

**HEAT WAVE IN  
SOUTHWEST IS  
TO CONTINUE**

KANSAS CITY, June 26 (AP)—Continuation today of the heat wave which has sent temperatures well over the century mark in the southwest was predicted by federal weather observers.

West Texas yesterday saw the peak of heat, 110 1/2 degrees being recorded at Childress and 106 at Lubbock. Farmers expressed considerable concern over crops.

Temperatures in Oklahoma ranged upward to 106 degrees at Buffalo, and Wichita, Kas., re-

ported 101.

Storms which temporarily broke the heat wave in Missouri damaged buildings at Trenton and the Tobacco crop near Weston. H. H. Merrill, 35, farm laborer, was killed by lightning near Raytown.

**NORBLAD APPOINTS THREE**  
SALEM, Ore., June 26 (AP)—Leo Eyerley, Salem aviator and superintendent of the municipal airport here, was today appointed by Governor Norblad as a member of the state board of aeronautics to succeed A. B. McKenzie, of Portland, whose term has expired. The appointment is for five years.

Mrs. Pauline Kline, of Corvallis, was reported a member of

the state board of child labor inspectors for five years.

Dr. B. C. Ellsworth, of Portland, was appointed to succeed Dr. David Long, of Portland, as a member of the state board of chiropractic examiners. The term will expire in three years.

**FRESH! NEW! FROCKS**  
Printed Silks

High in fashion cards she held these new dresses that trump the mode for chic and youthfulness. The soft dressmaker touches of bow, tuckings, ribbons, ripples and flounces stamp these as absolutely 1930. The delightful colors stamp them as summer frocks and the price stamps them as frocks the thrifty wardrobe can acquire.
