Portland Wins Second Game Of Last Half Play

(By The Associated Press)

The Seattle Missions have considerable strength as a second half coast league season contender is evident following their first two games with Seattle. Easily winners Tuesday, the Reds crashed through, 10 to 0, yesterday, as Herman Fillette threw a five-hit game.

Portland is in the win column today, and was the only team to reverse yesterday's decisions yesterday, by virtue of having downed Hollywood, 8 to 4. With Ortman in the box, the Ducks scored seven in the second to ruin Emil Sue.

San Francisco appears to thrive on night ball, having a 4 to 2 win to show for its second experience at Sacramento last night. Elmer Jacobs allowed only five hits, and Keating was unsteady in the box for the Sacs.

Angels Lose Two

Los Angeles, first period champion, is a straight loser so far, having lost 1 to 0 game to Oakland yesterday. Lombardi's homer in the second producing the only score as Craghead and Delaney each held his opponents to five hits, and both teams were errorless.

At Los Angeles: R. H. E.
Portland 8 12 0
Hollywood 4 7 1

Ortman and Palm: Yde, Holleran and Seversid.

At Oakland: R. H. E.
Los Angeles 0 5 0
Oakland 1 5 0

Delaney and Warren: Craghead and Lombardi.

At San Francisco: R. H. E.
Seattle 0 5 1
San Francisco 1 15 1

Kallio, Hansen and Borresen: H. Fillette and Hofmann.

At Sacramento: R. H. E.
San Francisco 4 2 0

Jacobs and Gaston: Keating and Wirtz.

Other routine business matters were considered before adjournment.

Radox Brings Foot Comfort To America

Nothing Like It Ever Sold By Druggists Before

Corns - Callouses - Burning Feet

Now you can buy Radox in America at any up to date drug store. Red Cross Drug Store is selling dozens of packages a day.

Three or 4 baths according to directions and your corns and callouses are gone, your tired, burning, aching feet are changed to strong vigorous feet and bear this in mind—

If Radox doesn't do as advertised money back.

Getting a corn out needs only a few Radox footbaths. In the last few years millions of packages of Radox have been sold to corn sufferers. Here is a typical letter—

"My wife had a very bad corn for several years on the ball of the foot, and four smaller ones on the toes, also hard skin which was very painful. After a few soakings in a Radox footbath the hard skin began to peel off, and the corns came right out after 2 weeks. It is a pleasure for her to walk now."

E. S.,
1st November, 1939.

Radox contains four different Salts. One balances odor, one is antiseptic, one softens the water, and one releases oxygen which carries the softening salts right to the roots of corns which are thus loosened so that they can be lifted out bodily. Only Radox contains this fourfold combination.

Sport Slants

By Alan J. Gould (Associated Press Sports Editor)

The fluff racket not only has fallen upon evil days, largely because it is a racket, but there has not been a year within memory when championship ship fights or the champions themselves meant so little to the public or the sport.

Sammy Mandella, lightweight, at least has proved of championship caliber on the few occasions when he has chosen to risk the title that was once his. He has not been in the thick of competition.

Midget Wolgast is a scrappy 112-pounder, probably the best of the flyweights, but he isn't recognized as anything but a willing wallower outside of Pennsylvania and New York. In some precincts, including Canada and France, they still think the red Frankie Genaro is champion.

The bantams are as poorly fitted for a real pace-setter, though Panama Al Reyes is recognized as champion in some parts.

For purposes of record only, Christopher (Bat) Battalino is the featherweight champion, having taken over the business formerly conducted at a loss by Andre Roufus of France. Outside of Connecticut, his home state, there appears little enthusiasm and no knowledge of Bat. Ebony Kid Chocolate probably would left and the Battler dizzy if given an opportunity.

The welterweight champion is Young Jack Thompson of Oakland. He was beaten by Jimmy McLarkin before he won the title from Jackie Fields and has been beaten since (and for the third time) by Young Corbett III, who is considered the champion to all intents and purposes by the folks one may meet or arrive by ferry from Oakland, at San Francisco.

Moving up another notch, there is the chunky figure of Mickey Walker, somewhat battered but still smiling, micky who not defended his middleweight title in so long that quite a lot of the boys, including the National Boxing Association, no longer consider him champion. Maxey left the gay life of the Big Town long enough for a train ride to Buffalo, where he beat the local tango artist, Jimmy Slattery.

Finally, we have the heavyweight laurel, or wreath of wild raspber-
