No More Neuritis

in Arms, Neck, Legs or Thighs

If you want to get rid of the agonizing pains of neuritis, neuralgia, sciatica or rheumatism, just apply Tyamol to the affected parts and see how quickly all misery will cease.

Tyamol is a powerful penetrating absorbent, soothing and healing in its action, which goes in through the pores and quickly reaches the burning, aching nerves. Those stubborn pains in the back of the neck, about the shoulder blade, face or head, in the forearm and fingers, or extending down the thigh to the toe tips, will soon disappear. Cramping of the muscles will stop and you will no longer be bothered with soreness, swelling, stiffness, numbness or tenderness of the joints and ligaments.

Tyamol is not an ordinary liniment or salve, but a scientific new emollient that is entirely different from anything you have ever used. Don't suffer any longer. Get a supply of Tyamol at any good drug store. Always on hand at Glass Drugs, Inc. —Adv.

Washington to inspect the crops. Mr. Cleaver is the market specialist in Purdue university in Lafayette. This will be Mr. Cleaver's fourth year at the university. They will return to their home in about a month.

Midget Wedding To Be Held At Union Thursday

By W. V. Connor (Special)—Thursday evening, June 27 at the Methodist church there will be a representation of the midget or Tom Thumb wedding with local children under ten years old participating. This program will be in charge of Mrs. Nora Cheney, president of the Ladies Aid and a woman who makes a specialty of this entertainment. About 50 little folk will take part in the evening's program.

Ed Cline, who has been at Hot

Lake for the past couple of weeks and underwent an operation recently, is reported as in a very critical condition.

The Sunbeams and the Hooster Boys, two classes from the Methodist Sunday school, enjoyed a swimming party at the Cove pool Saturday evening. The trip to the swimming pool was the result of a contest between the two classes, which was won by the boys. Miss Susan Chadwick and her class of girls entertained Leonard Clark and his boys with the swim and a lunch. About 20 made the trip.

First spraying of cherry trees is now under way in this vicinity. This will be followed in about a week by a second spraying and if necessary, a third one before the fruit is ready for picking. There are prospects for a good crop here. It is believed by growers that very little damage was done by the hail Saturday. A few cherries seem to show hail marks and in places the fruit has burst open, probably from

Miss Lanice Weaver was here from Haines Sunday, the guest of Mrs. Lois Hall. Miss Weaver was formerly a student in the local schools.
