Spoke At Weston Last
PENDLETON, Ore., June 17 (AP)—Senator George W. Joseph, republican candidate for governor, who died Monday, gave his last political address before the annual Unadilla County Pioneer reunion at Weston, Saturday.

His favorite topic of hydro-electric power occupied most of the time during the address. During his swing through this county during the heat of the campaign for governor, Senator Joseph made many friends in the rural communities by his dynamic spirit and his friendliness.

COAST TO COAST FLIGHT STARTED

10 minutes for the east-west hop and 17 hours 33 minutes for the west to east jump and 44 hours for clipped times but the transcontinental route from Los Angeles to San Diego is about 460 miles shorter than the distance between New York and Los Angeles which was covered by Captain Hawks.

Equipped With Radio
The stream lined monoplane of the famous pair is radio equipped and the fliers expected to establish communication with various cities to obtain weather forecasts and to report the progress of their flight.

The plane, which weighs 6,500 pounds with a full load, was expected to average 150 to 170 miles an hour.

For good luck, Schlee arranged to wear the same pair of tan and white sport shoes he wore when another monoplane, the Pride of Detroit, started the safety across the Atlantic ocean and Europe to Tokyo in 1927.

Brook and Schlee took off from Harbor Grace, N. F., August 27, 1927 and reached Tokyo Sept. 14, a distance of 12,295 miles.

SCHALL IN LEAD

ST. PAUL, Minn., June 17 (AP)—Nomination of Thomas D. Schall, republican, for a second term in the United States senate was indicated today when more than one fourth of the state's precincts reporting from yesterday's primary election gave him a plurality of 25,593 over Governor Theodore Christianson, his chief opponent.

Returns from 1,955 precincts out of 5,698 in the state generally distributed in urban and rural regions gave Schall, 50,188 and Christianson 54,595. John F. Selb, running on a wet platform, polled 8,745.

Schall swept the three largest cities in the state, Minneapolis, St. Paul and Duluth, by better than a 3 to 2 vote and also led in many parts of the districts in the southern part.

Governor Christianson, in receiving the news of the heavy Schall vote without sign of great concern, admitted "there is no doubt about the result." He expressed gratitude for the voting support given him but declined to discuss any plans for the future. His third term as governor expires next January 1.

NEW JERSEY VOTING

NEWARK, N. J., June 17 (AP)—The political eyes of the nation were centered on the New Jersey primary today in which prohibition is the paramount issue and an ambassador, a former senator and a congressman are the candidates for the republican nomination for United States senator.

The polls are open from 7 a. m. until 8 p. m. (E. S. T.) Managers for Ambassador Dwight W. Morrow, former Senator Joseph S. P. Dickinson, and Representative Franklin W. Ford, the republican senatorial candidates, all predicted one of the largest votes in a New Jersey republican primary. They estimated that from 500,000 to 600,000 ballots would be cast.

With the close of the campaign, which ended with radio addresses by the candidates, supporters of all three were claiming victory.

Prohibition became the chief issue when Ambassador Morrow opened his campaign with a declaration for the repeal of the eighteenth amendment and the return to the state control of liquor. Dickinson previously had taken a position favoring modification of the prohibition laws under federal control.

JOSEPH'S DEATH BRINGS SORROW

(Continued from Page One)

held in very high esteem by the people of Oregon. His place will be hard to fill. Personally, I feel I have lost a very fine friend.

Just Anderson, secretary central labor council: I am indeed sorry to hear of the death of George Joseph. He would have made Oregon a fine governor as he was throughout his career a splendid and noble citizen.

Ronald G. Calvert, editor, The Oregonian: Senator Joseph's death is a terrible loss to the state and a great loss to the nation. He would have made his administration brilliant and memorable.

George L. Baker, mayor: The sudden death of Senator Joseph is the most terrible shock the state of Oregon has ever suffered. He was an outstanding figure in public life, a good fighter, a fearless foe and a good citizen. It is with a heavy heart that I heard the terrible news.

Salem Comment

SALEM, Ore., June 17 (AP)—Phil Metchen, chairman of the republican state central committee, who was here yesterday to attend the funeral of his brother-in-law, Dr. L. P. Griffith, paid the following tribute to George Joseph: "I have known George Joseph for 35 years intimately. He was a man of absolute integrity and ability and of extraordinary gifts in his public relations, and would doubtless have been elected governor by the largest majority ever accorded a candidate for that office in this state. As a campaigner he was without an equal. His meeting at the auditorium in Portland was one of the most effective, with only local issues concerned, that I have ever seen as an individual vote getter was almost 100 per cent effective. His untimely death will undoubtedly be a very bitter blow to his thousands of ardent followers and it is a loss to the state."

Salem

Acting governor Hamilton: In the death of George Joseph, at the state of Oregon has lost a valuable citizen and the people of Oregon a close friend.

SALEM, Ore., June 17 (AP)—When news of the death of George W. Joseph reached secretary of state Hoss today, he had on his desk his official certification of Joseph's nomination for governor by the republican party, ready to be mailed to Joseph. Hoss said the certificate would be mailed regardless of Joseph's death.

Bailey Deeply Shocked
EUGENE, Ore., June 17 (AP)—Edward E. Bailey, democratic nominee for governor, who would have opposed Senator George W. Joseph, republican nominee, at the polls in November, was deeply shocked Monday to learn of the senator's death.

"I am very deeply shocked at the news of the death of Senator Joseph," he said. "He was a personal friend of mine and I served with him in the senate during the 1927 session. I always found him a man of sterling qualities and I have always considered him to be one of the outstanding men of the state. Through his death the people have lost a leader in progressive policies."

UNION (Special)—Saturday evening while L. Car Cuts Down 40 Posts Along Fence at Elgin

By Mrs. Lynn Hill (Observer Correspondent)

ELGIN, Ore. (Special)—An unusual accident occurred one day last week at the Jack Lewis farm, west of town. Mr. Lewis had stopped his car in front of his house which is situated on a sloping hill. In some way the car started down the hill and headed into the fence along the roadside. Due to its momentum, it pushed over the first post, it struck, and continued its course, directly down the fence, pushing over posts, until by the time the foot of the hill had been reached, about 40 posts were knocked over but the car was not damaged and the retarding of speed due to striking the posts prevented the car from overturning.

Mr. and Mrs. Luther Geiger, of Indian Creek, suffered the loss of their home and all their furniture by fire last Wednesday. Neighbors hurried to their aid as quickly as possible but were able to save but very little. Their daughter Grace was still in bed following a major operation a few weeks ago and was carried to the Arthur Bussars' home nearby. The family is at present gathering together a new stock of home-keeping equipment and until that is completed they are staying with various friends in the neighborhood.

The annual school election was held at the school house on Monday afternoon. Jack Crum was elected to serve as three-year director and U. P. Weiss was re-elected clerk of the district.

Clark Zell is spending some time with his parents, Mr. and Mrs. Zell.

Chen Doby has opened the Wade pool hall for business within the last two weeks.

William Philippen has gone to Hot Lake where he will receive treatments for complications following flu and pneumonia last winter.

Mrs. L. E. Cross, of Indian Creek, has been having extensive remodeling done to her home, new screened porches have been enclosed.
