TILDEN TO PLAY IN CUP MATCHES

Young Stribling Quit Caution At Dempsey's Word

Agrees to Meet Frenchmen Against His Wishes "and Better Judgment."

PARIS, July 21 (AP)—William T. Tilden Jr. told the Associated Press today that "against my wishes and better judgment I have accepted an invitation to play for the United States in the Davis Cup challenge round."

The American tennis star explained the rule regarding syndicate writing by amateur contestants had been waived to a certain extent and he would be permitted to write articles for three days ending with Wednesday, July 23, but inasmuch as amateur rules forbid players in actual competition from writing articles, Tilden will not report the challenge round matches on the ensuing Friday, Saturday and Sunday.

He said that he had taken a place in the challenge round at the special request of Joseph W. Wear, chairman of the United States Davis Cup committee.

The decision of the American Davis cup committee to play Tilden in the challenge round was received with satisfaction bordering on delight by French tennis officials and fans. The French were pleased because they felt certain Cochet would defeat Tilden. They argued Borotra gave Tilden such a hard battle in England he now is tired and is a flying officer in the army reserve corps.

The delight of the Frenchmen came from the fact Tilden is certain to pack the Roland Garros stadium with a cheering, paying gallery.

SPRAINED ANKLE
PARIS, July 21 (AP)—Big Bill Tilden, famous American tennis star, sprained an ankle in a practice match with Karel Koulich, Czechoslovakian professional today.

Tilden, who only today announced that he had accepted an invitation to play for the United States in the Davis Cup challenge round, told the Associated Press that he thought he would be kept off the courts only one day.

A massager who attended him however, said that he was unable to make him feel just how serious the injury was nor just when Tilden would be able to play again.

STICK-UP COSTS \$4,000 BUT HORSE REPLACES IT

In one instance at least, William M. Moore, New York building contractor, reversed the process.

Not so long ago Moore was held up and robbed of a \$4,000 payroll, and shortly afterwards, his labor won the Morrisania Handicap at the Empire City track.

Moore had bought the horse for \$7,000 a month before, and after the race had the pleasure of declining \$15,000 for him.

Missions Lead As First Week Of Play Closes

By the Associated Press
The Missions today were the only team in the Coast league which had taken more than the odd game of last week's series, and led in the standings after the first week of the second period.

The Reds were shut off by Seattle, 6 to 0, in yesterday's morning game as Lamanaki effectively for the Indians, but came back to take the afternoon contest, 6 to 1, with Herman Pillette on the mound, making it five out of seven games.

Ducks Lose Series
Winning streaks of both Hollywood and Los Angeles were punctured during the week, although the Stars squeezed out a one game margin in their week of play with Portland. The Beavers rounded Yde and Hulvey for a 13 to 1 win in their first game yesterday, with Orman the winning pitcher.

Cause for a protest was found in the afternoon game by Manager Woodall of Portland when the contest was called in the sixth on account of a trade schedule. Barber's homer in that inning had just brought in four runs to give Hollywood the game, 5 to 3.

The Angels downed Oakland, 11 to 4, in the afternoon game, collecting 2 2 to 1 lead on the first three innings off Chaghead and Pearson. But the Oaks had clinched the series in the morning when Henderson, in his second league game, repeated his first performance of holding Los Angeles to three hits. The Oaks won, 1 to 0.

Anderson Will Quit Following A. A. U. Contest

SEATTLE (AP)—The United States will probably lose the services of Steve Anderson, Seattle, national intercollegiate high hurdler champion and former national low stick title holder for the 1922 Olympic Games at Los Angeles.

The former University of Washington athlete who equaled the world's high hurdle record of 14 1/2 seconds to win the event at the big Chicago track and field meet last June, plans to hang up his spikes after the National A. A. U. championships in Pittsburgh August 22 to 24.

After the Chicago meet, Anderson joined a group of athletes for a barnstorming trip to Europe, but intended to return to America in time for the Pittsburgh program.

"I am not laying any plans to compete in the 1932 Olympic and from where I now stand, I don't believe I will participate at Los Angeles," said Anderson before going to Europe.

"I ran in one Olympic meet. I have had the satisfaction of competing in the National Collegiate and the National A. A. U. championships and I feel that I have about reached the cross roads in my life where it is time to branch away from athletics and set all my energies toward laying out a career for myself.

"Of course there is the possibility I may try to take one final fling at the hurdles in the 1932 Olympics, but odds are against such a program."

Athletics Only Leader To Win In Sunday Tilts

By Hugh S. Fallerton Jr.
(Associated Press Sports Writer)
Eddie Morgan of Cleveland won a game by a home run in the ninth circuit blow of the season with one out and one on base to defeat the New York Yankees, 9 to 8, and to undo the work of those more famous home run hitters, Babe Ruth and Lou Gehrig.

Ruth poked his 34th homer off Milwaukee Shoofers, a personal victim of the Red Sox driver, in the fourth inning. Gehrig hit 25th a moment later and another in the next inning. Big Falk gave Morgan something of a race for the plarophyte by hitting for the circuit when he appeared as a pinch batsman in the sixth.

Jimmy Fox also had the satisfaction of winning a ball game by the home run route.

Fox connected with Guy Cantrell's slugging No. 26 with one mate on base in the eighth and enabled the Philadelphia Athletics to defeat the Detroit Tigers, 5 to 3. Other results of this homer were to give Lefty Grove his eighth victory of the year.

Browns Down Soles
The Senators produced a pinch homer by Joe Judge in the ninth inning followed by a similar clutch by Art Shires, who supplanted Judge at first base, but they only produced three runs, not enough to overcome the St. Louis lead and the Browns won, 8 to 6.

Chicago's White Sox pulled out a 5 to 4 victory over the Red Sox in the ninth inning of the second game after pounding out a 16 to 4 decision in the opener as Ted Lyons scored his 14th victory of the season.

The St. Louis Cardinals handed the National league leading Robins a 13 to 6 trouncing, driving Bill Clark from the mound with seven runs in the second inning.

Chicago went down with hardly a murmur under the assaults of the New York Giants, who likewise made 17 blows and won by a 13 to 5 count.

Hack Wilson hit his 26th home run of the year as the final Cub gesture of the game.

Boston and Cincinnati, battling for sixth place, failed to reach a decision in their attempt to break the current tie. The Reds won the first game, 8 to 7, with a home run barrage behind the effective pitching of Red Lucas but Boston reversed the result in the second, pounding three pitchers for a 13 to 1 triumph as Tom Zachary held the Reds.

Western Amateur Tourny Begins; Don Moe On Deck

CHICAGO, July 21 (AP)—An army of golfers drew its steel today to battle the battle of Beverly Country club, scene of the Western Amateur championship tournament.

Billy Sixty, of Milwaukee, and Art Sweet, of Chicago, headed the parade of 213 aspirants over the 36-hole qualifying route, which will be finished Tuesday. The low 32 then will set out in match play duels, with the 36-hole championship final set for Saturday.

Heat yesterday bothered contenders in their final practice rounds, and Cyrt Tooley, 1929 British amateur champion, said he might decide to withdraw if the weather didn't moderate. Should Tooley fail to start, Phillip Perkins, another former British amateur titleholder, who now resides in New York, would rank as the British hope.

Moe On Deck
Don Moe of Portland, Ore., defending champion, was on deck, but was not due to start out until late.

Johnny Goodman, who eliminated King Bobby Jones from the national amateur at Pebble Beach, Cal., last year, felt he had had too much golf and decided not to accept the issue.

Charles (Chick) Evans, of Chicago, who has won the western title eight times, had the most impressive practice score, carding a 73 over the 74 hole course Saturday. He was regarded as a front rank threat, as were Jack Westland, 1929 French amateur champion; Dick Martin and Johnny Lehman, a pair of former big ten titleholders; Keeffe Carter of Oklahoma City, a former western amateur champion, and Gus Novotny of Chicago.

Course in Good Shape
In spite of blistering weather the fairways were in good condition, but the greens were fast and tricky. Beverly's greens are well trapped, and the rough is regarded as especially plentiful. Plenty of trees adorn the layout and promised big trouble for adventurous shotmakers who attempt to fire over them on the two dog-leg holes.

Figures for the 6702 yards of territory are: Par out 453 443 544—36. Par in 353 444 435—71.

Sport Slants

By Alan J. Gould
(Associated Press Sports Editor)
One of the questions that came up in a recent debate I had with the sage of South Bend, Knute Rockne, was this:

Why shouldn't the colleges of the U. S. A. while furnishing fully 90 per cent of the track and field talent, and at least 75 per cent of the rest of the competing forces in the Olympic games, also take charge outright of the American Olympic organization?

Rockne, in common with a vast group of college leaders, believes times have changed sufficiently to warrant a new Olympic deal, with the A. A. U. removed from the controlling position it long has held, replaced by some such grouping as the National Collegiate A. A.

The answer probably is that if and when the N. C. A. A. musters the executive power, equipment and voting strength, it probably will overthrow the A. A. U. or effect a compromise working agreement.

Four years ago the N. C. A. A. led by Palmer Pierce, Henry Breckinridge and John Griffith, made a real fight for control of the American Olympic association at Washington. They lost out when it came down to a matter of actual dollars. Whereupon they walked out on the meeting.

Since then, however, new leaders more given to persuasion and conference than to the front in each group. Much of the old spirit of warfare has waned. This year may witness a mutual agreement in the Olympic unit whereby the colleges will have at least a voice in the main even if it is only one voice in a quartet.

"Had I rejected the title, I probably would have been in the limelight for three days and been forgotten. Now the tension will continue until my next match and therefore I will earn more money."

Thus, according to the cable dispatches, reasoned Max Schmeling upon his return to Berlin. It adds another notch to Desha's record as a business man under the tutelage of Joe Jacobs, but if the German thinks any "tension" exists over the prospects of another heavyweight bout he may be disconcerted immediately and forthwith.

Washington, long dominant on the waters of the Hudson, took its setback at the hands of Cornell and "Old Man River" with the philosophy and good sportsmanship characteristic of the Huskies from the Northwest.

"Alibi! Not on your life!" they chorused after the regatta, in making it plain that Washington, far from having any complaints, will be back stronger than ever next June for the races.

"Meanwhile, keep your eye on our football team," remarked Earl Campbell, graduate manager of the Husky athletic organization. "Jimmy Phelan has made a big hit in taking hold of the gridiron outfit. We may not win any championships this year, but I believe we are on the right track. Phelan has generated new spirit into things at Seattle."

ALEXANDER RELEASED
DALLAS, July 21 (AP)—Grover Cleveland Alexander, veteran pitcher, was given his outright release today by the Dallas club of the Texas league.

Failure to keep training rules after he had promised to do so several days ago was given by Bob Tarleton, vice president of the Dallas club, as the reason for Alexander's removal from the roster.

Babe Ruth and Brick Owens, the umpire who recently chased him from a game, according to ball players, are good friends.

Doop Moe of Portland, Ore., defending champion, was on deck, but was not due to start out until late.

Johnny Goodman, who eliminated King Bobby Jones from the national amateur at Pebble Beach, Cal., last year, felt he had had too much golf and decided not to accept the issue.
