**SCOTT TO BUILD
NEW GRID MACHINE**

Baker High Coach Loses
21 Men of Last Year's
Football Squad

BAKER, Ore., Aug. 1.—With 21 members of last year's Baker high school football squad missing this year, 19 by graduation, one by death and one by not returning to school, Coach George Scott faces the problem of building a team largely from new material, although ten of the 1929 squad, mostly substitutes, will be back.

Scott asks boys who expect to turn out for football to show up at the high school at 5 o'clock Monday, Wednesday and Friday if not earlier, and to bring their own equipment. Those who are not yet determined for employment for exercises that will put them in condition for football. The drill includes setting up, passing the football between individuals, etc. There is no drill in formation. That will come after school opens.

"While we will have to depend upon smaller boys than last year, I think we can turn out a creditable team if all the available material comes out and works," Scott said today. "I am very hopeful, but I know success will require more effort than usual because of the large number of new boys, so I am asking that all who can get the advantage of the preliminary work," he added.

Members of last year's squad who will be back include: Joe Eddy, Miles Manary, D. Parker, Bill Burke, Jim Crockett, Keith Chaffin, Bill Ryder, Paul Hill, John Gorman and Elwood Davis. Other boys who should make a good showing include: Don McKim, Harold O'Neil, Vernon O'Neil, Joe Geddes, Everett Zimmerman, Olyn Patton, Russell Hyatt, Paul Franzen, Faren Burgess, Howard Reynolds.

**U. S. GOLFERS
SUPERIOR DUE
TO GOOD FORM**

VANCOUVER, B. C., Aug. 1 (AP)—American golfers beat British golfers because they pay more attention to form, says Keener in the scientific angles of the game and generally speaking try harder. Don Moore, Portland's youthful ward of the links and youngest member of America's victorious Walker cup team said here.

The tall, bearded University of Oregon star arrived here today after taking part in the Western open at Chicago and the American open tournament at Minneapolis. With him was Vincent Dugg, his fellow townsman also an entrant in the two middle west tournaments. The Portland boys left by boat for Seattle en route here.

English golfers are the best sportsmen I've ever encountered," Moore said describing his impressions of the Walker cup matches, "but substitute victories by invading American teams are forcing them to adopt the American style of play in self-defense. This calls for closer attention to the development of form, a feature in which the English players have shown weakness."

Road Expenditures

The annual expenditure for roads in the United States equals about one-half of the amount spent for gasoline, according to the Oregon state Motor association.

**PHILLIES TRIM

**New York Giants Make
Big Gain — Athletics
and Yanks Both Win**

By Hugh S. Fullerton Jr.
Philadelphia's National league club, one of the most powerful arrays of sluggers in the National league, has been floundering through the season going from bad to worse as pitchers failed to hold the rival batters in check, but every so often, the Phillies burst out with an exhibition of hitting that holds forth more than one ray of hope for their fans.

It was a rather dismal crowd that assembled at Baker bowl yesterday to watch the Phillies swing their bats against the league leading Brooklyn Robins with every prospect of meeting their twelfth straight defeat. Things were different at the end for the Phillies gave an effective demonstration of why they are leading the National league in hitting and came out with a 12 to 7 triumph.

The New York Giants, who seem to be threatening the leaders in a serious way, made a big gain. The Giants blasted out 20 hits against the Boston Braves and won an 11 to 5 decision. It placed them five games behind the leaders and only three back of Chicago.

The Pittsburgh Pirates did still better with their third straight one-run victory over the St. Louis Cardinals and their fifth successive triumph. They finally moved out of the second division into a tie with the Cards for fourth place as Larry French won his own game with a double in the ninth inning that drove in the deciding run of a 4 to 3 game.

With five games on the cards, the American league had one of its days when pitching counted heavily and batting comparatively little. Wes Ferrell of Cleveland and Ted Lyons of Chicago were the outstanding mound performers, each winning his 17th victory of the season. Ferrell had a great duel with Sorrell and Cantrell of Detroit and finally triumphed 5 to 3.

Lyons held the St. Louis Browns to four hits in the second game, a double header and won it 1 to 0 after Garland Braxton had pitched Chicago to a 10 to 2 victory in the first.

George Earnshaw of Philadelphia pitched another four-hit game against Washington. But he developed a streak of wildness in the ninth inning and Moose Grove had to come to his rescue to give the Athletics a 4 to 3 victory and place them eight games ahead of their nearest rivals. The pitchers were about as bad as all the rest in Boston where the New York Yankees downed the Red Sox, 14 to 13, in a game full of hits and errors.

**Portland Drops
Fifth Straight
Game To Stars**

By The Associated Press

Hollywood, having downed Portland, 12 to 4, for their fifth straight win last night, led the league. The Stars jumped on Keating, making his first start for Portland after being traded to them by Sacramento and were never headed.

San Francisco held a record of three straight victories over Sacramento, as they won yesterday, 6 to 5. Curtis Davis scattered the Senator hits, while Wingo's four-bagger in the first started the Seals off, and six clean hits in the sixth won the game for them.

Avenge the banishment by an umpire of Buzz Arlett and Manager Zamloch in the ninth, Oakland came from behind after two were out in the last period to defeat Los Angeles, 5 to 2, and were tied with the Seals and Angels in third place.

Indiana Move Higher

That Seattle can play better than cellar baseball had been proved today, and as a result the Indians were above the bottom rung, the National league and the bang-up pitching of Frank Lamanski were features yesterday when Seattle trimmed the Missions, 6 to 0.

The Missions dropped from first place in the standings and Herm Pellette added a defeat to his record.

**Miniature Golf
Attracts Prince**

BRUSSELS, Aug. 1 (AP)—The Prince of Wales has become a miniature golf course fan during his visit here.

The first evening after dinner at Laeken castle he took Queen Elizabeth to the miniature links of the royal palace and played until dusk.

The prince's fondness for dancing also was evident last night at the British embassy where Lady Granville, using high strategy, sent the band home at 2:30 a. m. so the prince could get some rest for a busy program today.

The "aching prince" as he is called in Belgium, has made many new friends here.
