bible school has been in progress at the lower Cove school since Monday, June 9 and a very fine registration of 34 is reported. The teachers are Mrs. Howard Smith, wife of the county Sunday School missionary, and Miss Dorothy Smith of the sidehill road near La Grande. The final demonstration is to be at the school on Friday evening, June 13 and the public is given an invitation to attend this program.

Movs—
Mr. and Mrs. Lou Cole and family who have lived for the last two years on the Moss farm adjoining Ailet have moved to Ed Clark's farm near Imbler. This will put the children in the Cole family nearer the Imbler school. Those who know the Cole boys remember that the two of them who are in high school at Imbler have walked six miles every day during these years, have had perfect attendance records and have made the honor roll.

Stock Poisoned—
W. P. Titus who has a ranch near Telocasset has had considerable trouble the last few days with some of his stock being poisoned by eating rye in the field. Three head died and several others were afflicted yesterday morning. The veterinarian, who was called, said that stock was sometimes poisoned if they ate the rye just when it reaches the stage of heading out.

Visits Sister—
Miss Dorothy Barker of near Cove was a guest over the weekend of her sister, Mrs. Franklin Wells in the Valeria district.

Have Family Picnic—
In honor of their daughter and sister, Mrs. Charles Wright and her children who left yesterday for their new home in Mandan, North Dakota, members of the McKennon families held a family picnic yesterday at Riverside Park. Those who were present were Mr. and Mrs. L. L. McKennon, Mrs. Clyde Webb and daughter, Helen Jean of La Grande, Mrs. Belle Wright and Mrs. Edith Phyllis of Union, Mr. and Mrs. W. R. Ledbetter, Eva, Edna, and Lyle of Ailet, Mr. and Mrs. Frank McKennon, Mrs. Russell and Frances of Imbler, Mr. and Mrs. Routh McKennon and Evelyn of Ailet, Gordon Wright and Miss Zelene DeFroese of Baker, Ruby Kimberling of Prairie City, Mrs. Wright and daughters, Virginia, Naomi and Patricia and Mabel Weston. The Wright family is moving to Mandan, Mr. Wright having preceded the family about three months, having at that time accepted the editorship of the large bank there.

Seven Years Old—
Miss Marie Wells, daughter of Mr. and Mrs. Ralph Wells of the Valeria district was seven years old last Friday. That was enough of a reason for her mother to arrange a nice surprise on her and invite in the little folks of the neighborhood. Marie was thoroughly surprised but happily so.

Her guests brought her some nice presents which she will always treasure as remembrances of the happy event. There were games and a peanut hunt and lovely refreshments with a birthday cake and ice cream. The guests were Donald, Edna, Rhoda Jean and Mary Jasper, Bobby Chenault, Lois Broadfield, J. A. Hie, Richardson, John, Miley and Violet Wells, Dick Lamb and Betty Jean Howell.

Visit—
Mrs. Frank Jasper, son Merrill and daughter, Velma of Caldwell, Idaho who went from here last week to Seattle for a visit, returned to the valley yesterday and visited relatives on their way back to their home.

Grain Heading—
A number of wheat fields in the valley are heading out already and look fine after the rains of last week. George McDonald's field across from the Conley warehouses is one which looks good. Over at Gilbert Courtwright's in Riverside district there is a fine looking field also. The wheat was drilled with the special deep furrow drill and it is a wonderful stand, already starting to head.

Breaks Arm—
Clifford Wagoner of north of Summerville had the misfortune to fall from his horse about a week ago and suffered a broken arm. It is mending all right according to reports.

Returns From Idaho—
Mrs. Cora Bloom returned Thursday to her home at the Cove following a visit with her two sisters, one of whom lives at Nampa and one at Caldwell. On her way home she stopped at the home of her daughter, Mrs. Donald Gale, and Mrs. Gale together with her little son, Billie accompanied Mrs. Bloom to Cove for a visit. Mrs. Bloom took up her duties for the season at the Cove swimming pool Sunday. A very big day was reported with the pool full most of the day.

Has Fine First Cutting—
From up in the Wallowa region comes a report of an excellent first cutting of alfalfa which produces two tons to the acre on ungrated land.

J. W. Bright cut five acres of Cosneck alfalfa on his place east of town on May 23 and got the new hay in the stack, May 29, just as the rains began and thus established a record for early haying in Wallowa. This alfalfa has never been irrigated. Two years ago Mr. Bright got a light third cutting of alfalfa in this year expects to get three full crops.

Five years ago Mr. Bright imported 4 1/2 pounds of this seed as an experiment, paying \$5 cents a pound for it. He drilled part of it in with a garden drill and the ground froze two inches when the plants were three inches high but the crop suffered no damage and is still producing well with a good stand. It starts growing early and this year his chickens pastured on it from February. Mr. Bright thinks the new alfalfa will produce one good crop each year on any of the hill land.

Island City Aid—
The Island City Ladies aid society will meet Thursday afternoon at the home of Mrs. Sam Williamson on Cove avenue at two o'clock. As there is no work for the aid this week, members are invited to bring their own work.

To Other Valley—
The Misses Eva and Edna Ledbetter of Ailet left Sunday for Weston where they will join friends and drive to Portland the latter part of the week. They will have two weeks or more in that part of the state during which time they will attend Grand chapter of the Order of the Eastern Star, commencement exercises at Willamette university at Salem, the double wedding of the Misses Alice Belle and Mary Saloma Wells in Portland, the wedding of Miss Bea Hartung another nearby sister in Hartung, and do a bit of other visiting on the side.

Bones Mended—
W. P. Brock of north of Summerville who recently fractured an arm while on an auto trip to Portland is doing splendidly and the member is about ready for use again.

Beans Up—
The big 250-acre bean field on the Foster place below Imbler is showing up well these days, as the beans have come through and appear to be getting a good start. This venture in this valley will be watched with not little interest.

showing up well these days, as the beans have come through and appear to be getting a good start. This venture in this valley will be watched with not little interest.

Anniversaries—
The Over The Valley department has a birthday this week, too. The department was started three years ago this week. Now for the fourth round. This is a mighty wonderful valley to work in for three years.

Countrywomen's Club—
The regular meeting of the Countrywomen's club will be held on Friday afternoon at the home of Mrs. Arthur Golden. Members are asked to bring their needlework.

Big Picnic—
On Sunday, June 22, the I. O. O. F. and the Rebekeah lodges of Summerville will entertain the county association with a picnic in the grove by the Dry Creek school house, two and a half miles north of Summerville. Everyone can eat their lunches where they wish. There will be plenty of shade for those who wish to spread them under the trees, also tables for those who wish to use them. Bring your lunches for coffee. The Summerville lodge will have a ball team and will play a team chosen from the other lodges combined. The ball players must be Odd Fellows, or sons of Odd Fellows or Rebekeahs. All Odd Fellows, Rebekeahs and their families are invited.

A SEASONABLE RECIPE

Raisin Bread
(Makes two loaves)

1 pint sweet milk,
2 eggs, well beaten,
4 cups flour,
2 cups raisins,
2 tablespoons butter,
1/2 cup sugar,
1 teaspoon salt,
4 teaspoons baking powder,
1/2 teaspoon soda.

Sift together the flour, baking powder, soda and salt. Rub the shortening into the sugar, then stir in the beaten eggs. Add the prepared flour and milk (if they are dry not hard, they must be steamed soft.) After mixing thoroughly divide the batter in two greased pans and let raise at least 15 minutes. Bake in moderate oven.

Baltimore—Physician announces discovery of cause of colds and development of a preventive.

SIX UNION COUNTY CLUB MEMBERS ARE AT SUMMER SCHOOL

Union county 4-H clubs are being represented this week and next at the annual 4-H club summer school at the state college, by six young people who have earned their right to attend by some decidedly outstanding work in the club field. These six are Gertrude Bell of near the Cove, Almon Gels of Cove, Thos. Boyer of lower Cove, Dale Standley of the Iowa district and Bobbie Huron and Clayton Fox of Imbler. The young people left this valley Sunday in order to be on the campus for the open programs of yesterday. The school continues through the 21st.

More than 700 boys and girls from all parts of the state are in attendance and the days arranged for them are full of good, interesting and instructive things for them, all planned by H. C. Seymour, state club leader assisted by other state college men and women.

Yesterday the opening assembly was addressed by Dr. M. Ellwood Smith, who has charge of summer school and campus activities. This morning the assembly was addressed by Dr. W. J. Kerr, president of the college, and C. L. Starr, president of the state board of education was also present and spoke.

Thursday, June 12, has been designated O. M. Plummer day in honor of O. M. Plummer of Portland, manager of the Pacific International Livestock exposition and a member of the National Committee on Boys' and Girls' club work, representing the 11 western states. Mr. Plummer is a regular visitor to 4-H club summer schools and is well known to most club workers here on account of his activity in their affairs at the Pacific International.

Adjutant-general George A. White is expected to be present for the flag day exercises Saturday, June 14. Monday, June 16, will be governor's and state fair board day. Governor Norblad will address the assembly at this time if he has returned from the east and members of the state fair board will also be present. The state winners of scholarships offered by the fair board every year will be recognized at the assembly.

School day will be observed Wednesday, June 18, with C. A. Howard, state superintendent, as the main speaker. Invitations have been sent to every county school superintendent in Oregon and many have already indicated that they will be here, according to Seymour.

Broker School System Spreads Over All U. S.

NEW YORK (AP)—The day when technical training will be within the reach of all embryonic brokers is envisaged by Dr. Earl E. Schultz, director of the Educational Institute of the New York Stock Exchange.

A start towards the achievement of that goal has been made during the past few years with the creation of institutes by the stock exchanges of San Francisco, Los Angeles, Seattle and Chicago patterned after the New York institute.

Growing interest in the institutes has been manifested by Cleveland, Boston and other cities. Dr. Schultz said.

Dr. Schultz looks forward to the day when there are institutes in all the principal stock exchange cities throughout the United States, with courses open to employees of all brokerage houses.

Institutes in all cities except New York now operating are open to employees of both the exchange and brokerage houses.

College courses provide only a smattering of learning to equip the young man bent on a career in the financial world.

"And I am not sure it should be otherwise," said Dr. Schultz. "Much of what we teach here is of interest only to those who are employed in the stock exchange."

"Certain training always will be provided by specific organizations," Dr. Schultz said he would like to see the stock exchange institutes exert an influence in the brokerage business comparable with the American Institute of Banking in the banking world.

"Institute training may never be made a prerequisite for employment in the brokerage business, but it may come to merit such recognition as will give employees with such training preference in promotion."

WASHINGTON (AP)—The world lost its false teeth from America, and likes them better and better.

In the first three months of 1930 7,648,713 false teeth worth \$358,908 were exported, a substantial gain over the same period for 1929.

Dental instruments and supplies also showed a gain, as did dental office furniture.

WOMEN PROTEST
LONDON (AP)—Protests have been made by the Women's Freedom League to Prime Minister MacDonald over the insufficiency of royal honors accorded women.

Rockford, Ill.—Seller of machine guns used by gangsters is seriously shot and wounded.

THERE'LL BE BUCKING!

Those who enjoy bucking will find something to their taste at the 22nd annual Livestock show which, as the "Eastern Oregon Livestock Show," opens up Thursday at Union.

Thursday is free day for children, but the grown-ups want to be there from the first, according to the show promoters who announce that the facing events and arena sports on the first day are unexcelled during the three days of the show.

Exhibits are already being taken care of and by tomorrow the place will be teeming with the livestock gentility.

Livestock Judges Are Announced

Judges of livestock at the Eastern Oregon Livestock show at Union, Thursday, Friday and Saturday, June 12, 13 and 14, will be three well known Oregon livestock experts, according to the announcement of Robert Withycombe, chairman of the committee on judges.

Ben W. Rodenwald, associate professor of animal husbandry, of Oregon State college, will place the ribbons on the horses and beef cattle; H. A. Lindgren, popular extension specialist in animal husbandry at the same institution, will make the placings on sheep and hogs; while Oliver K. Beals, director of vocational agriculture at Corvallis High school, will judge the dairy cattle classes and score the exhibits in the vocational department.

Both Mr. Rodenwald and Mr. Lindgren are well known in Eastern Oregon, particularly Mr. Lindgren, who has been active in the work of the Oregon wool growers and the Cattle and Horse raisers' association. Mr. Rodenwald has only recently returned from sal-

Valley Men Start Annual Sheep Prize

Beginning with this year's stock show, Hugh Huron of Brooks Land and Frank McKennon of near Imbler are starting to offer a special prize to boys and girls who are members of 4-H sheep clubs, not only in Union county but in all eastern Oregon. The prize is to be a registered Hampshire ewe lamb, with the valuation placed around \$25 or \$30. These two men will give the prize in alternate years, that is, Mr. Huron gives one of the fine ewe lambs from his registered band this year and Mr. McKennon will make a similar award next year.

To win this prize the boy or girl must show that he or she excels in training and fitting a lamb for show purposes. The contest is to continue one hour during each of the three days of the Eastern Oregon Livestock show and the award made on the final day. As stated before Mr. Huron and Mr. McKennon want to emphasize that the contest is not confined to sheep club members of this county, but of Union, Wallowa, Baker, Malheur and any other county in Eastern Oregon.

Mr. McKennon is leader of the Imbler 4-H sheep club which is one of the most active of the county clubs. It has 11 active members.

Quick Pile Relief

No Salves or Cutting

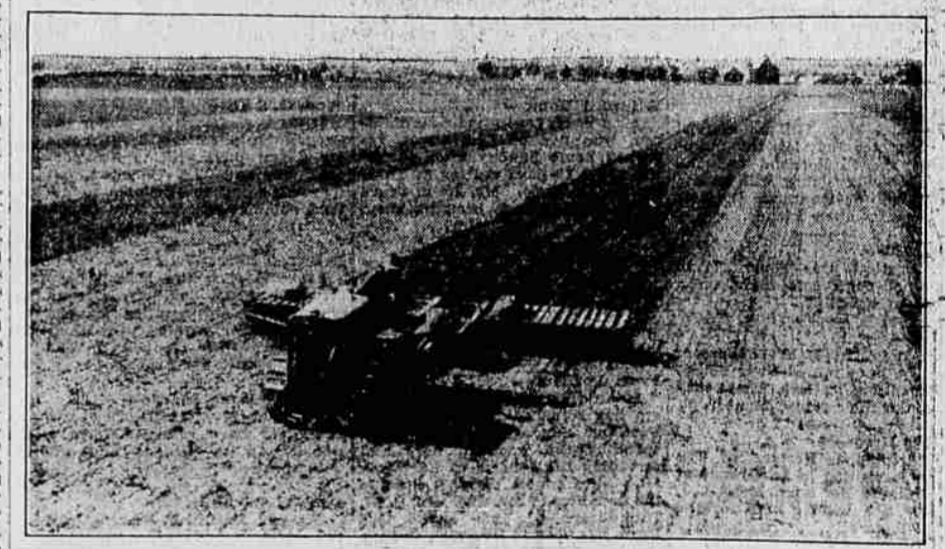

Pile sufferers can only get quick, safe and lasting relief by removing the cause—bad blood circulation in the lower bowel. Cutting and salves can't do this—an internal remedy must be used. HEM-ROID, the prescription of Dr. J. S. Leonard, succeeds, because it removes this blood congestion and strengthens the affected parts.

HEM-ROID tablets as sold by druggists everywhere, have such a wonderful record for quick and lasting relief, that Red Cross Drug Store always sell them with guarantee of money-back if they do not end all pile suffering.

Armored Against Time . . .

Father Time nicks his scythe whenever he competes with a "CATERPILLAR" track-type tractor. Hardened, toughened steels just laugh at the weak assaults of dust and grit, or mud and snow where tough jobs lie ahead.

Farmers successfully battle short seasons, tearing into work that is accomplished in shorter hours . . . leaving Father Time amazed.

Long, wide tracks conquer soils and power conquers seasons with armored steel that goes where it is sent.
