New York Team Takes 12 of Last 15 Games — Threatening Leaders

Extra-base hits coupled with steady effective pitching, is spelling success for the New York Giants as they slowly climb toward the top of the National league percentage ladder.

The Giants have won 12 of their last 15 contests to mount within four games of the league leading Brooklyn Robins in the National circuit. The pitcher duo also has advanced down the Cubs' advantage over their New York rivals, the difference today being just one and one-half games.

The Giants furnished a good example of why they are permanent contenders yesterday when they defeated the Robins 4 to 0. There was not much difference between the pitching of Fred Fitzsimmons and Watson Clark of the Robins but three of New York's hits were of the home run variety.

In the only other National league game on the books the Boston Braves managed to edge out a 3 to 2 decision over the Phillies despite Lefty O'Doul's single, triple and home run. Bob Cunningham played an important role in the Braves' triumph, leading the Phillies to right field and driving in two runs with a double.

The pennant chase in the American league saw the Athletics take advantage of the illness of the Yankees and Senators to win a half game with a 4 to 1 triumph over the Boston Red Sox. Lefty Grove being up his seventeenth victory of the season. Two triples and one home run, the twenty-sixth of the season, were credited to Al Simmons.

Charlie Gehringer was the whole show at Detroit as the Tigers took a 12-inning pitching duel from the Chicago White Sox, 7 to 6. His home run in the seventh with the bases loaded gave the Sox the lead but the hitting argument with Red Egan. He hit another homer in the third with one man on.

Coming from behind in the ninth with a three-run rally, the Cleveland Indians defeated the St. Louis Browns 5 to 2. It was Wesley Ferrell's 10th mound triumph of the season.

Any team with the No. 1 and No. 2 batsmen of the entire league as the feature artists of a slugging cast, a fine young infield, a pitching ace with a dozen victories to his credit by August and a crafty, capable manager, normally might be expected to occupy a contenting position in the pennant race, at least to be well entrenched in the first division.
