

Minstrel Show Staged at Union; Very Successful

By Mrs. L. Z. Terrill (Observer Correspondent)

UNION, Ore. (Special)—The minstrel show "Black and White" staged at the gymnasium Wednesday evening by a large delegation of La Grande women was an excellent production in every way, and should have attracted a record crowd. Every number on the program brought forth hearty applause. The southern melodies with their sparkling bits of fun and the solos were beautifully sung. The dramatic skits amused and the party like dances of little Virginia Bonnetie demanded an encore. Whether the joke was on themselves or the other fellow, the business and stock show men who were present missed many good laughs. The whole production must have taken hours of rehearsal and clever jokes on local citizens showed much forethought.

first game of a double header here Sunday against Nampa as the favorites to win the championship of the first half of the Eastern Oregon-Idaho league season by virtue of their previous victory over the Nampans. The game is expected to be a hotly contested one.

Baker defeated the Railroaders in an early season contest with Johnson in the box, by a score of 12 to 8. McIvers, present Nampa twirler, is expected by Baker club officials to "give Baker a run for its money."

Nampa now has a percentage of .750 and Baker has a percentage of .657 in the league standing. Because of the fact that Nampa has played only eight games and Baker has played nine, the Railroaders are half a game ahead of the Elephants. However, victory for either team would clinch the championship. If Nampa were to play Payette in a postponed game this week, and defeat that team,

a victory for Baker here Sunday would only throw the two teams into a tie for the championship.

Hawks, regular Baker twirler, is expected to start the first game in the box. Stewart is slated to start the second contest, the first game for Baker and Nampa in the second half of the schedule. Baker or will be without the services of Quinn, centerfielder, who has gone to Seattle to attend summer school at the University of Washington. Hugh Duffey, of Jerome, Idaho, who played centerfield for the University of Idaho nine in 1929 and 1930, will probably relieve him. Scott will probably return from Corvallis, where he is attending a coaching school, to play in Sunday's game.

The tentative lineup for Sunday's game was announced today by Manager Ren Black. The lineups for both games will be the same with the exception of the pitchers. Players scheduled to

start the contests are: Saunders, c; Walters, 1b; Stokke, 2b; Helms, 3b; Garrett, ss; Scott, lf; Duffy, cf; Cook, rf.
