

Woman's Party To Continue Battle

AUGERVILLE-LA-RIVIERE, France (AP)—Recent amendments to the Cable act are inadequate, says Mrs. O. H. P. Belmont, president of the National Woman's party.

The amendments remove chief discriminations against married women in the nationality law and facilitate recovery of the nationality by American women married to foreigners.

We are now planning to introduce in congress another bill to remove all the inequalities between men and women which still remain in our nationality law," Mrs. Belmont said.

A campaign will be waged to keep congress constantly reminded, she said, that:

American women but not American men lost citizenship upon marriage to foreigners ineligible to citizenship in the United States.

Foreign men but not foreign women married to foreigners ineligible to United States citizenship can be naturalized in the United States during the marriage.

American women married to foreigners may not give American nationality to their foreign born children.

GOLFERS' ELITE DRAWN BY CALIFORNIA AMATEUR

DEL MONTE, Cal. (AP)—Pebble Beach links, difficult oceanside course where Bobby Jones suffered one of the few defeats of his career in the national amateur last year, will be the scene of the 1930 California amateur championship again in September.

It is the biggest simon-pure golfing event on the Pacific coast and annually attracts such notables as H. Chandler Egan of Medford, Ore., twice former national title holder; Doc Moe and Dr. O. F. Willing of Portland, and many others.

More than 400 players will seek the crown now held by Jack Neville of Pebble Beach.

TRUMPH WENT TO POLE

ANN ARBOR, Mich. (AP)—Michigan's 14-12 defeat of Harvard was the only football score which reached Little America by radio, Prof. Lawrence Gould said here in discussing the radio touch of the Byrd expedition with the outside world.

Sensible Way To Lose Fat

Start taking Kruschen Salts—that's the common-sense way to reduce—but don't take them with the idea that they possess reducing qualities in themselves.

This is what they do—they clean out the impurities in your blood by keeping the bowels, kidneys and liver in splendid working shape and fill you with a vigor and tireless energy you'd most forgotten had existed.

As a result instead of planting yourself in an easy chair every free moment and letting flabby fat accumulate you feel an urge for activity that keeps you moving around doing the things you've always wanted to do and needed to do to keep you in good condition.

Then watch the pounds slide off! Kruschen Salts are the up-to-date Fountain of Youth. Take one half teaspoonful in a glass of hot or cold water tomorrow morning and every morning—they're tasteless, the way, and if they don't change your whole idea about reducing, go back and get the small price you paid for them. Get an 85-cent bottle of Kruschen Salts at any drug store—Red Cross Drug Store, Moon Drug Co., Glass Drugs, Inc., or any progressive drug-gist anywhere in the world. —Adv.
