and "active" means just that. They will have an exhibition at the coming show of 63 head of fine registered sheep.

The club met Saturday at the McKennon farm for their second school of instruction in fitting for show purposes. Nine of the members were present together with their parents and other adults including county agricultural agent Harry Avery. The club members worked on the animals provided, each one having a part in the procedure. At the close of the instruction, the parents served ice cream and cake.

Two Aged Men To Seek Cue "Title"

ST. LOUIS, June 10 (AP)—With a championship at stake, two St. Louis "youths," John M. Gomez, 86, and S. S. Hyatt, 82, will meet today in a billiard match.

The winner will be crowned champion of the fifth annual perpetual youth tournament. Last year's champion, Captain W. R. Henry, 91, did not compete this year.

Practically all the other 24 members of the perpetual youth club, about equally divided in their opinion of the outcome, planned to be on hand for the match. The combined ages of the 26 members total 7,552.

The club has only one requirement for admission—the applicant to escape the "black ball" must be at least 79.

Butter And Egg Prices Steady; New Spuds Firm

PORTLAND, Ore., June 10 (AP)—Butter and egg prices were unchanged today, with butter showing a firm undertone. Receipts of the latter have been lighter than heretofore.

Reviewing the fruit and vegetable situation, the Portland bureau of the U. S. department of agriculture says:

"Green peas are the feature of Portland's wholesale fruit and vegetable market. Outside demand for green peas is very active, and shippers are paying as high as 8 and 9c per lb. for all peas grading No. 1 or better. The local market has been forced upward, accordingly. Shipments are leaving Portland by motor-truck and in mixed cars, by freight.

"Apple dealers report slower demand, and jobbing prices are a shade lower. Dealers anticipate very limited additional receipts of Washington apples; present storage supplies probably being adequate for the remainder of the season.

"The market is oversupplied with Imperial valley cantaloupes, with about 30 carloads on track. Demand is fairly good, but the market is barely steady as a result of the oversupply. Quality ranges from poor to very good.

"California's new potato market is firm, with slight price increases almost daily. Yakima shippers report loading of some 17 cars of old potatoes from that district, all of which had been previously stored in transit. This reduces Yakima storage holdings to 60-75 cars."

Young Thompson Defeats Dolan In Third Round

PORTLAND, Ore., June 10 (AP)—Young Jack Thompson, welter-weight champion of the world, showed his mettle here last night by knocking out Jimmy Dolan, rugged Portland Mexican welter, in the third round of a scheduled ten-round non-title fight. Dolan weighed 149; Thompson, 147.

The Oakland, Cal., negro found Dolan's chin early in the fight and dropped him for a count of nine in the first round.

Dolan came back hard in the second round, set a fast pace and maintained it throughout the round. But the champion easily dodged all the blows that would have done damage had they landed.

Thompson dropped Dolan for a nine count again in the third round. Dolan got up only to go down a minute later for a count of ten.

The negro used a looping right to the chin to score both knockdowns and the knockout. He was the mooter and the aggressor throughout the bout, ripping short rights and lefts to Dolan's head and body.

Jack Kentworth, 148, and Ray Nelson, 152, both of Portland, fought six rounds to a draw in the semi-final. Abie Israel, Portland, 144, won an easy decision from Jimmy Ketchell, 116, Seattle, in four rounds.

Johnny Hansen, 144, Portland, knocked out Bobby Dugger, 145, Portland, in the first round of a scheduled four round fight. Ray Morgan, 145, Portland, decisioned Fred Welch, 144, Portland, in four rounds and Dutch Easter, 129, Los Angeles, scored a technical knockout over Lee Davis, 125, in the third round.

Bears Run To Cover Today In Exchange

NEW YORK, June 10 (AP)—Bears finally ran to cover late in today's session of the stock market and share prices rallied widely after more than a hundred issues had recorded new low levels for the year late yesterday and today.

The market churned about uncertainly during the early hours of trading, as weakly held stock shakens loose by the abrupt drop late yesterday was absorbed, while supporting orders and sporadic short covering tended to steady prices.

In mid-afternoon, however, his guidance appeared to have been completed for the moment, at least, and shorts seeking to buy back, and speculators on the decline found of feelings limited and were forced to bid against each other.

Public Getting Excited About Jack Sharkey-Max Schmeling Business.

By Herbert W. Barker (Associated Press Sports Writer)

NEW YORK, June 10 (AP)—Jack Sharkey's heavy-weight championship battle with Max Schmeling on Thursday night will not draw a million dollar gate but there are indications it will pass the \$500,000 total that has been predicted for it.

Mr. John Public is showing unmistakable signs of getting excited about the whole business. The boys on the streets are talking about it, arguments as to the respective merits of a left hook and a right cross are common and that's what made Jack Dempsey's various title battles draw millions.

Drives of Customers

A steady rain, a drab and colorless day, could not prevent customers from appearing in droves at Madison Square Garden's box offices yesterday to demand more or less choice seats for the fray at Yankee stadium. At the end of the day the Garden announced the offers of the milk fund, sponsors of the show, had been swelled by \$40,000. Recalling that \$90,000 had been taken in on Friday and Saturday, the Garden was not slow to estimate that the total gate would pass \$790,000.

Just to make the day one of unalloyed bliss for the promoters, Sharkey and Schmeling both put on great workouts at their training quarters in Orangeburg and Endicott, N. Y. The boys who will do the actual work have one more day of training ahead of them.

Won't Rest Plane

They'll rest Wednesday and come to New York in time for weighing in ceremonies at the stadium at 2 p. m. Thursday. Sharkey will come by motor from Orangeburg, while Schmeling makes the trip from Endicott by train. The latter had planned to come by air but definitely abandoned this plan because of unfavorable weather conditions.

Principal interest here turned on the question of a referee. Neither Sharkey nor Schmeling has offered objection to the New York state athletic commission's plan to select the third man in the ring just before the 15-round title bout begins. A succeeding contest in Orangeburg, while Schmeling makes the trip from Endicott by train. Athletics Gain 3-Game Lead In American Race

By Orlo Robertson (Associated Press Sports Writer)

Baseball games won in the spring count as much as the ones won in September but the Washington Senators are discovering that it takes more than an April and May winning streak to keep in the midst of the American league fight.

From the Senators are still clinging tenaciously to second place in the junior circuit but every day sees the Indians creeping closer and closer. Today Cleveland is only a half game away while out in front, setting a burning pace, are the Athletics with a three game lead.

The Indians today stood within grasp of runner-up honors as the result of a 5 to 4 victory over the Senators yesterday. With Eddie Morgan providing the big gun of the offensive tower and Walter Miller hurling good ball in the clinch, Cleveland came from behind to nose out their rivals in the eighth inning. Morgan hit a home run with one on and then added a triple later in the game.

Taking advantage of the Senators' defeat, the Athletics strengthened their hold on first place by knocking out a victory over the White Sox 5 to 2. Big Bob Welch held the champions at bay for eight innings, but in the ninth they broke through and scored six runs with a base on balls and a sacrifice fly to score what proved to be the tying and winning runs.

Chad Kinsay turned in a brilliant bit of relief hurling at St. Louis but holding the Yankees to five hits in six innings failed to stop them from defeating the Browns 8 to 5. The Yanks scored seven of their runs off Crowder in the first three innings.

In the only other game played in the major leagues the Red Sox moved out beyond 7 to 6 by a five run rally in the seventh. Gaston held the Tigers to nine hits.

All National league games were postponed either because of rain or wet grounds.

Willie Kamm Is Benched by Bush

CHICAGO, June 10 (AP)—Willie Kamm, formerly of the San Francisco coast league club, who led American league first basemen in fielding in 1929 and 1928, has been benched by Manager Donie Bush of the White Sox. Kamm has failed to start this season and was included in a wholesale shift which sent Irving Jeffries to third base, Sural Jolly from right field to left, Carl Reynolds to right and Johnny Watwood to center in an effort to add punch to the Sox attack.

Wool Shipments

PORTLAND, Ore., June 10 (AP)—E. B. Kennedy, district manager of the American-Hawaiian Steamship company, said today the steamer Mexican would be diverted from the Puget Sound trade to Portland to move the 25,000,000 pounds of wool which constitutes a crop.

The Mexican will load "a full cargo of wool for eastern ports. The steamship Pennsylvania, due Thursday is to load about 700 tons of wool.

Sacs And Oaks To Play First Night Contest

By The Associated Press

Sacramento, having consistently kept in front of the pack under old-fashioned sunlight, looked forward to a new test today in the first game of night baseball to be played in the Pacific coast league. The Oakland outfit, one of the strong contenders for first division honors, was in the capital city prepared to meet the Sacs under the blaze of a battery of flood lights that is expected to provide satisfactory playing conditions and at the same time allow the attendance of fans who have work to do in the day time.

Leo Morcin, president of the club, hoped that the park attendance record of 12,000 might go on the boards in the inaugural of the night system, which has already been adopted in the Western and Three Eye leagues and the American association, 20,000 spectators can be accommodated.

Last week's series brought numerous close contests but little change in standing. The percentage fluctuations were particularly featured in the rivalry of San Francisco and Los Angeles for second position.

The Seals and Angels prepared to settle their issue in a two week run, seven games at Los Angeles this week and seven at San Francisco next week. Lead of the second division was at stake in the opening of a fourteen game meeting of the Missions and Hollywood, at San Francisco this week and Los Angeles next, with the possibility of a first division position for either if it won a large share of the games. Portland and Seattle were scheduled to play this week at Seattle.

HUSKY CREWS TO LEAVE FOR EAST TONIGHT

SEATTLE, June 10 (AP)—Three crews of the University of Washington will leave tonight to seek new rowing laurels in the east.

Thirty Husky oarsmen making up the Washington varsity, junior varsity and freshman boats will stop off at Madison, Wis., to row the University of Wisconsin eights on Lake Mendota, June 16, and then will continue to Poughkeepsie, N. Y., where they will compete in the national regatta June 25.

With victories over the three crews of the University of California under their belts the Washington eights are primed for action with the Badger and hope for the best at Poughkeepsie. The Washington varsity finished second to Columbia on the Hudson river last year and are considered more powerful a crew this year.

Al Ulbricksen, varsity coach, has announced himself as satisfied with the power and condition of his varsity and junior varsity crews.

Not since Babe Ruth left town at the threshold of his amazing career as a home run hitter has conservative Boston become so steamed up over a slugger as it has over Wally Berger, the rangy new sledge gun of the Boston Braves.

Berger came up from the Pacific Coast League this year with a reputation as a circuit slouter. He drove balls beyond the rain trees and the natives to cover at Waterfront Park in St. Petersburg during training but the townspeople were skeptical until shown the real thing in championship action. Berger has shown them he can slug with the leaders and he has been the biggest single factor in briak business so far at Braves Field.

Bill McKechnie had some idea of making a third baseman out of Berger when struggling to figure out a line-up of Braves in the South. He abandoned this idea, however, in favor of allowing Wally to roam the outfield and concentrate on his slugging, which has been both terrific and timely.
