

DUCKS SURT RISE BY WINNING TWO

Los Angeles Goes Into Final Week, However, With a Four-Game Lead

By the Associated Press

Los Angeles went into the final week of the first half season in the Pacific Coast league today with a four game lead, in spite of having dropped two yesterday to Portland, 5 to 0 and 8 to 4.

Walter Mails shut the Angels out in the first, while the Ducks got to Ballou in the first four innings. Carl Mays kept the Angel hits scattered in the second and the Ducks hammered Peters frequently.

Sacramento gained a game on the leaders by splitting with the Missions, winning, 7 to 5, in the morning, and losing, 3 to 2, in the afternoon. Backer's two homers featured the first game. Bryan hit Burns with a pitched ball to force in the tying run and allowed Kelly a hit as the Missions won in the ninth of the second.

14 Out of 15

Hollywood made it 14 out of 15 by trimming Oakland twice, 5 to 4 and 7 to 6. Shellback won his own game by knocking a homer with two on in the fourth, and holding the Oaks to nine scattered hits. The second was scheduled for seven innings, but went into eight and the Acorns won after Oakland took a one run lead in the extra period. Seven pitchers worked in the game.

Seattle took the series with San Francisco, winning twice yesterday, 4 to 3 and 3 to 0. Zahnler profited by some good batting support in the first. "Dutch" Reuther blanked the Seals in the second.

Senators Tied For Leadership

By Hugh S. Fullerton Jr. (Associated Press Sports Writer)

A large part of the first half of the major league baseball season has been spent in strenuous efforts on the parts of various managers to strengthen their clubs for the latter part of the year and the success of their efforts is quite evident in the current standings of the clubs.

Washington's big deals with the St. Louis Browns and Chicago White Sox turned out to be an important factor in making the American league campaign a duel between the Senators and the Philadelphia Athletics. The acquisition of Heinie Manush gave them some batting punch where it was needed while Al Crowder has turned out to be an effective pitcher in Washington. Art Shires and Dave Harris, formerly of Chicago and Portland, Ore., also have helped improve the Senators' batting average.

Tied For Leadership

The result is that the Senators and the Athletics today are tied for the league lead. It was Shires who brought about the tie, coming through with a pinch single with the bases full in the tenth inning to beat the New York Yankees, 3 to 0. Washington now has won 15 out of 16 games, shoving the Yanks 5 1/2 games into third place by sweeping the series. And by pitching all of yesterday's game, Dump Hadley made it 14 out of 16 pitchers who have finished the games they started.

The Athletics kept their place in the sun by winning their third close decision in a row from the Boston Red Sox, 4 to 3. George Earshaw scored his eleventh victory of the year, gaining a slight edge over Dan MacFayden.

Cleveland Indians, with Clint Brown on the mound, shut out the St. Louis Browns, 7 to 0. Waite Hoyt also pitched well and led Detroit to a 5 to 0 victory over the Chicago White Sox.

He Boone Does Well

The Brooklyn Robins, who chose to add strength to their team by obtaining Ike Boone from the Pacific Coast league, found good reason to be pleased with their new acquisition. Boone made his debut yesterday and played the principal role as the Robins regained first place in the National league by beating the Boston Braves, 10 to 4. He hit a home run and a single and made a great catch of a fly, diving into the bleachers to grab the ball.

Cincinnati took both games of a double header from Chicago by scores of 5 to 4 and 8 to 7, breaking a losing streak of five games.

The third place struggle between the New York Giants and St. Louis Cardinals remained unchanged as both teams won double headers. The Giants trounced Philadelphia, 10 to 8 and 6 to 2.

The Cards made it 12 victories in their last 16 games by winning a 2-1 decision over Pittsburgh in the first game although they made only two hits off Spencer and following it up with a 12 to 4 victory in a slugfest match. Douthett's ninth inning home run won the first game after Spencer's wild pitch had provided the other Cardinal run.

Junior Leaguers Defeat Baker, 8-6

The Jack Allen junior league team of the American Legion won a victory over the Baker Eagles here yesterday afternoon, 8 to 6. A return game will be played at Baker next Sunday.

Futch pitched the first five innings for La Grande, yielding three hits and two runs. Knapp went in in the sixth, allowing four hits and an equal number of runs. Jones finished the game, hurling five and two-thirds innings and allowing only two hits and no runs.

Joe Palmer pitched the entire game for Baker. He was touched up for two runs in the first, one in the third, three in the fifth and two in the eighth.

American Tennis Stars Victorious In British Play

WIMBLEDON, Eng., July 7 (AP)—John Van Ryn and Wilmer Allison, young American tennis stars, won the British men's doubles championship today for the second successive year, beating their countrymen, John Doeg and George Lott, in straight sets in the final.

The scores were 6-3, 6-3, 6-2.

Seventy-five hundred spectators who had come to watch the two strong American pairs fight it out in what was expected to be a gripping five set match, saw Van Ryn and Allison, at the peak of their form, stink Lott and Doeg without a trace. Not even Doeg's famous service could keep his team in the running.

Allison and Van Ryn entered today's match as slight favorites despite their defeat at the hands of Lott and Doeg, the United States champions, in the final of the Queen's club tournament two weeks ago. But few were prepared to see Lott and Doeg overwhelmed as they were today.

The Lott-Doeg combination which beat the French Davis cup pair of Henri Cochet and Jacques Brugnon on the way to the finals as well as the Australians, Harry Hopman and Jim Willard, was riddled as though by machine gun fire when the defending champions opened their hair-trigger attack from close range.

GRETTA GREENS LOSE OUT UNDER MISSISSIPPI LAW

JACKSON, Miss. (AP)—Mississippi's Gretna Greens, which did a thriving business among residents of nearby states which had stricter license laws, will be Gretna Greens no longer under provisions of the state's new five-day license law.

Hernando, which drew many Memphis couples, and Biloxi and Pascagoula, serving the Mobile trade, are among the principal centers affected.

In addition to the five-day wait, the law requires that for men under 21 or women under 18, the circuit clerk must notify the parents of both parties. If at the end of that period no protest has been filed, the license is granted.

WOMAN WILL SUPERVISE EXCAVATION OF FORTRESS

EXETER, England (AP)—In an effort to solve the mystery of an aged fortress, hundreds of volunteer excavators will begin work in July under the direction of Miss Dorothy M. Liddell, London archeologist.

Hembury Fort, near Honiton, is considered the finest example of fortified hill-top in the west of England, but is one of Devon's "mystery" spots. No one knows how many centuries ago it was built or who built it.

The Devon Archeological Exploration society decided to solve the mystery, if possible, by careful excavations about the old relic.

MAX SUFFERS FROM FOUL IN SHARKEY BOUT

BERLIN, July 7 (AP)—Max Schmeling, German heavyweight who won the world's championship from Jack Sharkey on a foul last month, today was ordered by physicians to rest two months before resuming training.

The report of the physicians, submitted to the German boxing commission, stated that Schmeling was suffering from a varicose of the right side as a result of the foul.

The report will be taken up by the commission tomorrow. According to the physician Schmeling's injury is of such a nature that sporting authorities who read the report interpreted it to mean there would be no participation by the German fighter in a championship contest possibly until 1931, if then.

CATOR AIMS AT 8 METERS FOR 1928 OLYMPIC GAMES

PORT-AU-PRINCE, Haiti (AP)—Sylvio Cator, who holds the world's broad-jumping record, hopes to hop 8 meters—or 26 feet and 5 inches—at the Los Angeles Olympics in 1928.

The Haitian "Grasshopper's" record of 7 meters, 93 centimeters and 7 millimeters—that's 25 feet and 1/4 inch—was recognized recently by the International Amateur Athletic Federation's conference in Berlin.

Cator made the long leap at Paris in September, 1928, after he had participated in the Olympics that year.

The Haitian amateur athlete has two professions, authorship and insurance selling. He is 29 years old.

Ex-Football Player Drowned In Lake

HARRISON, Me., July 7 (AP)—Al Lassman, former star tackle on the New York University football team, was drowned in Long Lake yesterday. The body was recovered early this morning after several hours of grappling.

Lassman, who was 24 years old, was a guest at a boy's camp, where he had served as counselor two years ago. Yesterday afternoon he went out on the lake in a canoe alone.

A few hours later the canoe was brought to camp by persons who had found it unoccupied.

The body was brought to the surface at 2 a. m.
