TILDEN DEFEATS BOROTRA TODAY

Big Bill Gives America Flying Start in Davis Cup Round.

ROLAND GARROS STADIUM, Auteuil, France, July 25 (AP)—France and the United States wound up the opening day of their 1930 Davis cup tennis tournament...

Henri Cochet, French master, defeated George Lott, of Chicago, in straight sets in the second match of the opening day...

ROLAND GARROS STADIUM, Auteuil, France, July 25 (AP)—Big Bill Tilden sent the American forces away to a flying start in the challenge round for the Davis cup against the French today by defeating Jean Borotra in the opening singles match...

After a nervous start, Tilden swept through to his eighth major tournament victory in succession over the bounding Basque. The match was bitterly fought and was featured by a turbulent scene in the third set when Borotra scored a service ace after the American had lifted his hand to indicate he was not ready to play...

At New Heights Tilden, already rallying mightily after erasing frequently in the first set, rose to new heights after the upsetting incident and trounced Borotra, parading through the first victory of the challenge round with only the final desperate effort of the Basque in the fourth and deciding set holding him up temporarily...

Once Tilden, favorite to beat the Basque, hit his stride there was no stopping him. His cannonball service, aided Borotra repeatedly and he ran the Frenchman from the baseline to baseline in the third set. Borotra was very tired when the players stopped for a ten minute rest after the third set while Tilden appeared fresh and eager.

Tilden's victory, although not surprising to the French, was far more decisive than expected. The American No. 1 star for the past ten years, drawn into the challenge round at the last moment, defeated Borotra at Wimbledon, the last time they met, with the greatest difficulty, winning in five sets after being behind in the last set.

Missions Take One on Nose In Portland, 5 to 2

By the Associated Press The Missions are no longer alone in first place as Portland beat them last night, 5 to 2, with Ortman beating Ted Pilleute on the mound. The Reds scored in only the sixth inning, falling to bunch hits.

Sacramento knows today what it is like to trim Los Angeles, although they still trail in their series, having beaten the Angels, 10 to 6 last night as Fay Thomas struck out 17 men, as he held the Angel hits scattered.

At Portland: B. H. E. Missions 2 10 3 Portland 5 11 1 Pilleute and Hoffmann; Ortman and Palm.

At Los Angeles: B. H. E. Sacramento 10 10 2 Los Angeles 6 10 3 At Seattle: B. H. E. Hollywood 13 17 1 Seattle 4 13 1 Yde and Severeid; Reuther, Krause, Hanson and Burrell.

WALTERS AND MAYS CLASH PORTLAND, Ore., July 25 (AP)—A fist fight which other members of the Portland Beavers made no attempt to halt, took place last before the Wednesday night game between Carl Mays and John Wallace (Junk) Walters, Beaver pitchers, it was revealed last night. Club officials had attempted to halt the affair.

Mays suffered a broken nose and an injury to a rib, and Walters was badly bruised about the eyes, face and lips.

The fight took place in the clubhouse. Other players knew it was going on, reports say, but decided to let the two pitchers have it out. It is reported Mays and Walters have been unfriendly for some time.

CARTER BEATS DOC SNELL IN FIRST ROUND

SEATTLE, July 25 (AP)—Leslie (Wildcat) Carter, former Everett resident, was victor today over his old rival, "Doc" Snell, formerly of Tacoma, for the first time in five meetings after revealing a newly found right hand punch.

He knocked Snell out in one minute, 14 seconds of a scheduled eight-round bout last night with Jack Dempsey as referee. The two junior welterweights had an old score to settle, two of their previous fights having ended in draws and two in close decisions for Snell but the crowd was more interested in the catlike weavings of the white clothed third man in the ring.

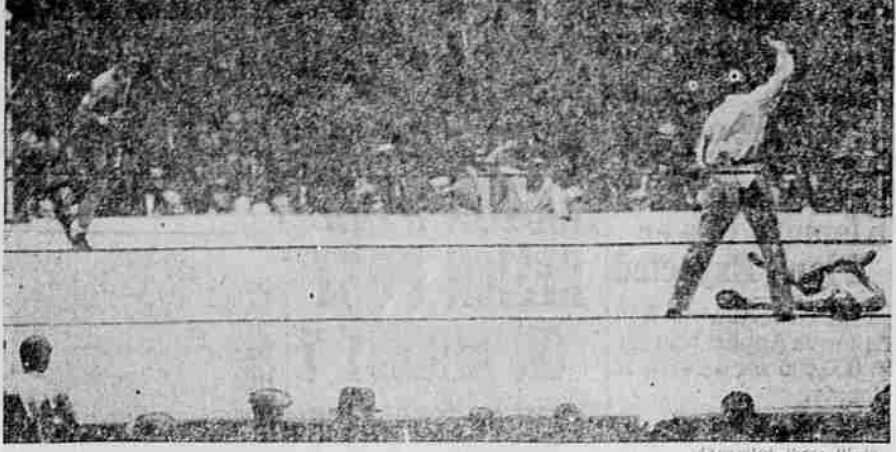

Only the ringsiders could hear Dempsey after his brief stint as referee, telling many listeners outside the hall through a microphone that he had "one more good fight left" in him.

Snell and Carter were in two clinches and Snell took one wild swing at the negro before his chin was met with a clean right hand thrust. The sandy haired ex-Tacomaan fell backward and the back of his head hit the floor with force.

Justo Suarez, Argentine lightweight champion, who defeated Joe Glick in his American debut, formerly was Pan-American amateur champion.

One reason Dan Howley, manager of the Cincinnati Reds, released the veteran George Kelly, is that he has a three-year contract, and is building for the future.

SINGER WINS TITLE BY KNOCKOUT IN FIRST ROUND

Al Singer of New York won the lightweight title by knocking out Sammy Mandell, defending champion, in the first round of a 15-round match at Yankee stadium, New York. Picture shows Mandell being counted out after he was floored four times by the furious challenger.

With D. Moe Out, Perkins Is Held Likely Champion

By Paul Mickelson (Associated Press Sports Writer) CHICAGO, July 25 (AP)—Phillip Perkins, the methodical Bronx, today stood out as the heir apparent to Doc Moe's western amateur golf championship.

As the tussle for the crown, dropped by Moe yesterday, entered the semi-final round over the Beverly country club course, he not only had the reputation but a game that appeared invincible to his three rivals—Johnny Lehman and In Coon, of Chicago, and Bob McCarty, of Des Moines, Iowa.

Perkins, now a resident of New York but still a hope of Great Britain, was rescued from Schramm's sniping course with a 90, two strokes under par, yesterday to win a dramatic, uphill skirmish in the quarter-finals against Jack Westland, Chicago district champion. It was the best score ever carded on the course even though officials refused to accept it as a course record because it was made in match play. But the score and the great come-back had its effect and today he ranked as the man to beat for the title.

Opposing the former King of British amateurs today in the 36 hole quarter-final round was the same youth who upset Moe one up, by sinking a 35 foot putt for a birdie three on the thirty-seventh hole yesterday. A great golfer in match play especially, Lehman was expected to give the bespectacled Perkins a hard fight but the Briton was the heavy favorite.

Moe, weary after his golfing week in England this summer, never held a lead on Lehman, yesterday at any stage of the long match. Five times he tied the match but the birdie on the extra hole sent him spinning from the throne he won at Kansas City last year.

Pitcher's Homer Wins Game For Cincinnati Reds

By Hugh S. Fullerton Jr. (Associated Press Sports Writer) About the time Babe Ruth astounded the world of baseball by hitting 29 home runs in one season, a feat described in the next official baseball guide as "a regular feat of a record," it was something almost as amazing when a pitcher knocked the ball for the circuit.

In the current era of long distance hitting with the Babe traveling along far ahead of the boys that brought him the current record of 60 homers, it is so common for pitchers to hit home runs that even the mounders who do it hardly get a thrill.

So far this season 15 pitchers have hit 25 of the National League's 543 homers while eight American league mounders have driven out nine homers of the circuit's 429. Kevin Brans, of Pittsburgh, has hit three home runs to lead this array while a few days ago Phil Collins, of the Phillies, connected for two in one game.

Ray Kelp, of Cincinnati, was the only hurler to turn the trick yesterday. His homer in the second inning of the first game between the Reds and Brooklyn gave Cincinnati a 3-0 lead and with one later run was enough to win the game 4 to 3.

Brooklyn came back and took the second game 9 to 0 before rain stopped them in the sixth inning. The Cubs were unhampered by the weather at Philadelphia and after ahead by a 10-15 score, thirteen of ahead by a 19-15 score. Thirteen of Chicago's runs were in the first two innings.

The same storm that stopped Brooklyn's proceedings, gave the New York Giants a 1 to 0 triumph over Pittsburgh. The Giants had a home run by Lindstrom left from the first inning, while the Pirates, after getting only one hit off Carl Hubbell in six innings, had the bases full in the seventh when the game was stopped.

Boston's Braves won the remaining National League game, beating St. Louis 3-4.

Babe Ruth again provided a big feature of the American league's day by clouting his 36th homer as the New York Yankees defeated Detroit 5 to 2, and put Ruth 12 games ahead of his 1927 pace.

Jimmy Fox, Philadelphia's long distance star, also hit a homer and although it was only his 27th it meant more at the time than did Ruth's. Fox's circuit blow was made in the ninth inning with the score tied and gave the Athletics an 8 to 6 triumph over Cleveland. It also put the Red's five games ahead of the tottering Washington Senators who were the victims of an uprising on the part of the Chicago White Sox and lost a 10-9 decision. Ted Lyons scored his 15th victory for Chicago by pitching the entire game.

The Boston Red Sox threatened to make another change in the American league standing, coming within a half game of St. Louis with an 8 to 6 victory over the Browns.

Pete Bestwick, candidate for America's international polo team, weighs less than 130 pounds.

A convict arrested recently in New York, police charge, gathered information for burglaries during golf matches.

Helen Jacobs Out For This Season

NEW YORK, July 25 (AP)—Ill health has forced Helen Jacobs, America's second ranking player, to quit tournament play for the rest of the season.

Weakened by a severe attack of pleurisy and quinsy, she has withdrawn from the Beatright lawn tennis and croquet club tournament and from the national championship and will return to her home in Berkeley on Sunday.

Her withdrawal from the national championship clears the way for an even easier victory for Edna Williams Moody. Miss Jacobs long has been Mrs. Moody's leading American rival and on several occasions has given her champion a close fight at Forest Hills and Wimbledon.

Rescue Schmeling From Lake Today

BERLIN, July 25 (AP)—Max Schmeling, world's heavyweight champion, today was rescued from Schramm's 29 lake, southeast of Berlin when his motor boat capsized during a storm.

The champion was speeding his boat when it upset in rough water. Another motor racing along behind hauled Max out and he appeared none the worse for his spill.

JOPLIN WINS HORTON SMITH GOLF TROPHY

JOPLIN, Mo., July 25 (AP)—Joplin today went about its accustomed tasks with a smile for its humor has been vindicated and Horton Smith, sweet shooting young professional golfer, is firmly entrenched in the local hall of fame.

Ten trusted representatives of the city, armed with driver, machine, putter and other necessary accoutrements were responsible. Yesterday they clashed for the second time in two days with the enemy, as many amateur golfers from Springfield, Mo.

When the swinging finally ended and the divots were all replaced, officials of the modern Joplin amateur club were the victors. The Joplin club has been won by the Joplin players.

Young Mr. Smith, idol of many a golfing duffer, and not a few experts, was born and reared in Springfield. He studied at a local college, became an assistant pro, and at the age of 19 sought a more lucrative professional post there.

Falling, he forsook the home town and finally was engaged at the Oak Hills club of Joplin.

With his ensuing success came controversy. Joplin, his adopted city, made vociferous claim of the youthful golfer find.

Springfield, the old home town, conceded not a point.

Recently a unique form of arbitration was suggested by the principal to the argument. He offered the Horton Smith cup, to be awarded annually to winners of competition between 10 player teams, representing the rival cities.

The Joplin amateurs began play with a sweep of all five of a series of 2-ball foursomes. Yesterday they clinched the cup by winning six and tying one of ten singles matches.

Mickey Cochrane, Athletics' catcher, is one of the few modern players that oldtimers admit equals the heroes of yesterday.
