the usual form for netmen, Richards said:

"I fear he'll have to correct that. When he meets some greater opponents, in the national championship for instance, he'll find a change of pace ball batted deep to him and chopped just over the net will cause him trouble."

Vines takes on another veteran of the game today when he meets Francis T. Hunter, ranked No. 2 nationally, in the semi-final round. The lower half of the craw will bring togther Clifford Sutter, New Orleans, and Sydney Wood Jr., Pasadena. Neither have reached 20 years of age.

As sensational as Vines has been in men's play, Virginia Hilleary, of Philadelphia, has dominated the women's singles. Yesterday she disposed of Sarah Palfrey, her second victim of the tournament among America's first ten women players.

## *Grid Star Weds Edith McClelland*

SAN FRANCISCO, July 31 (AP)—A romance that started when they were both attending Polytechnic school here led Lee Eisan, quarterback on the University of California football team for the last three years, and Edith M. McClelland, to the marriage license bureau today.

Miss McClelland, 22, is the daughter of Mrs. A. W. Lambert, of Honolulu, who arrived here today to attend the wedding, which has been set for Aug. 9 in St. Johns Presbyterian church. The couple will make their home in Southern California where Eisan is to be football coach at La Verne university Starting Sept. 1.

## *Possible To See Races Over Here*

CHICAGO, July 31 (AP)—The big difference between American and European race tracks, Admiral Cary T. Grayson says, is that it is possible to see the races over here.

Admiral Grayson, who is an honorary steward at Arlington Park, came to Chicago from Europe where he visited most of the big tracks. He attended the French derby at Chantilly, but said he saw little of the race.

"By jumping up and down," he said, "I was able to get an occasional glimpse of the horses' ears, and I don't think anyone saw much more than I did."

## *Carnera May Meet Chevalier Again*

CHICAGO, July 31 (AP)—The proposed "battle of vindication" between Primo Carnera and Leon Chevalier, has been approved and will be held August 14—provided Uncle Sam does not shoo Primo from his shores before that time.

Promoter Mique Malloy gained sanction to put on the bout after the National Boxing association lifted its ban on Carnera, imposed after the giant Italian's last bout with Chevalier.

The Illinois body did not, however, lift its suspension of Leon See, Carnera's head manager, and the latter will not be permitted to act in the negotiations for the bout.

Hiram Moore, of Kalamazoo county, Mich., invented the forerunner of the modern combine 90 years ago.

## *Hornsby To Return To Lineup Soon*

CHICAGO, July 31 (AP)—Rogers Hornsby is certain he will be ready to play second base regularly for the Cubs before the season is over—regardless of what anyone else might think.

The rajah has never been downhearted over injuries that have kept him out of action. After his workout yesterday he said he felt like a player reporting for spring training.

"The bones are o. k.," he said. "As soon as the muscles and ligaments loosen up I should be able to play. I can't set any date, but I feel like a fellow reporting for training—just enough overweight to require plenty of work and eager for the 'season to start.'"

**CANCEL BATTLE**

PHILADELPHIA, July 31 (AP)—The ten round bout between Johnny Risko and Ernie Schaaf, scheduled for next Monday night, has been cancelled because of lack of interest, promoters announced today. The bout was scheduled for last Monday night and was postponed because of the weather.
