Harlow Barnes Funeral Sunday At Elgin, Oregon

By Mrs. Lynn Hill (Observer Correspondent)
ELGIN, Ore. (Special) Funeral services for Harlow J. Barnes were held Sunday at 2 p. m. at the Presbyterian church. Ray Hug, former pastor of the Christian church, preached the funeral. The church was filled with friends of the young man. He was a few months past his twenty-fifth birthday, and was born near Elgin and grew to manhood here. He was taken ill while in California and died in a San Francisco hospital on July 19. Mr. and Mrs. Glenn Barnes, his brother, whose home is in Brawley, Cal., the sister, Arlene, of San Francisco, Miss Louise Pierce, Woodland, Cal., came north last Friday, making the trip by car. Besides the parents, Mr. and Mrs. Dwight Barnes, there are a number of other near relatives, who deeply regret the young man's death. Six of his boyhood and college friends during his attendance at the Oregon State college, acted as pall bearers. La Rue Richards, William Hill, Lawrence Moore, Abner Wade, Laurel Witby and Paul Cason, were those who acted as interment was in the Elgin cemetery.

The Elgin Church of Christ plans on holding an all-day service next Sunday. There will be a basket dinner at noon and at 2:30 a preaching service will be held at which time E. W. Dixon, Referee, at La Grande, Oregon, on Monday, August 11th, 1930, at 10 a. m., at which time said creditors may attend, prove their claims, examine the bankrupt, and transact such of the business as may properly come before said meeting.

Joe Hallgrath has recently finished painting his residence on the highway opposite the Somner hotel. (All claims must be sworn to on bankruptcy blanks before filing.) 7-29-11

American Ships To Outclass The Huge Leviathan

NEW YORK (AP)—A \$90,000,000 shipbuilding program, designed to give America supremacy on the rich North Atlantic ocean trade routes, has been launched by the United States Lines. In 1929 this country stood seventh among the world's shipbuilding nations. Then Paul W. Chapman, who was born on an Illinois farm and never had crossed the ocean, decided to go into the shipping business. He bought the United States Lines for \$18,000,000 from the government. The Jones-White bill, which provides government aid for shipbuilding and operation, went into effect. Now America has more merchant ship tonnage than any country except Great Britain and Japan.

Contract already are signed for the first two units of the United States Lines' program. They will be two huge 20-knot, first-class liners, the largest ever built in this country. Costing jointly more than \$21,000,000, the ships will be 705 feet long, with a beam of 86 feet and gross tonnage of 30,000. Each will accommodate 1,200 passengers.

These ships, to be launched in 1932, will be similar in design to the Leviathan, but will have two funnels instead of three. Their interiors will be even more luxurious than the present fleet of the American merchant marine.

In keeping with an agreement with the shipping board at the time this line was purchased from the government, the United States Lines' program also includes plans for construction of two super ships of more than 45,000 tons displacement, with a speed of about 30 knots. Their cost is approximately placed at about \$35,000,000 apiece.

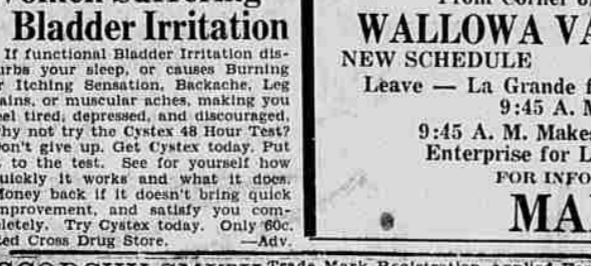

Women Suffering Bladder Irritation

If functional Bladder Irritation disturbs your sleep, or causes Burning or Itching Sensation, Backache, Leg Pains, or muscular aches, making you feel tired, depressed, and discouraged, why not try the Cystex 48 Hour Test? Don't give up. Get Cystex today. Put it to the test. See for yourself how quickly it works and what it does. Money back if it doesn't bring quick improvement, and satisfy you completely. Try Cystex today. Only 60c. Red Cross Drug Store. —Adv.

Paris Seeks To Make Wide Velvet Hats Popular

By Diana Merwin (Associated Press Fashion Editor)
PARIS (AP)—Brimmed hats of velvet are to be this winter's most fashionable folly it seems. During the recent mannequin manifestations at the races and smart gatherings velvet hats were the outstanding style change. The mannequins wore wide brimmed velvet hats in rich colors many shades deeper than their cool summer dresses.

There were hats of plum, turquoise and rich dark green. Big black hats of velvet were not confined to mannequins for some of society's notably well-dressed women wore brimmed hats of black velvet with white costumes.

Black velvet hats with white organdy costumes were a big success at the race courses. A variation of the theme was hats with black velvet crowns and wide white organdy brims.

But the favorite hat of velvet is not to have a flat brim apparently. The most admired advance autumn millinery models are those with skillfully shirred wide brims.

Many of these hats are wide at the sides and front and have short backs which show interesting arrangements of shirring.

Brim, whether large or small, are lifted high off the face in front. Frequent brims are mounted several inches above the edge of the crown in bandeau effect.

"Half Marriage" Opens at State Wednesday

Heralded as one of the finest all-talking productions to reach local screens this season, "Half Marriage," is also Olive's Borden's first talking vehicle for Radio Pictures.

This swiftly moving story of mad Manhattan youth, adapted from George Kibbe Turner's magazine story, "Companionate," will open an engagement at the State Theatre Wednesday, and Borden fans, who have followed her through her stellar work on the silent screen, will now have several opportunities to hear her talk.

She has been surrounded by an excellent supporting cast, many of whom are prime stage favorites. Her leading man, Morgan Farley, originated the leading role in the New York production of "An American Tragedy," and created the principal part in the Theatre Guild production of "The Morgans." Anderson Lawler, the villain, is well known on the New York stage.

Ann Greenway, who sings the theme song "After the Clouds Roll By," and Ken Murray, who sings "It's All of Her," both are prime favorites with vaudeville audiences. Richard Tucker, Hedda Hopper and G. Pat Collins likewise have enviable stage followings.

"Half Marriage" serves as the initial taster for Sally Bane, Radio Pictures starlet.

JOCKEY IN HOSPITAL

CHICAGO, July 29 (AP)—Jockey M. Sims has become the third steeplechase rider to take a trip to the hospital during the Arlington park season.

Sims yesterday received painful injuries when thrown by Myrtilus Jockey Harry Hunt, who got contusion of the brain when Pitt fell on him last week, has improved and he is expected to recover. J. Hunt, injured in the same race as Hunt, left the hospital Saturday.

The state of California operates a steam railroad two miles long on the San Francisco waterfront.

Young Woman Falls 30 Feet to Stream

HOOD RIVER, Ore., July 29 (AP)—Miss Suwanna Springer, 24, daughter of Mr. and Mrs. R. H. Springer, Los Angeles, was killed Monday when the horse she was riding slipped from a plank bridge across Elliot Creek near Cloud Gap Inn on Mount Hood, and dropped 30 feet into the turbulent stream below.

Her body was recovered by Mount Hood guides.

FLORIDIANS START STATE'S FIRST BIG SHEEP RANGE

PUNTA GORDA, Fla. (AP)—And now Florida has gone in for sheep ranching.

Down on the west coast, far removed from civilization, there exists "Big Slough," a range where 5000 sheep graze in tropical surroundings, while mounted herders tend their duties in true cowboy fashion.

The experiment is being tried by three Florida cattlemen, Tom L. Smith, William Bryant and Walter Mann. Sheep have been raised in Florida for many years under farm conditions and have been profitable, but this is believed to be the first attempt to capitalize the open range for large scale herding.

BOWEN SETS RECORD

HELSINGFORS, July 28 (AP)—Pete Bowen, short distance running star of the American track and field team, competing here, won the 200 meter dash today in 2.6 inches, setting a new Finnish record. Bowen won the 100 and 400 meter events yesterday.

More than 50 planes will tour Oregon, Washington and Idaho, visiting more than 25 cities, in the first annual tri-state air jaunt.
