FAT MAN Walks Ten Miles

I don't care how fat you are or how much you hate to get out and walk a couple of miles.

If you will take one half a teaspoon of Kruschen Salts in a glass of hot water every morning for 30 days—

You will feel so good—so energetic and the urge for activity will be so great that you will immensely enjoy a daily walk of several miles—and lose fat.

Why will Kruschen Salts make this great change for the better in me—It is natural for you to ask.

Because Kruschen is a blend of the 6 vitalizing salts Nature says your body must have to keep every organ, gland and nerve in the body buoyantly healthy.

While you are losing fat you will be gaining in energy—in endurance—in ambition. Your skin will grow clearer and your eyes will sparkle with the good health that Kruschen brings.

Just try one 85c bottle of Kruschen Salts; it will last you 30 days. After you have taken one bottle the old air chair won't hold you any more—you'll want to be up and doing—you'll enjoy work and active recreation and you'll sleep like a top.

You'll lose fat and probably live years longer. Get Kruschen at any live druggists in America—Moon Drug Co., Glass-Drugs Inc.—Adv.
