## Typhoon Rains Claim Toll Of 408 In Orient

TOKYO, July 21—Torrential rains and terrific winds have claimed toll of at least 408 lives and devastated huge areas in southern Japan and Korea, laying waste property valued by conservative Tokyo newspapers at millions of dollars.

In one area alone, Kishu Island, at the foot of the Japanese Empire, property damage reached the startling figure of 100,000,000 yen (about \$60,000,000). Other districts reported great damage from storms of like intensity, but official figures were lacking.

There were 65 known dead on Kishu. Many were missing and hundreds injured.

Seoul dispatches to Tokyo newspapers said fifty-eight deaths were known to have resulted from last Friday's typhoon, which swept in from the Pacific, lashed Kishu and whipped across Korea, straight into the provinces of Keishonando and Kogendo. These provinces, still suffering from the effects of floods which killed at least 285 persons and made thousands homeless, were hard hit by the typhoon.

## Refuse Entry To Mexican Plums

WASHINGTON, July 21 (AP)—The seizure at Nogales, Ariz., of two lots of plums from Mexico infested by the fruit fly, was reported Monday by the department of agriculture.

SACRAMENTO, July 21 (AP)—California has had a ban on the Mexican fruit fly for many years, and has succeeded in keeping it out, state department of agriculture officials said here in commenting on a Washington report that Mexican plums, infested with the fly, had been held at Nogales, Arizona.

The Mexican fruit fly differs from the Mediterranean fruit fly, it was explained, officials here attached little importance to the Nogales seizure, declaring such cases were routine matters at California border inspection stations.

## \$13.72 A WEEK FEEDS FAMILY OF FOUR, CLAIM

CHICAGO, July 22 (AP)—A family of four may eat well this summer for \$13.72 a week, according to a summer food budget based on current prices, made public by the American research foundation.

An average of \$13.72 a week for food will provide the family of four with all the nutritional elements necessary to physical well-being and yield interesting summer menus.

Many staples are from 20 to 40 per cent below their 1929 level, while fresh fruits and vegetables offer chances to trim tidy sums off the food budget.

The budget provides vegetables, including cabbage, potatoes, tomatoes, spinach, rutabagas, lima beans, peas, celery, asparagus and onions, to cost \$1.32.

Fruits, including peaches, apples, dried apricots, costing 70 cents.

Meats, including pork, bacon, lamb chops, ham and beef, costing \$2.77.

Margarine, two pounds, 50 cents.

Canned goods, including soups, tuna fish, figs, salmon and grapefruit, \$1.36.

Dairy items, including cream, milk and eggs \$3.50.

The housewife is urged by the foundation to buy in as large quantities as possible and to watch newspaper advertisements closely.

## Business Strike In Butte Settled

BUTTE, Mont., July 21 (AP)—Business activity was normal today after a week of idleness caused by a strike of teamsters and auto mechanics which involved the clerks union.

Under an agreement signed Sunday night by representatives of employers and labor, stores and wholesale houses opened Monday morning. They had been closed since July 12.

The agreement which settled the strike was worked out by a group of employers and union leaders. Its terms were not made public except for a statement that it provided for representation of members of unions.

## Wallowa County Pioneer Picnic To Be Saturday

By Mrs. William Wigdus (Observer Correspondent)

LOSTINE, Ore. (Special)—The Wallowa county pioneer picnic will be held at Wallowa Saturday, July 20. J. A. Burrell has been engaged as speaker of the day with a short program which will allow time for visiting. The association is expecting a visit from a number of Union county pioneers.

Plans have been formulated whereby the Odd Fellows picnic will be held at the Enterprise park Sunday, July 27. A committee met at Lostine Saturday evening to complete the plans. In addition by the grand warden of the Evening, Mrs. J. W. Rodgers, will be given and a talk by Grand Warden R. H. Jones, of Wallowa, will also be given. A basket dinner at noon is the main feature of the day, which will be served cafeteria style with free ice cream, coffee and sugar and cream furnished by the lodges. The picnic is for all Old Fellows, their families and for invited friends.

Mr. and Mrs. Harriman went to Elgin Wednesday afternoon, to make plans for the young folks conference, which will be held at Wallowa lake this next week. The young folks conference will be held at the home of Mrs. C. L. Baes and Miss Mildred Johnson.

A. E. Weatherman and son, Jack, of Arco, shipped 70 hogs to Portland through the association, and suffered a loss of four, due to a delay. The price paid was 11c.

Shipments by the Marketing association the past week included a car of cattle from Lostine and two double decks of hogs and a car of cattle from Wallowa.

Mr. and Mrs. W. A. Elmer, Chris Johnson, Cleon Elmer and Ruth Hale, of Lostine, enjoyed a union meeting and Bible study at the home of W. H. Weaver on Alder slope. A bountiful lunch was spread on the lawn beneath the shade trees at noon.

Dorothy Brecken returned Thursday from Stummerville, where she has been visiting at the home of J. A. Arnold.

Cleon Elmer, who has been staying with his brother, returned to look after his farm interests. He will return to his brother's farm to help with the hay.

Mr. and Mrs. Bruce Cox and son, Reid, left on Tuesday for a ten day vacation in Portland and coast points.

Miss Ethelyn Leamon, of Boise, is spending her two weeks vacation with relatives in Wallowa county.

Mr. and Mrs. W. A. Elmer, Mr. and Mrs. Harry Herring, of Evans, and Fred Herring of Leap, returned home from an outing in Canada.

As William Jeffers, D. P. vice president, was touring the branch line he learned that an old-time friend from North Platte, Nebr., E. A. Searles, a call boy 53 years old, lived at Wallowa. Mr. Jeffers stopped his train for one-half hour for a visit with Mr. Searles, which was very much enjoyed by both.

Many of Wallowa county Pythians and families enjoyed the picnic held at Elgin last Sunday. All were very much pleased with the picnic, which was due to the efforts of the Elgin lodge.

Last Monday night, when Bill Harnden, of La Grande, and Roy Lee, Cora Hetrick and Margaret Murphy, of Wallowa, were returning from a picnic, they occupied serious injuries when Mr. Harnden's motor car turned over. The occupants escaped with minor injuries.

Mrs. Clyde Broxin, of Lostine, received a visit from her aunt, Mrs. Eise and Mrs. Fay Rose, of Arstina, Cal.

C. O. Aspegren, McPherson Kas., police judge, fined himself \$1 for overparking and "warned himself" against a second offense.

## HONOR TRAIL ANNIVERSARY AT ROUND-UP

PENDLETON, Ore., July 22—Linking in with the plans of the Oregon Trail Memorial association, the Pendleton Round-Up, at its twenty-first annual exhibition, August 28, 29 and 30, will make special observance of the one hundredth anniversary of the covered wagon.

It is particularly fitting that Pendleton observe the anniversary, for the Eastern Oregon city is the home of hundreds of pioneers who made the great trek from the east to the untamed west. And so, at the Round-Up, on the historic hills which form a background for track and arena, there will appear a cavalcade of Indians, and a group of prairie schooners, typical of covered wagon days. They will wind their way slowly down the hillside, appearing before the thousands who will watch them from the grandstands, and will conclude the impressive procession when they reach the Round-Up grounds.

Further observance of the covered wagon centenary will be made at Happy Canyon, the evening show of the Round-Up, which is in itself an expectation of the coming of the pioneer. There will be shown the Indians who roamed the hills and lifted their voices in savage war cry; the contingent of the white man and the growth, mushroom-like, of a frontier village. Finally, the audience is admitted into the village for dancing and for the playing of games typical of the Old West.

## MACK HILLS SUSPENDED

PORTLAND, Ore., July 21 (AP)—Once more the official axe has fallen on the tanned neck of Mack Hills, second baseman for the Portland Beavers.

Thomas L. Turner, president, announced today Hills has been indefinitely suspended without salary for violating club rules when the team was playing in Los Angeles last week. Less than two months ago he was fined \$100 for breaking training.

Hills started the game Saturday but after dropping a pop fly was benched and failed to appear in the lineup of yesterday's double header.

## ANOTHER FISH STORY

HELENA, Mont., (AP)—A trout with two mouths, each perfectly formed. One caught by a Helena fisherman. One mouth was directly under the other.

ABSOLUTE serenity characterized our service. Everything is done with quiet efficiency and no detail is permitted to escape our attention. You can depend upon us.

HORLICK'S  
RACINE, WISCONSIN

EUGENE

The \$32,000,000 Oregon Market

AN ANNUAL turnover of \$32,000,000 provides Eugene residents with ample money to purchase any advertised goods. Selling them is easy through the evening and Sunday Register.

Agriculture, timber, and manufacturing have an annual turnover of \$8,000,000 each. Public service companies, wholesaling, and the University of Oregon do another \$8,000,000.

Five hundred retailers and 38 wholesalers (plus five farmers' cooperatives) make Eugene the retail center for 60,000 people. Buyers are increasing too: Eugene's population, now 18,872, gained 76% in the last ten years, while the county grew 51%.

Meanwhile, the Eugene Register's circulation grew 73% faster than the population. Only four newspapers in Oregon carried more than 5,000,000 lines of advertising last year—three of them are in one city, the fourth was the Register. More classified space (over 1,000,000 lines) was bought in the Register than any other daily of the same size in the country.

Small wonder that local advertisers (who know) prefer the Register. Its dominant circulation alone would make for that.

WHAT JAKE SAW

WHO KNOWS?

OCEAN TRAVEL MAKES FOLKS VERY FRIENDLY, DOESN'T IT?

YES—BECAUSE THE SHIP IS A COMMUNITY IN ITSELF WHILE IT IS ON THE WATER.

HERE WE ARE WAVING ENTHUSIASTICALLY AT THOSE PEOPLE ON THE OTHER BOAT—AND THEY ARE WAVING AT US.

—AND I SUPPOSE NO ONE ON THIS BOAT KNOWS ANYONE ON THAT.

THAT'S JUST THE HUMAN INSTINCT OF FRIENDLINESS SHOWING ITSELF.

WELL, IT'S FUNNY—BECAUSE IF WE LANDED JUST AS THEY DID, NONE OF US WOULD PAY ANY ATTENTION TO THE OTHER!
