**Portland Wins Series In First Four Contests**

By the Associated Press  
Portland made its four straight from Seattle by winning last night, 3 to 1. Malls' six hit pitching and two first base Seattle errors won for Portland, which made its runs off Heuther in the seventh.

Hollywood's second period drive today had found one of its major chameleons in San Francisco's Seals, who held a three to one margin in the week's series, and were only one game behind the stars in standings.

San Francisco took sole command of second place last night by knocking veteran Emil Yde out of the box in the sixth inning to take the game 7 to 3. Turpin hurried for the winners.

The Missions and Los Angeles found themselves in a third place tie as a result of the Reds' 13 to 11 win yesterday. Four pitchers worked on each side, as the Angels lost out in the Reds' fire run eighth inning attack.

Sacramento took its third of the series last night, 5 to 4. Deviveros' tenth inning error allowed the winners tally to get in, routing the day at Daglia, and giving Flynn the victory.

**NIGHT GOLF ON TRIAL IN COURT TODAY**

CHICAGO, Aug. 9 (AP)—Golf, as it is played at 3 o'clock in the morning, is on trial in Chicago.

The test case, which may more or less decide the fate of many a corner lot putting course, is being heard in municipal court and involves complaints of management and guests at an apartment against the Tom Thumb course across the street. The charge is disorderly conduct and disturbing the peace.

Testimony yesterday was to the effect sleep has become almost impossible since the midge golf course was put in; boisterous parties play under the floodlights at all hours of the night. Witnesses said the players shout when they make good shots and howl when they make bad ones. In between times they cheer for somebody else.

English polo team sails  
LONDON, Aug. 9 (AP)—Six men who have been picked to represent Great Britain in the Westchester polo cup after the international matches in September left here today. They sail from Southampton later today aboard the Aqueduct.

The six men are Captain Tremayne, Louis Lacey, Pat Roark, Aidan Roark, George and Guinness. Captain Tremayne told the Associated Press British chances for recovering the cup "are very good indeed, our team is the best available and will be well mounted."

Gerald Bolding, seventh member of the British team, sailed on the Mauretania August 2.

**EASTERN TEAMS WIN ON FRIDAY**

Cubs Defeat Braves for Only Game Salvaged by Western Clubs.

By Otto Robertson  
(Associated Press Sports Writer)  
Another east-west war is on in full blast in the major leagues and if the opening day's results are any criterion then the eastern clubs are due to see their percentage column rise several notches.

Only five games were played in the inter-sectional combat yesterday with the western teams able to salvage only one of the conflicts. The Chicago Cubs kept their season of the Detroit from being completely washed by defeating the Boston Braves 6 to 1. Home runs by Clarence Blair and Charley Grimm coupled with effective pitching by George Bush gave the champions the game. Boston's single run was the result of Walter Berger's twenty-eighth home run.

Keeping pace with the champions, the Washington Senators came from behind to defeat the Cleveland Indians 5 to 4.

George Pipra and Harry Rice put together some effective hitting and batting, respectively, to give the Yankees a 5 to 3 decision over the Browns. Pipra held the Browns hitless for five innings and then gave only five while Rice accounted for three runs with a single, home run and base on balls.

The Red Sox, aided by six run rally in the first inning, defeated Detroit 4 to 6 to break the Tigers six-game winning streak.

With Babe Herman smacking the ball for two home runs, a double and a single in four times at bat, and Glen Wright and Jake Flowers adding a pair of circuit drives, the league leading Robins easily downed the St. Louis Cardinals 11 to 5.

The Giants gained a half-game on the Cubs and Robins when they were called on to play the Pirates twice and won both, the first 9 to 1 and the second 7 to 2. Lloyd Waner experienced his best day at bat since returning to the game, getting four hits in five times at bat in the first encounter but did not play in the second.

Freddie Buckell, a recent acquisition from the Pirates, played a leading part in the Phillies 8 to 2 triumph over the Reds. The former Pirate doubled and tripled in five times at bat and made a brilliant long running catch of Durocher's drive.

The Athletics scored little trouble with Chicago, whipping the White Sox 5 to 1 and 4 to 1 in a double-header and thereby increasing their lead in the American league another half game. Bob Grove hung up his eighteenth victory, as Al Simmons and Jimmy Dykes drove out home runs. Shores bested Ted Lyons in the last game, letting the Home down with three hits.

**Walgast Wins From Pasadena Slugger**

HOLLYWOOD, Cal., Aug. 9 (AP)—Midget Walgast, recognized in Pennsylvania and New York as the world's flyweight boxing champion, today had furthered his drive to obtain a top rating in this state through virtue of his easy ten round victory last night over Canto Robieto, Pasadena, Cal., slugger.

Dancing about beautifully, Walgast so far outclassed his opponent that the fans boomed the fight at times. Robieto was willing to come to close quarters and slug it out, but his clever opponent had other ideas. Robieto took considerable of a pounding through most of the fight, although he didn't appear to be hurt at any time. Walgast got every round.

**Chuck Collins Is Junior Golf Winner**

CHICAGO, Aug. 9 (AP)—The western junior golf championship has been taken away from the Chicago to St. Louis, by redheaded Charles (Chuck) Collins.

Playing a steady game, Collins yesterday walloped Bill Chambers of Chicago, 5 and 4, in the 36-hole final at Pleasanton. Collins got out in front at the end of nine holes of the first round and never was in danger.

**Many to Exhibit At 69th Annual Fair at Salem**

SALEM, Ore., Aug. 9 (Special)—From Canada to Texas and from the Mississippi river to the Pacific coast, entries for all departments are flooding into the registration bureau of the 69th Oregon state fair to be held here September 22 to 28, advance lists revealed this week.

Illinois, Wisconsin, Texas, California, Montana, Washington, Oregon, and several Canadian provinces are to be unusually well represented, present records show, with late applicants from other states certain to swell still further the long list of competitors for the \$80,000 in premiums and purses, and the \$17,500 up for the horse races.

Horse show entries are showing an exceptionally large gain, according to A. P. Fleming, manager of this division. New states listed thus far include those of Charles E. Shirner, Monroe, Wisc.; Scripps-Monkey, San Diego, Cal.; Adair Stock Farms, Los Angeles, and George Peak, Winchester, Ill.

Included in the Portland entries for the horse show are A. C. Ruby, L. R. Banks, Arvon M. Frank, and the Carnation Products company. Horse show judges named this week include J. P. Garrison of Des Moines, Iowa, and James Watson of Ganges, B. C.

Races are attracting unusual interest with scores of the finest horses in the west and north entered for the stake and class events on the new half-mile oval, according to Mrs. Ella S. Wilson, secretary of the state fair board. Twenty of the record list of entrants for the \$2,500 prize in each of three stake races are to come from Oregon's own stables, with many more also entered in the class events.

Much favorable comment has been drawn by the addition of the extra day to this year's exposition, and Sunday, September 29, is expected to be a banner day for thousands of

**KELLY SPRINGFIELD**

**What "tire economy" really means**

"Economy" doesn't mean buying cheap tires. True, you may save a dollar or two on the first cost, but suppose a dealer does offer you tires at less than the price of the standard makes? It stands to reason that's all they are worth.

You can come in here, pay a fair price for a Kelly-Springfield (no more than you would pay for any other reputable make) and get the quality product of the tire industry. When the "price buyers" second set of tires is wearing out, you are still turning in cost-cutting miles on your Kellys. Which is the real economy?

If you are not already using Kellys, get acquainted with us; we can show you what "tire economy" really means.
