## Alfalfa Market Stronger Due To The Drouth

WASHINGTON, Aug. 14—Alfalfa markets strengthened somewhat during the week ending August 12. Offerings continued light due to a holding tendency generally prevalent among producers. Demand improved considerably with increased credit to dairymen on the Pacific coast and further drought damage in the Central Washington producing sections, according to the weekly alfalfa hay market review of the United States bureau of agricultural economics.

A wide area from the Middle Atlantic states westward to the Mississippi valley has had the driest growing season on record, while the shortage of rainfall for June and July in some South Central states was far greater than for any previous year of which records are available. Temperatures have been abnormally high, with many previous heat records equalled or broken in the Central states and parts of the Southern states. Some second and most of the third growth of alfalfa was badly damaged as a result. The August 1 indication is one million tons, or 3 per cent below the July 1

Millions of men the world over are taking the little daily dose of Kruschen because they know that it keeps them everlastingly feeling fit and active—life really becomes a glorious adventure—well worth living.

Don't confuse Kruschen with the ordinary salts that are made for just one purpose (to act on the bowels).

Keep everlastingly before you the fact that Kruschen contains the vital rejuvenating salts that nature put into the human body at the beginning of creation and these 6 minerals your body must have or you could not live.

How would you like to get your weight down to normal and at the same time develop that urge for activity that makes work a pleasure and success because it relieves this congestion and strengthens the affected parts. Dr. Leonard's prescription has such a wonderful record for quick, safe and lasting relief even in chronic and stubborn cases, the Red Cross Drug Store says try HEM-ROID at my expense. Your Pile suffering must end or money back.

Get on the scales today and see how much you weigh—then get an 85 cent bottle of Kruschen Salts which will last you for 4 weeks. Take one half teaspoonful in a glass of hot water every morning—cut down on sweets for a while—take the exercise which Kruschen will induce—persist in this method every morning of your life and when you have finished the contents of this first bottle weigh your self again.

Now you can laugh at the people who pay hundreds of dollars to lose a few pounds of fat—now you will know the pleasant way to lose unhealthful fat and you'll also know that the 6 vitalizing salts of Kruschen (salts that your blood, nerves and glands must have to function properly)—have presented you with glorious health.

After that you'll want to walk around and say to your friends—"One 85 cent bottle of Kruschen Salts is worth one hundred dollars of any fat person's money."

## Missing Couple Return to Home; No Explanation

ST. LOUIS, Aug. 13 (AP)—Charles Kern, rich retired flour buyer past 70 years old, and Mrs. Kern, for whom a wide search was conducted yesterday after their strange disappearance in Ohio with a \$70,000 bank treasurer's check which Kern had drawn from a bank here, were back home today but had no explanation to make.

Police had feared the aged couple had fallen into the clutches of kidnapers or swindlers.

Mr. and Mrs. Kern returned quietly to their home here at 1:45 a. m. Kern said they had gone to a point in Ohio to visit relatives but would make no further disclosures. He did deny they had been kidnaped or swindled.

Refused to be questioned concerning a real estate deal which he had told his banker was the purpose of his large withdrawal of funds and his trip to Ohio.

"That's nobody's business," he said when asked if he had brought the \$70,000 cashier's check back with him. "We're back home and we're not making any more news."

## Freedom From Stomach Distress

You can get one bottle of Dare's Mentha Pepsin and if after you take it you do not say it did you more good than anything you ever used before, your money will be waiting for you.

Dr. Wm. W. Morgan, a prominent dentist of Bridgeton, N. J., writes: "After suffering severely with gastritis and other stomach troubles, a friend gave me a bottle of Dare's Mentha Pepsin.
