DAIRYMEN OF UNION ISSUE STATEMENT

Fisher, of Cove, Issues Plea for Unity as Plans Near Completion.

BEGINS WORK OF CLEARING SITE

Temporary Removal of Receiving Station to Reduce Expense, is Report.

A group of dairymen vitally interested in the proposed creamery location met in the high school building at Union Friday evening and, after discussing the situation, prepared the lowing statement which is published at their request:

"The Farmer's Cooperative creamery intends to build its Grande Ronde valley plant at Union, as officially decided by the board of directors who visited the Union site recently, according to information received by James Kofford, Union dairyman, who investigated the status of the local producers at the behest of his fellow dairymen, early this week. The temporary removal of the receiving station from Union to Baker last week had no significance in relation to the establishment of the new creamery, W. B. Wagner, general manager of the cooperative, told Mr. Kofford, the move being merely an effort to reduce overhead expenses by handling the cream through the Baker plant until the new unit is operating.

"A plea to the prospective patrons of the local unit of the co-operative to realize the need of unity and the application of the true spirit of co-operation as the organization approaches the consummation of plans started more than five years ago, was voiced by Joe Fisher, Cove dairyman, who has 50 cows contracted to the group. Dissension in the ranks of the producer will not necessarily prove fatal to the plans of the organization, although continued activity of discontented persons cannot help undermining the morale of the group at this critical time, Mr. Fisher pointed out.

"Clearing the site chosen in Union for the creamery began this week at the order of W. B. Wagner, manager. Mr. Wagner is expected in Union early next week to carry out further instructions of the board of directors in regard to construction. While in the valley the general manager will complete arrangements for the annual meeting of the local producers on July 30, when the advisory board for the local unit will be elected and reports of progress given. Directors of the entire organization will be present, with the chairman of the board acting as chairman of the day for the Union county meeting. Mr. Wagner is expected to select the place of the meeting on his trip here next week. Pleasant Grove has been mentioned as a possibility, although some believe it to be too far from the center of population to be entirely satisfactory.

"While the actions of the board to be elected locally are purely advisory, much interest centers in the selection of the members, inasmuch as the group will be associated in working out initial policies of the local unit. One member of the group of five will be elected to represent the Grande Ronde valley on the board of directors. Representative men mentioned as potential timber for positions on the advisory board thus far include Frank McKennon, Alicel and mid-valley section; F. Rush, Elgin-Imbler district; James Kofford, Union district; Joe Fisher and Tom Johnson, Cove district. Also Ralph Comstock, of Cove, present representative.

"Plans for a mass meeting of patrons of the creamery to be held in Union, July 28, are being made by a group of Union producers, all pioneers in the cooperative movement in this valley. By means of this meeting, to which all patrons of the creamery in the valley will be invited, it is hoped to clear up all misunderstandings relative to the establishment of the Grande Ronde valley unit, previous to the annual meeting the following Wednesday.

"Grande Ronde valley dairymen have too much at stake in the establishment of the new creamery here by the big Idaho-Oregon co-

LOCAL WOMEN WILL COMPETE AT U. P. MEET

Five La Grande women qualified to participate in the women's rifle events at the U. P. system meet at Ogden next month and a Huntington woman was selected as alternate in the elimination event held here yesterday.

Frances Menger was first with a score of 242, Georgia Baker and Greta McShain tied for second with 211 and May Donovan shot a 208 for third. Winifred Blokland and Lizzie Moran, of Huntington, tied for fifth and, in the shoot off, the La Grande shooter scored a 244 and the Huntington entrant 215.

The O.-W. unit employes picnic will be held next Sunday at Bonneville and La Grande employes are expecting to charter special cars to take them to the event. The Portland U. P. Athletic club will be host. Events during the day will include elimination horseshoes and junior track, and a baseball game between the Portland team and another organization, to be announced later.

MASONS RECEIVE BUILDING BIDS

Only Tile Contract Awarded as Yet—Other Offers Will be Examined.

Bids on the Masonic two-story building, to be erected on Adams between Fir and Elm, were opened by the association Saturday. Contracts have not been let as yet, and the bids are expected to be held several days before any announcement is made.

One contract has been let—for the tile work—but this was from New York and the amount has not been learned here. The Field Art Tile company of Portland wil do this part of the project.

The list of bids received follow: General contract: H. P. Nielsen $39,398, W. Vedder $39,662.30, Tranchell & Parelius $41,991, A. Ritchie $42,800 and J. Geitlhuber $43,300.

Plumbing: Shellworth-Goeck $746.32, Lynch & Son $771.60, Nate Zweifel $815, Fred Spaeth $855 and J. Melville $1080.

Heating: Fred Spaeth $9371, J. Melville $2880 and Shellworth-Goeck $2933.33.

Marquise: Lynch & Son $1009, and J. Melville $1375.

Stoker: Shellworth-Goeck $610, Lynch & Son $900 and Fred Spaeth $1059.

Dr. Mayville Is Honored; Bid In For Convention

SALEM, Ore., July 21—The Oregon Naturopaths association at the closing meeting of their annual convention here Saturday elected Dr. Albert Slaughter, of Portland, president.

Other officers elected include: Dr. A. N. Mayville, La Grande, first vice president; Dr. Leiletz, The Dalles, second vice president; Dr. J. W. Sergeant, Portland, secretary-treasurer.

The executive committee of the association was authorized to select the 1931 convention site for which La Grande has entered a bid.

Richardson Speaks At Lions Meeting

Harley Richardson was the speaker at the Lions club luncheon in the Sacajawea Inn today at noon, touching upon the tourist business, what it means to La Grande and how to develop it. He said that, when completed, the road project to the top of Mt. Emily will be the biggest single attraction here for tourists.

Following Mr. Richardson's talk, the club went on record as favoring the completion of the Mt. Emily road.

Bishop Cannon Jr. Married In Mayfair

LONDON, July 21 (AP) — Bishop James Cannon Jr., of the Methodist Episcopal church was married at Christ church, Mayfair last Tuesday afternoon, to a Mrs. Callum, it was made known today.

The Reverend Dr. Ferram was the officiating clergyman.

None but a few intimate friends knew of the wedding at the time.

Bishop Cannon and his bride now are en route to Brazil by way of Madeira.

SWIM TO SAFETY

TAFT, Ore., July 21 (AP)—Three men and a woman swam to shore when the trailing boat Yakanan capsized while leaving the harbor here yesterday. They were Mr. and Mrs. Jerry Davis, of Woodburn, and C. R. Shaner and Dan Bliven of Taft.

The boat, carrying a heavy load of fish, was leaving the harbor at low tide with a heavy swell running. It grounded on a spit and was overturned by a breaker.

DIES IN TREETOP

HILLSBORO, Ore., July 21 (AP)—Suffering a heart attack while cutting the top from a tree, 60 feet above the ground, Walter Dobbins, 42, of Portland, died yesterday. He fell without a sound or a movement of his body, leading physicians to believe he fainted. His neck was broken in the fall.

KILLS THREE CHILDREN

MARTINSBURG, W. Va., July 21 (AP)—State and county officials today said Taylor Hott, Martinsburg laborer, had confessed to them that he killed his three small children because his wife was unable to take care of them.

SUNDAY TOLL OF ACCIDENTS STANDS AT 14

Hunting Rats for Sport Leads to Shooting of San Francisco Man.

SEVERAL KILLED IN AUTO WRECK

Records Show Three Drownings, two in California and one in Hayden Lake, Idaho.

SAN FRANCISCO, July 21 (AP)—Sunday stood on the records today marred by 14 violent deaths in four Pacific coast states, including three drownings, an accidental shooting, and nine deaths in automobile accidents.

William Walsh, student aviator and member of a wealthy Cincinnati, O., family, was said by authorities to have died of natural causes. His body, badly bruised by repeated falls in his hotel room in San Francisco, was found by a maid.

Hunting rats for sport led to the accidental shooting of Arthur Kennan, Jr., 21 by a friend in San Francisco.

William Brown, 16, at Los Angeles; George Huber, 22, at Hayden Lake, Idaho; and Charles Flournoy, 7, at Likely, Modoc county, were drowned.

Auto Crashes Fatal

Automobile crashes caused the deaths of Clark Davis, 17, and Ben Hurst, 18, at Chewelah, Wash.; Mrs. Martha Pendleton, 65, Santa Barbara; Mrs. Sue Palmer, 26, Boise, Idaho; Mrs. Claude Sabourin, 37, at Redding, Evelyn Taylor, 11, Portland, Ore.; Evelyn Nelson, 15, San Francisco; and Paul Hewitt, Secramento.

First Wheat Of 1930 Season Is In; Off Zaugg Farm

The first new wheat of the year in Union county arrived at the Pioneer Flouring mills at Island City on Saturday, from the fields of Fred Zaugg, near Mt. Glen. Mr. Zaugg was the first grower in the county to start harvesting operations.

Today Reid Hibberd, of Imbler, came in with some new wheat, and from now on, the arrivals are expected to increase rapidly until the geeral harvest gets under way in a week or ten days.

The first wheat is of good quality. It is a little too early to get much of a line on yields, but it is generally believed that the crop this year will at least equal that of 1929.

Putnam Resigns As Minister Of Christian Church

The Rev. R. L. Putnam, pastor of the Christian church here, yesterday tendered his resignation and the congregation accepted it, also issuing a call to the Rev. Paul De F. Mortimore, of Gladstone, Ore. Mr. Putnam resigned because of his wife's health, as she is unable to remain in this altitude. At present she is in Western Oregon and is recovering nicely.

The Putnams have been here three years. It is understood that the Gladstone church is expecting to issue a call for Mr. Putnam. Gladstone is two miles this side of Oregon City, just across the Clackamas river.

Mr. Putnam will leave here tomorrow to attend the second annual conference of young people of the Christian churches of Eastern Oregon at Wallowa lake. He is president. Others assisting are H. L. Ford, of Enterprise; Arthur Harriman, of Wallowa; Dorothy Smutz, of La Grande, and C. F. Trimble, of Baker. About 10 are to attend from La Grande and about 30 altogether are expected. The meeting begins tomorrow and ends Saturday.

People Can End War, Handsaker Tells Churchs

Arbitration, Co-operation and Understanding of Each Others Problems all Necessary.

"The American people can end war and do it in our time of they get on the job," said J. J. Handsaker, of Portland, associate secretary of the National Council for Prevention of War, at the union meeting of the La Grande churches at the Baptist church last night.

"This statement is not original with me, it is from Major General John F. O'Ryan, of the U. S. army, one of the leading generals of the World War," Mr. Handsaker continued.

"We could end war between nations just as we have ended legal war between individuals, cities and states having courts and legislatures, by arbitration and conciliation and then accepting these decisions as final. The world court is as inevitable as a justice court and although we may not always get justice in a court, there is nothing that we can suffer in any court that equals the injustice of war."

"The London treaty should be and doubtless will be ratified this week," he said. "For the first time in history three great naval powers have matched their strength around a table rather than on the high seas and they have found that the safety of every nation lies not in arming against others, but in cooperation with them that all may be safe together.

"President Hoover says another world war would be the 'cemetery of white civilization' and we must build and build rapidly the machinery of peace so that when the occasions of war comes, as they are bound to do, diplomats will be accustomed to settling minor quarrels, that they can and will settle big ones without first slaughtering the world's choicest youth.

"The World war came because the world was not prepared for peace and

CIRCUS TRAIN IS WRECKED; 4 DEAD, 20 HURT

MONCTON, N. B., July 21 (AP)—A truck arch bar falling beneath a car was blamed today by Canadian National railway officials for the wreck of a circus train in which four were killed and 20 were injured yesterday.

The derailed train was a special carrying the Al G. Barnes circus from Newcastle to Charlottetown.

Three men on one of the derailed flat cars were killed outright. They were Albert Johnson and Frank Finnigan, Los Angeles, Cal., who were employed as propmen, and James Arthur Stephens, a one-armed man of Redericton, N. B., who was not connected with the circus and was believed to have trespassed on the train. James MacFarland, a waiter, believed to be from Montreal, died soon after the wreck in a hospital.

None of the circus animals were hurt in the wreck.

Senate Rejects Walsh's Motion

WASHINGTON, July 21 (AP)—The senate today rejected the reservation of Senator Walsh, democat, Massachusetts, to the London naval treaty, asserting it to be the policy of this government to favor construction of all the ships allowed by the pact.

The senate previously adopted the Norris reservation stipulating that no approval is given by ratification to any secret agreement or understandings which may exist in relation to the pact.

Two Electrocuted In Merced Today

MERCED, Cal., July 21 (AP)—Two are dead, one believed fatally injured and two others in the hospital critically burned as the result of an electric shock received today while they were attempting to erect a radio aerial at the J. R. Gaffrey ranch, four miles north of here.

The electrocution occurred when a wire the five were holding for the aerial came in contact with a 11,000 volt transmission line of the San Joaquin light and power corporation.

Pacific Northwest Air Tour Is Due In La Grande On First of August

PORTLAND, Ore., July 21 (Special)—Variety in the types of airplanes entered in the Pacific Northwest air tour, which starts from Vancouver, Wash., on July 29, is one of the phases which promises to make this inaugural reliability and safety jaunt distinctive and one of the most effective exhibitions of its kind held in this country. That is the opinion of Russell Lawson, vice-president of the National Aeronautical association, after checking the list of new production aircraft already entered in the tour. The entire fleet will be brought to 20 or more cities of the Pacific Northwest.

The detailed schedule follows:

July 29—Vancouver, Wash., leaving at 10 A. M.; Yakima, Wash., for the night stop.

July 30—Pasco, Wash., noon stop; Spokane, Wash., night stop.

July 31—Moscow, Idaho, noon stop; Clarkson, Wash., and Lewiston, Idaho, night stop, arriving at 3 P. M.

August 1—La Grande, Ore., noon stop; Baker, Ore., night stop.

August 2—Pendleton, Ore., noon stop; Portland, Ore., night stop.

August 3—Tillamook, Ore., noon stop; Salem, Ore., night stop.

August 4—Springfield, Ore., noon stop; Medford, Ore., night stop.

August 5—Silverton, Ore., noon stop; Corvallis, Ore., night stop.

August 6—Kelso, Wash., noon stop; Tacoma, Wash., night stop.

August 7—Chehalis, Wash., noon stop; Seattle, Wash., night stop.

August 8—Port Angeles, Wash., noon stop and finish of tour.

Among the planes to be entered will be Ford trimotored transport, tri-motored Kreutzer air coach, Boeing four passenger mail plane, Breese high-speed mail monoplane with a 300 horsepower motor, a Stearman J5 with a 225 horsepower motor, Great Lakes training plane with a Cirrus motor, Student Prince with Cirrus motor, Stinson cabin monoplane with a Lycoming motor of 210 horsepower, Davis monoplane powered with a 100 horsepower Kinner motor, Fleet trainer with 100 horsepower Kinner motor, Bird three-place Kinner biplane, Golden Eagle with a Lambert motor, Eaglebrook J5 with 225 horsepower engine, Buhl air sedan with 300 Wright motor, Cardinal with Kinner 100 horsepower engine, Arrow sport with Le Blond motor, Monocoupe monoplane with a Lambert motor, Waco with Kinner motor, Travelaire J4 with 200 horsepower plant, Stinson six-place monoplane powered with a 300 horsepower engine, American Eagle powered with a Seamen's-Halakey engine, Fairchild cabin monoplane with Wright motor, Savoia-Merchetti amphibian, the newly designed Nation cabin monoplane, Aero-marine-Klemm monoplane with a Le Blond 90 horsepower motor, Douglass O2H, Consolidate T3, Ryan five-place cabin monoplane with a J5 motor, a Barling NB3, a DeHaviland moth training plane, Loening commuter and Lockheed express plane.

Promises from several manufactur-

DEATH, CROP LOSS CAUSED BY WEATHER

Heat Wave Continues to Sizzle Throughout Most of the Nation.

GRAIN SECTIONS REPORT DAMAGE

North Central States Looking Forward to Relief Tonight — Pacific States Cooler.

CHICAGO, July 21 (AP)—The nation's weather remained today a burning issue.

Excepting only the ocean-favored New England and Pacific coast states every section of the country had 100-degree temperatures facing it again, following a sun-seared sabbath. Each section, too, counted the cost in lives lost, crops destroyed and in the millions discomforted.

A survey of the 48 states amounted in essence, to the simple grammatical job of comparing an adjective—hot, hotter, hottest. Columbus, O., with an official 112 degrees, rated the superlative. Virginia, Marland, West Virginia saw red in their thermometers at 106 or better.

Many Deaths Reported

Official readings of 100 degrees or higher were taken in the states of Ohio, Michigan, Maryland, West Virginia, Kansas, Arizona, Indiana, Illinois, Iowa, Nebraska, Missouri, Wisconsin, California and in the District of Columbia. If readings of 98 were included, it would add the states of Pennsylvania, Texas, Tennessee and Oklahoma.

Deaths were reported from widely separated sections. There were many drownings, as the nation's swimming pools and beaches swarmed with holiday millions. Prostrations, too, were numerous.

The northwest, which has had its fill of hot weather this season gained relief yesterday when severe wind and rain storms swept sections of that country. The fortunate few in Michigan's peninsula, sandwiched between Lakes Superior and Michigan, enjoyed temperatures in the upper sixties.

Relief in Sight

The heat wave will be broken late

(Continued on Page Five)

Lone Survivor Of Last Man's Club To Drink Toast

STILLWATER, Minn., July 21 (AP)—Thirty-three vacant chairs, draped in black, stood as silent sentinels around a banquet table today, witnesses that Charley Lockwood carry out the covenant of the Last Man's club.

Lockwood, 87 years old, is the last man and today the club's only law required of him what he considered the hardest task of his life, the dramatic labor of drinking a toast to 33 Civil war comrades who died before him and left him with the honor he has found empty. His toast will follow the roll call, answered only by himself.

Before each chair stood a bouquet of flowers. Before Lockwood's plate was placed the bottle of old Burgundy wine which the club set aside at its formation in 1885 for just this event. But the wine like the honor has soured and a sip of it was all that Lockwood asked to keep his pledge. Tonight the bottle will be turned over to an historical society.

Lockwood and his fellows were survivors of Company B., first Minnesota volunteer infantry, and today's wierd banquet like those each year before was on the anniversary of the first battle of Bull Run in which the company's losses were exceeded only by Gettysburg. The last meetings only Lockwood, Peter Hall and Charles Goff answered roll call.

Hall and Goff died during the past year and only one of the group who marched away to answer Lincoln's call for volunteers in 1861 lived to see the club's destiny of dissolution reached.

Uganda Lions Kill Twenty Natives

NAIROBI, British East Africa, July 21 (AP)—The lions which frequently menace parts of Uganda have been unusually bold lately devouring 20 natives in the Ankole and Masaka districts in the last three weeks. The government has sent hunters after the fierce beasts.

Portland Police Continue Round-Up

PORTLAND, Ore., July 21 (AP)—The drive on "suspicious" characters was ordered continued this week by Chief of Police Jenkins. The round-up last week resulted in 460 men being taken before detectives for investigation. Of that number 73 were found to have had former records. Eleven were found carrying concealed weapons.

Wheat Today

CHICAGO, July 21 (AP)—Beneficial rains and lower temperatures in spring wheat areas together with a huge increase of the domestic wheat visible supply, tumbled wheat values downward today. Estimates of more than 1,000,000 bushels fresh export business today in United States and Canadian wheat failed to check price setbacks. The United States wheat visible supply increase was 8,394,000 bushels greatly exceeding that either of last week or a year ago.

Wheat closed heavy, 2½@2¾c a bushel lower than Saturday's finish. Corn closed 1¾@2⅛c down, oats 1@1¼c off, and provisions unchanged to a drop of 12c.

HE'S THE LAST MAN!

Charles Lockwood, 87, last survivor of the famous Minnesota "Last Man's club" of civil war veterans, as he will drink the final toast today.

SIX PERSONS ARE KILLED IN CRASH

Accident in England is Fatal to Three Members of Nobility.

LONDON, July 21 (AP)—Six persons, including Sir Edward Ward and Lady Edna, daughter-in-law of the Earl of Dudley, were killed this afternoon when a Junkers airplane of the Walcot Air Lines, Ltd., crashed at Meopham, four miles south of Gravesend.

Lt. Col. George L. P. Henderson, the well known aviator, was the pilot who was killed.

The official passenger list had not yet been made known at an early hour this evening, but there seemed little doubt at least three titled society folks had perished, among them the only two women aboard.

Because of the nature of the disaster itself it was virtually impossible to identify the victims at first.

Sir Edward was a leader in measures taken by the British for the comfort of American troops in the war. He was the organized of the "fireside friendship" movement in England for the United States flying fighters.

The Marquis of Dufferin also was reported to have been a passenger on the plane.

Wings Break Off

Witnesses said there was a terrific roar. The wings separated from the cabin and the fuselage, containing the passengers, feel straight down while the other parts of the machine floated off some distance. One wing

(Continued on Page Eight)

Odd News Items; Heat Downs Bandit Four Die of Cold

NEW YORK, July 21 (AP)—Today's first heat victim was Charles Gallagher, burglar.

He and his pals were sauntering through Fulton street, unable to sleep, and somebody suggested breaking into Herman Jackson's jewelry store.

With a heavy timber they rammed the front door and smashed a showcase.

A patrolman who heard the noice came on the run and found Gallagher on the floor, overcome by heat and by a trival glass cut on his arm. He had two watches and some beads in his pocket, the patrolman said. His companions escaped.

* * *

SANTIAGO, Chile, July 21 (AP)—The heavy winter snow near San Gabriel, about 44 miles from here, caused the death of four persons in the wreck of an excursion party. Another was gravely injured.

* * *

CHICAGO, July 21 (AP)—A bottle of home brew exploded in the hands of William Hayes last night, killing him.

A piece of glass severed an artery in his arm and he bled to death.

* * *

CHICAGO, July 21 (AP)—The night was so hot that Dr. Christopher S. O'Neil left the door of his apartment open.

That was just right for two men who walked in with pointed pistols and robbed Dr. O'Neil and his guests of Jewelry valued at more than $15,000.

Stallard To Speak; Defies the Police

SALEM, Ore., July 21 (AP) — H. H. Stallard, of Portland, independent candidate for United State senator, has served notice on Salem police that, in defiance of a Salem city ordinance prohibiting street meeting of any kind in a certain area, he will attempt to make a political speech at State and Liberty streets Saturday night, July 26.

In an attempt to talk at that place last Saturday night he was stopped by an officer.

Stallard mentions the incident in a letter addressed "to the leaders and supporters of the late lamented George W. Joseph."

"I am a poor man," he writes, "and street speaking is the most effective way I have of getting to the voters. I will either speak unmolested or will end the campaign in Salem trying."

One Killed, 107 Injured In Riots In Egypt Cities

CAIRO, Egypt July 21 (AP) — One rioter was killed, 87 injured, 27 seriously, by gunfire and missiles during severe rioting which climaxed the political situation here today.

The troops were obliged to use their rifles freely. So severe was the encounter that after the police had obtained the upper hand emergency relief squads lined some of the streets treating the injured. More than a score were taken to hospitals. Losses on the side of the police and troops were not made known.

The rioting crowds, furious when news spread the followers of former Premier Nahas Pasha had called off their proposed "outlaw" parliament session, riped up lamp posts, barricaded a street with every obstruction they could lay hands on and set fire to an escaping gas column which, however, the police extinguished.

Twelve rioters fell in the second volley from the troops. The first round had been fired into the air. This had no effect. The leaders quickly shifted their campaign and as a result succeeded in calming the throngs.

Other youths stoned pedestrians, smashed the windows of shops and street cars, and did other damage.

Few windows were left intact in one of the main streets. Many of the demonstrators were arrested.

20 INJURED AT PORT SAID

PORT SAID, July 21 (AP)—Twenty persons were injured, six seriously, round had been fired into the mob, during rioting in the native quarter here this forenoon. Sixteen police also were injured before the disturbance was quelled.

Mexican Election Fights Fatal to 2

EL PASO, Tex., July 21 (AP)—Political strife which caused the deaths of two men and brought severe injuries to more than a score of others, subsided in Juarez, Chihuahua today.

The disturbance resulted from a special state election for governor and members of the legislature.

Victory, according to official returns from the Juarez district, apparently rested with the national revolutionary party. Andres Ortiz, running for governor, was reported to have a majority of 5,692 to 295 over Manuel M. Prieto, representing the "socialist league of resistance."

Boys Kill Cousin Sunday With Rocks

COFFEYVILLE, Kas., July 21 (AP)—Carlysle Cullison, 10, and his brother Isaac, 8, were held here today after admitting to police chief A. P. Keeling last night they killed their cousin, Donald Fox, 8, with stones on the bank of the Verdigris river yesterday afternoon.

Keeling said the two boys told him they threw Donald's body into the stream and reported that he had drowned accidentally while wading. The body was recovered last night.

There was a bruise on the forehead and a gash on the right cheek.

Steel Head Given $1,623,753 Bonus

YOUNGSTOWN, Ohio, July 21 (AP)—Eugene G. Grace received a bonus of $1,623,753 in 1929 as president of Bethlehem Steel corporation, he testified today in the suit to enjoin sale of the Youngstown Sheet and Tube company to Bethlehem.

The bonus was in addition to the stipulated $12,000 annual salary to which he testified last week.

Revelation of Grace's compensation for last year followed a hard-fought three-day legal battle.

MAINTENANCE APPROVED

WASHINGTON, July 21 (AP)—Approval for maintenance during at least another year of joint passenger train service by the Northern Pacific and Great Northern Railways and the Oregon-Washington Railroad and Navigation company between Puget Sound cities and Portland, Ore., was granted today by the interstate commerce commission.

The three roads for more than a year have conducted their passenger service as a unit, pooling equipment and earnings, and have filed a contract to continue the practice for next year.

NAVY TREATY RATIFIED BY THE SENATE

Action is Taken Late This Afternoon — Final Vote was 58 to 9.

ONE RESERVATION TO BE INCLUDED

Senate Does not Approve Any Secret Agreement or Understanding Which Might Exist.

WASHINGTON, July 21 (AP)—The senate today ratified the London naval treaty. The vote was 58 to 9.

An overwhelming majority was recorded for the treaty limiting all categories of ships in the American, British and Japanese navies.

The vote came suddenly after more than a dozen reservations offered by the opponents had been thrown out by heavy majorities.

One reservation was accepted. It was offered by Senator Norris, republican, Nebraska, and stipulated that in ratifying the treaty the senate did not approve any secret agreement or understanding which might exist relating to the pact.

A reservation by Senator Johnson to permit the United States to construct either eight inch or six inch cruisers without regard to limitation in the treaty was rejected, 57 to 8.

The treaty still must be ratified by Great Britain and Japan before it become effective.

THREE HACKED TO DEATH BY AXE MURDERER

GENEVA, Ill., July 21 (AP) — The Charles A. Anderson family—man, wife and 16-year-old son — were hacked to death with an axe in their farm home early today.

An attempt to erase the crime by setting fire to the house failed.

The body of Charles Anderson, 55 years old, was found across his bed, the deep gashes of the axe blade upon his head and body.

In another room lay the son, Willis, who had been cut and beaten with the weapon but who was still alive. He died without regaining consciousness.

The body of Mrs. Anderson, 48 years old, was found on the living room floor. Beside her lay the blood covered hand axe. Her wrists and throat had been cut, apparently by the blade of the same weapon that had dispatched her husband and son.

Her brother, Charles Larsen, 40 years old, was smashing in a window, attempting to enter the burning house, when neighbors, attracted by the sight of flames, reached the farm yard. With neighbors, he forced an entrance and the bodies were discovered.

Sheriff Urch and the chief of police said the position of the bodies and the weapons and the manner in which the three were killed indicated the two men were killed by the woman, who then took her own life. Larsen was held for further questioning.

KILLS TWO, COMMITS SUICIDE

WILKES BARRE, Pa., July 21 (AP)—An enraged caretaker of a Lehman Heights estate, near here, shot his employer and a deputy sheriff to death, wounded two other persons and then took his own life when cornered by a posse yesterday.

Those killed by Paul Skopka were Harry D. Sordoni, of Kingston, owner of the estate, and John T. Ruth, chief of police of Harvey's Lake and and deputy sheriff of Luzerne county. Sordoni's 17-year-old daughter, Freida, was shot in both arms and his son, Francis, 25, was wounded in the right hip and legs.

MacDONALD TO TESTIFY

SAN FRANCISCO, July 21 (AP)—Arrangements were made today for John MacDonald, prosecution witness in the San Francisco preparedness day bombing case, to tell Governor C. C. Young tomorrow he testified falsely in 1918.

MacDonald's testimony helped send Thomas J. Mooney and Warren K. Billings to prison for life for the bombing.
