## Schilling tea

Tea in vacuum! Just like your coffee!

It is just as vital for one as it is for the other, to prevent the evaporation of the fragrant oils that give them both their flavor. Science has been longer discovering how to do it for tea. So far it's a Schilling secret. Try it, and find what you have been missing all these years.

## Iced

Schilling Iced Tea is far more refreshing than any other because it is fresh to begin with. Black tea (orange pekoe) is best. So are TEA BAGS instead of loose tea. Schilling packs both in vacuum.

# IS THIS YOUR FUTURE SHADOW?

"Coming events cast their shadows before"

Bemoderate—bemoderate in all things, even in smoking. Avoid that future shadow\* by avoiding over-indulgence. If you would maintain that modern, ever-youthful figure, "Reach for a Lucky instead."

When tempted to over-indulge "Reach for a Lucky instead"

Lucky Strike, the finest Cigarette you ever smoked, made of the finest tobacco —The Cream of the Crop—"IT'S TOASTED." Lucky Strike has an extra, secret heating process. Everyone knows that heat purifies and so 20,679 physicians say that Luckies are less irritating to your throat.

# "It's toasted"

Your Throat Protection—against irritation—against cough

\*In his famous book entitled "Foods For the Fat," Dr. Yerke-Davies gives this advice: "Any system for reducing fat will be of no avail if the patient persists in eating between meals." We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky instead," you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a avoid, graceful form.
