In a hostess it's Graciousness

in a cigarette it's Taste

THE SUCCESS OF A HOSTESS depends upon her ability to make others feel at home; that of a cigarette, upon better taste. HOW ELSE EXPLAIN Chesterfield's constant gains, its ever-mounting popularity with smokers everywhere? THERE IS NO SUBSTITUTE for the delicate mildness and rich aroma that belong to Chesterfield, nor for Chesterfield's unique blend and cross-blend. "In a cigarette it's TASTE!" Yes, and in a Chesterfield, it's... "TASTE above everything".

We state it as our honest belief that the tobaccos used in Chesterfield cigarettes are of finer quality and hence of better taste than in any other cigarette at the price. LIGGETT & MYERS TOBACCO CO.
