### GIANTS MAKING A BID FOR PENNANT

#### New York Team is Right Behind Leaders in the National League.

By Hugh S. Fullerton Jr. (Associated Press Sports Writer)  
Noted for their strong finishes, the New York Giants have climbed in the National league pennant race. The Giants were a half game behind the second place Brooklyn Robins and only three games behind the league leading Chicago Cubs after Saturday's games. The Giants won 20 out of 32 games in the last month.

They extended their straight winning streak to five games in the first half of yesterday's twin bill by pounding Wild Bill Hallahan of the Cards and three successors for 17 hits and a 12 to 4 victory. A seven-run inning in the sixth settled the matter. Burleigh Grimes turned in a brilliant performance in the second game and the Cards won 14 to 4.

Chicago, Brooklyn Win  
Chicago and Brooklyn turned in single victories to gain a half game on the Giants and continue their race 2 1/2 games apart. The Cubs had difficulty with the humble Phillies but took advantage of their opportunity when Earl Colard developed a streak of wildness in the eighth. The Cubs then scored two runs to win, 5 to 4. The loss of Charley Grimm, injured Saturday, did not prove serious as Lester Bell filled in with three hits in three times at bat and drove in two tallies.

The Robins played a home game against Pittsburgh and sent out Dazzy Vance to entertain the Flatbushes. He fanned nine and hurled an eight hit shutout. The score was 5 to 0.

The Boston Braves supplied Cincinnati's fans with enough thrills for a world series in a double header between the two clubs buried deep in the second division. The Braves barely edged out a 4 to 3 victory in the first game, then went 13 innings in the nightcap to win, 9 to 8, as 37 players, 40 of them pitchers, strove for a victory.

Tigers Stop Senators  
Washington's attempt to overhaul the Philadelphia Athletics in the American league pennant chase was halted yesterday after the Senators had taken six straight games. Detroit's Tigers staged an uprising in the first two innings and scored 11 runs to win by a 15 to 1 count.

Babe Ruth and Charley Bunting gave the New York Yankees a whitening victory over the Chicago White Sox, 8 to 7, in the first half of a double bill, but the Sox came back behind Red Faber's pitching to win, 6-1 in a second game which was stopped by rain after five innings. Ruth clouted his 44th home run in the seventh inning to tie the score, then made the winning run in the tenth on Huffing's pitch single.

With the Athletics and St. Louis, Cleveland made the day's only important American league game and remained in fourth place 1 1/2 games behind the Yankees. The Indians won both games from the Boston Red Sox with a fair of effective pitching feats, 9 to 3 and 2 to 0 counts.

## ROBINS BENCH DAZZY'S 9-YEAR PARTNER IN DESPERATE DASH FOR LEAGUE PENNANT

Hank DeBerry, after nine years of receiving the fast ball of Dazzy Vance, for Brooklyn Robins, finally was supplanted by Al Lopez, slugging 22-year-old catcher, as the club entered the final stretch of the National league pennant race.

### Stars Remain At Top; Indians Win One Lonely Game

By the Associated Press  
Double-headers ended the series for all teams of the Pacific Coast league yesterday, and today, the Hollywood Stars were still at the top of the list. Seattle, Hollywood's opponent last week, chalked only one win, losing the series six games to one, and thus remaining at the bottom of the league. Their win was in the second game yesterday when they took the Stars 3 to 2 in seven innings. The Stars won the morning session, 11 to 1.

Los Angeles administered a double trouncing to Sacramento yesterday, winning the first game, played at Stockton, 9 to 7, and the second in Sacramento, 7 to 0. "Pudgy" Gould walked five men, hit one batter, and allowed the Angels three runs, all in the ninth inning of the morning game. The Angels took five games of the series and Sacramento two.

Seals Take Series  
San Francisco and Portland split their doubleheader at San Francisco yesterday, the Seals winning 14 to 0 in the morning, and the Ducks coming from behind in the afternoon to overcome a three run lead and walk off with a 5 to 4 victory. It was four to three series win for the Seals.

### Cooper Shatters Par To Conquer At St. Paul Open

By Paul McClellan (Associated Press Sports Writer)  
ST. PAUL, Aug. 18 (AP)—Once again "Light Horse" Harry Cooper, comet of the fairways, has definitely established himself as a power to be reckoned with in the realm of golf.

The diminutive Chicago professional, one of the game's great stars of yesterday, stepped up another rung on the comeback ladder yesterday by conquering a brilliant field with par shattering golf to win St. Paul's first \$10,000 open championship over the wind-tossed Keeler county course.

To accomplish his triumph, Cooper toured the 72 hole stretch in 280 strokes, eight under par, and three strokes better than his closest rival, Tony Manero of New York. It was one of the smartest cards the game has ever known.

A sensational 31, five strikes under par, on the second nine holes of his third round, pushed the dashing caballero over the top. He took 17 on the outward trip of the round for an 18 hole total of 69 strokes that gave him a one stroke lead over Manero, which he stretched two more strokes with five two two better than par on his final round.

Cooper's four rounds were 69-78-68-78.

Smith Third  
Horton Smith finished third with a 285 total. The renowned New York professional finished the three quarter mark seven strokes behind Cooper but ended with a 68 that brought him the \$1,000 third place money.

Smith's score netted him \$2,000. Walter Hagen landed fourth with a 286 score.

Gene Sarazen, New York professional finished in a fifth place deflation with Charles Lacey, the young Briton from Clementon, N. J., who upset the national open field at Inverloch by tying Bobby Jones at the end of the second round. Each scored 288.

Goodman Leads Amateurs  
Johnny Goodman, Omaha amateur who conquered Bobby in the first round of the 1929 national amateur, led the amateurs and tied Tommy Armour, of Detroit, western open champion for fifth with 289.

Virtually all of the leaders today were en route to lower than amateur western open championship this week.

### Young Corbett Still Hunts Title — But He's Licked Two Champions!

By Russell J. Newland (Associated Press Sports Writer)  
SAN FRANCISCO (AP)—The going clings out its notice that the tenth round is over.

The referee raises the hand of the southern fighter. Several thousand Italian countrymen of Young Corbett III bellow into the sky.

And so it has gone on here for years. From an obscure preliminary bout in New York, Corbett of Fresno has punched his way to the title of "uncrowned welterweight champion of the world."

The 24-year-old Italian has clinched a brilliant career by handing Young Jack Thompson, Oakland negro welterweight king, a fearful beating in ten rounds. Thompson saved his crown by the technicality of forcing Corbett to come in a pound and a half overweight.

Less than five months before, also in a San Francisco ring, Corbett won a ten round decision over Jackie Fields, the ruler of the 147-pound division. It, too, was an over-weight match.

The Fresno southpaw's record is one of the remarkable of the box ring game. He started at the age of 17 years and in 103 bouts, scored 43 knockouts. Since 1925 he lost two decisions to Dominick McCarthy and Sammy Baker, the last one in 1928. Five opponents held him to draws.

Young Corbett III, Fresno southpaw, still searches for the welterweight title, after battering two champions, Young Jack Thompson and Jackie Fields.

### THREE FIGHTS ARE LINED UP FOR THE WEEK

NEW YORK, Aug. 18 (AP)—Justo Suarez, 21-year-old Argentine boxer, will make his third appearance in the United States at the Queensboro stadium, New York, tomorrow night. If his native country gets as excited as it did on the two previous occasions, then sports writers will have a busy evening trying to satisfy the thousands of fans in Buenos Aires and other South American cities. He will meet Bruce Flowers at ten rounds.

But Battalino, featherweight champion from Hartford, Conn., who keeps the money rolling in by mixing in non-fight affairs, goes up tonight against Bud Taylor, still the Terry Hatte terror but somewhat tamer than in former years. They meet in Hartford with the title not at stake.

Midway Wolfgang, of Philadelphia generally recognized as the heavyweight king, takes on Newby Brown for ten rounds in Los Angeles tomorrow.

### Sport Slants

By Alan J. Gould (Associated Press Sports Editor)  
A year ago Babe Ruth spoiled his main rival for slugger honors from two to nine home runs around Aug. 1, and still beat them all to the wire with a strong finish. The Old Man of the Yankees hasn't this handicap to hurdle now.

We'll cut in front, despite the heat wave, Ruth needs only to maintain an average pace from now on to retain his crown and break his own record of 60.

Here's how the home run leaders were arrayed a year ago as compared with the early August standing for 1929:

Aug. 1, 1929 End of 1929 Aug. 7, 1930  
Chuck Klein 31 43 Ruth 41  
Frank Thomas 30 30 Wilson 39  
Mel Ott 29 42 Gehrig 33  
Lou Gehrig 26 35 Fox 30  
Babe Ruth 24 46 Klein 29  
Al Simmons 23 34 Berger 27  
Jimmy Fox 23 33 Simmons 27  
Ruth, Gehrig, Wilson, Simmons and Fox all have been collecting circuit vallops at a faster rate than 1929, but only Klein and Ott, among the big guns, showing a falling off.

Big Bill Tilden's setback at Southampton at the hands of 19-year-old Frank Shields, although explained by some extraordinary circumstances, nevertheless indicates the veteran will have his hands full in seeking to retain the national singles title at Forest Hills in September.

Big Bill had to wade through a flock of five-set battles before he regained the crown a year ago, with victory snapping at his flying heels. Shields, Grant, Vines, Wood, in addition to the Davis Cup squad of Allison, Van Ryn, Bell, Mangin and Lett, will all be on hand to make it as tough as possible for the old master.

Primo Carnera won a favorable decision in his bout with immigration authorities, but you can't convince Dr. E. F. Maginn of Los Angeles that the presence of the Ambling Alp adds anything but scenery to the heavyweight picture. He says:  
"No exaggerated man who grows up into a giant really possesses the strength he appears to have. They are weaker and less capable than a strong man of normal size. Every time I read of some heavyweight knocked out in double quick time by Carnera, I know there is something rotten in Denmark. It is a physical impossibility for Carnera to knock out the average-sized strong man."

Two of the Army's central football figures in the last four years will be missing from the 1930 campaign being in September at West Point. Chris Cagle, the artful dodger, will go South soon to start imparting his knowledge of ball-toting to youths at Mississippi A. & M. "Buff" Jones, the former head coach, postcards from Cape Cod that he will shove off for Chatham and a tour of duty at Fort Sill while his successor, Ralph Hume Sasse, takes over the coaching reins.
