LACEY CARDS 70 TO ROIL WRITERS

Youthful Pine Valley Pro Tied with Bobby Jones, Cooper for Second.

(Written for The Associated Press)
MINNEAPOLIS, July 12 (AP)—History repeated itself about 40 minutes before sunset at the Interlachen country club yesterday when Charlie Lacey, youthful English professional from this extraordinarily tough golf course known as Pine Valley linked in with a card of 70, the better than par, went into a tie with Bobby Jones and Harry Cooper, in second place, and caused about sixty high priced war correspondents to rewrite the same number of leads for the palladiums of today.

Nobody, you see, had heard of Charlie Lacey, except that he was playing in the tournament. True, he had done 74 on Thursday, but quite a number of competitors had done that.

And he was playing very late in the afternoon and Burton Smith with a 79 had gone ahead of Bobby Jones, who in turn had pulled ahead of Tommy Armour and MacDonald Smith, leaders in the first round, and Lightfoot Harry Cooper had come up with another par 72 in a tie with Bobby, and everybody was quite too much astounded to bother about this mysterious Mr. Lacey.

Had Chance for 49

The press house was warm and the wires were hotter and everybody was getting his story out at top speed and then came Mr. Lacey, with a par four left at the last hole for a 49. The course record, a clear title to second place by himself, and all sorts of genuine persistence and earthquake for the correspondents who had already got their leads on the wire.

Well, it turned out not quite so bad as all that. He holed his drive and his second shot and got into a bunker and worked out a hard five for a 70.

And history repeated itself—just as to say, the history of John H. Jumper, the 1916, at Scotch.

That was what the Hon. Jumper did four years ago.

Wild Bill Mehlhorn had tied to a 48 to lead the field in the open championship and Bobby Jones was second, with a 70. And all the boys

spanked a full spoon shot onto the green and holed a 20-foot putt for an Eagle 3.

One spectator insisted the Jones ball struck a lip on the green. Another said it was a bullseye. Walter Hagen took Bobby's side of the debate.

"Anyone who can hit a ball with that much poppin' deserves to run it across a top," said Sir Walter, who has wrought a number of miracles himself in his way.

Gallant Fox Is Expected to Win Arlington Today

ARLINGTON PARK, Chicago, July 12 (AP)—America's richest three-year-old race purse—the \$70,000 added Arlington classic—today furnished an apparently easy short cut to the champion three-year-old, Gallant Fox, in his drive for a record as the greatest money winning horse of all time.

Victory in today's mile and a quarter, worth approximately \$70,000 to the winner, would bring the earnings of the sensational son of Sir Galahad III-Marguerite to the \$300,000 mark and with striking distance of the earnings record of the great Epsom. And victory today, even with some of the country's best three year olds opposing the Fox, seemed assured.

There were a few who thought Gallant Fox might be a bit off his stride in the Kentucky Derby, might head off the champion in his try for a sixth major 1930 stake.

Ned F. Stone horse in the Churchill Downs race, received some consideration as did the three fillies, Snowflake, Altrabades and Duettemall, but the general feeling was that Gallant Fox would have to break a leg to overcome the odds were 3 to 5, but were expected to reach as low as 20 cents to a dollar.

The combination of the rich stake and the opportunity of seeing the winner of the sensational son of Sir Galahad III and his veteran rider, Earl Sande, in action aroused the greatest interest in horse racing in Chicago since the sport was revived. At least 30,000 were expected at the Arlington course and preparations were made to handle 70,000.

Young Firpo Has Dropped From Sight

PORTLAND, Ore., July 12 (AP)—The mysterious disappearance of Guido Barbell, light heavyweight fighter of Burke, Ida, more familiarly known as "Young Firpo," had his manager and the Portland boxing commission in a state of excitement today.

Firpo was to have met Nate Brown here next Tuesday in a 160-round headline, and was to have fought in San Francisco July 27. Bobby Evans, his manager of a week, says the boxer simply dropped from sight. Evans paid \$2500 for him last week. Fred Liebhart of Spokane has been assigned to fill Firpo's place on the card here Tuesday.

Alumet, Mich.—Billy Petrolle, Par. N. D., knocked out Corporal Izzy Klime, Winnipeg, 12.

Stout City, Ia.—Carl Wells, Omaha, stopped Sammie Secor, Sioux City, 12.

San Francisco—Andy Divedi, New York, knocked out Joe Cordora, Los Angeles, 18.

Angels Sure Of At Least A Tie In Coast League

By the Associated Press
LOS ANGELES, July 12 (AP)—The Angels were assured of at least a tie for first period honors in the coast league today with time rather than game winning giving them that standing.

Seattle continued an onslaught which made 11 three games out of four from Los Angeles yesterday winning 7 to 5, by a ninth inning rally after two were out. Home, second pitcher in the league, suffered.

Oakland's run was extended to four straight from the Missions and two successive shutouts as Daphia blanked the Reds, 6 to 0. Baglow, replacing Moore for the Missions got three of the team's six hits.

Detroit Tigers Win Four Out of Five This Week

By Hugh S. Fullerton Jr.
(Associated Press Sports Writer)
The somewhat incomplete intrasectional play of the major league clubs, which came to a close with yesterday's beginning of a new east-west movement, brought few surprising results in its general emphasis of the fact a good ball club is successful no matter where the games are played.

The unexpected downfall of the Chicago Cubs and the rise of the Detroit Tigers were the only results which were unforeseen. The Cubs lost a whole four game series at Cincinnati and wound up near the bottom of the National league list with two victories and five defeats.

Winnipeg beat five in the first victory yesterday, took four of five from the Cleveland Indians after gaining a 3-2 edge over Chicago for a total of seven victories in ten games. This victory put the Tigers ahead of the champion Philadelphia Athletics and second only to the Washington Senators.

The Chicago White Sox closed their trip and took series with the St. Louis Browns in the other American league game, gaining a 3 to 3 decision to take sixth place again by a half-game margin.

The suddenly triumphant Cincinnati Reds opened their tour of the Eastern division of the National league having effectively done the pitching of Red Lucas to defeat the Phillies, 5 to 3. Lucas had the better of a duel with Earl Coughard, giving but eight hits, and contributed the decisive run to the victory in the form of a home run in the ninth inning.

The Pirates slammed three Cardinal pitchers for 16 hits to win the series, 5 to 2, and divide the six game set.

Dean Cromwell, Southern California's track coach, stepped on a beautiful fireworks when he named Paul Jessup of Washington instead of Eric Krenz of Stanford for the American track and field selections for 1930. Cromwell not only ran quickly to cover but then told coast correspondents he was "only fooling" and "wanted to start an argument by naming Jessup."

Of course, I realize that Krenz is the greatest discus-thrower in the world. Cromwell explained: "Jessup's a great athlete, too, even though his performance do not compare with those of Krenz, who holds the world record, national championship and I. C. A. A. A. title."

It seems that the shooting began after Jessup beat Krenz for the N. C. A. A. discus championship at Chicago but this was the only noteworthy setback of the year for the Stanford captain.

"If you think Albie Booth is a pretty fair football player, wait until you see a lad named Crawley romping around next fall for Yale," remarked Ralph Irvine Sasse, Army's new head football coach as we were leaving a mid-summer gridiron post-work. "They tell me Crawley will be another sensation at New Haven."

Sasse thinks Harvard as well as Yale will be among the strongest of Eastern football outfits this year, with the prospect that the annual classic between these two ancient rivals will be one of the best of the campaign.

Army plays both the Grimsom and Rime, which happens to be why Ralph Irvine Sasse is devoting some early thought to the subject.
