## \$200,000 Gate Is Expected At Battle Tonight

By Edward J. Nell  
(Associated Press Sports Writer)

NEW YORK, July 17 (AP)—The purses of the fight faithful loosened today and piled up a pot of gold for Sammy Mandell and young Al Singer as they fought in the ring at the Yankee Stadium.

Last minute predictions were for a \$200,000 gate. This will be Mandell's second defense of his lightweight title here in two years.

Some money appeared in the marts of chance at odds of 2 to 1 on the sleek challenger. If the same odds prevail at ring time, Singer will be an outright priced challenger since Pancho Villa knocked out the aged Jimmy Wilde for the flyweight crown last in the days when fouls were something to be frowned upon.

By special ruling of the New York boxing solons, there can be no foul tonight. Both the champion and the challenger have agreed to equip themselves with such protective devices as they consider will render them immune to low blows. If either winds up on the floor he will have to look for sympathy in the voice of the referee, shouting the count of ten.

The shift in the tide toward Singer appears unjustified by past records of the gladiators, although it is generally admitted that Mandell, after a series of short, sharp fights, has begun to show signs of wear. He reached his peak in whipping husky Jimmy McLarnin in the polo grounds two years ago but since then has been a champion in overweight matches. Sammy has a desperate time edging out the decision over Tony Canzoneri in his last title defense in Chicago almost a year ago.

The increasing years have added to the difficulty Mandell always experienced in making the class limit of 135 pounds. Singer, a genuine lightweight, has had no trouble holding his full strength at 134 pounds.

Piles up Fortune

The chances are Sammy will retire tonight if Singer changes him into the shadows. A careful champion, Mandell has piled up a fortune of about \$250,000 although he has defended his crown only three times since winning it in 1926 from Rocky Kansas in Chicago. Sammy has kept himself busy in the over-weight and no-decision districts.

The swing to Singer is a swing to youth. The pride of the Bronx is coming into the ring with the zeal that comes with his years is offset by lack of experience against a boxing master of Mandell's type. The youngster has shown boxing ability and punching power in favor of a wild and irregular attack in moments of stress.

Second in interest to the title fight is the first appearance in the United States of Justo Suarez, South American lightweight champion, whose popularity in Argentine brought about record breaking gates. Suarez means Joe Glick in the ten round semi-final.

Michigan Changes State Boxing Law

DETROIT, July 16 (AP)—Hereafter there will be no guaranteed purses for fighters in Michigan. This announcement was made by James M. (Bingo) Brown, chairman of the state boxing commission, who declared that "a fighter is worth only what he can draw at the gate" and that henceforth fighters will perform for a share of the receipts.

Chairman Brown said he intends to ask the national boxing association to adopt a similar rule.

The new policy was announced after a bout between Eddie Sien, Chicago, and Lew Massey, Philadelphia, scheduled Monday night, was called off because the promoter did not take in enough to pay Sien's \$2500 guarantee.

PLESTINA WINS

SAN FRANCISCO, July 16 (AP)—Martin Plestina, Tugo-Slavian wrestler, made short work of Joe De Vito, Italian here last night by taking two falls in 25 minutes with an airplane spin followed by a body slam, and seven minutes later pinned De Vito to the mat with a reverse headlock.
