### O. S. C. GRID STOCK IS MORE BULLISH

Best Material in Years Ready—Schedule, However, Appears Tough.

CORVALLIS, Aug. 20 (AP)—With the opening of the coast conference football practice season exactly one month away, supporters of Oregon State college grid fortunes are taking stock of prospects and find indications of the best material in years added to the best but mighty tough schedule.

Coach Paul Schissler has returned from the east where he conducted a coaching school at Ohio Wesleyan and completed arrangements for the big east-west Shrine game between Oregon State and West Virginia in Chicago late in November.

As to material, the states have 20 lettermen eligible, covering every position except fullback left to be filled from the reserves and last year's freshman squad. Babe Peterson and Frank Little are the leading prospects.

For skipper Schissler will have both lettermen, Bauer and Noles back together with Art Aamund and Tom Ward from the rosters. At half Cecil Sherwood, Honolulu Hughes and Rexville Kerr and Tom Drayman are all lettermen, with Hal Moe and Pierre Bowman, another Hawaiian, from the freshmen.

Lettermen on the line will be Fred Hamner and Homer Lyons, cen-

### Oaks And Angels Score Victories; Seattle Blanked

By The Associated Press  
The Oaks staged a rally in the ninth inning last night, Ernie Lombardi batted in two runs, and the team defeated Hollywood 3 to 2 to cut that club's lead one full game in the Pacific coast league.

While the last minutes rally was being staged at Oakland, Los Angeles on its home territory took Portland to cover, 4 to 5. With Hollywood first in the league, and the Angels second, the results yesterday tended to even things up a little.

#### Seattle Blanked

San Francisco, in third place, remained two games behind Los Angeles. The Seals shut out Seattle 3 to 0, with Curtis Davis pitching steady ball. The Indians connected with nine safe ones, but couldn't make them count.

In the remaining game, played at Sacramento, the San Francisco Mission defeated the Senators, 4 to 3 in ten innings. Pilette brought in the winning run in the tenth.

#### MOORE NEAR DEATH

EUGENE, Ore., Aug. 20 (AP)—Little hope is held for recovery of Clifford Moore, former star football player on championship Medford high team, and last year member of the Oregon freshman squad, according to reports from Medford. Moore is suffering from pneumonia at Klamath Falls, following physical collapse while fighting forest fires last week.

### Giants Move Up To Second Place In The National

By Hugh K. Fullerton Jr.  
(Associated Press Sports Writer)  
Due to the efforts of a pair of clubs which are not even making a pretense of getting into the super-rated National league pennant struggle, the three contenders for the flag have found themselves in a more uncertain position with the prospect of the coming series between the Chicago Cubs and New York Giants will be the really crucial one of the season.

The Giants have taken second place in the standing and have placed themselves within striking distance of the league leading Cubs, only three games behind.

Robins in Third  
While the Giants were taking a close struggle from the St. Louis Cardinals, 4 to 3, Pittsburgh shored Brooklyn's Robins into third place with an 8 to 0 triumph while the humble Phillies kept the league leaders from making any sort of a gain in a double header.

The Phillies took the first game by a 9 to 8 count despite the efforts of Hack Wilson, who closed his 43rd home run to the National league record set last year by Chuck Klein and of Harner, and walker, who also hit homers. The tallenders then bottled the Cubs to a standstill in 16 innings of play, which wound up in a 6-8 tie. Fegury Phil Collins hurled the entire game and was deprived of a victory when Lester Bell hit a home run with two on base in the eighth inning.

The Giants gained their triumph by some timely hitting in the second and ninth which produced three runs. Pitcher Hubbell drying in two of them. With nothing much to stake, Fred Frankhouse turned in another nice job of hitting to give the Boston Braves a 4 to 0 victory over Cincinnati.

#### Hurlers Have Good Day

The American league's hurlers had a thoroughly enjoyable day with the single exception of those who work in Boston. The red stockinged moundmen failed to stop the Cleveland batters, the Indians winning by scores of 7 to 2 and 7 to 3.

Earl Whitehill ran his string to seven straight to give Detroit a 2 to 1 victory over Washington. Charley

Buffing of New York made another kind of a mark by pitching his third two-hit game since he joined the New York Yankees. His victims this time were the Chicago White Sox, who succumbed by a 3 to 0 count.

### Johnny Farrell Cards 68, Taking Lead In Western

INDIANWOOD GOLF CLUB, Orion, Mich., Aug. 20 (AP)—Johnny Farrell, New York wizard over the Indianwood course with a brilliant 68, four under par to take the lead in the western open, 18 hole qualifying round today.

The course, 6800 yards long, and somewhat rugged, but not what golfers call "unfair," was the scene of the qualifying round of the contest for the western open championship, defended by Tommy Turney, and sought by some of America's best professionals and a handful of first rate amateurs.

Francis Wounds yesterday gave hope of some pat smashing play before the championship is decided Saturday. Walter Hagen, now without any title at all, broke the course record with a 66, six below par, and several others were not far behind. In fact, Eddie Kirk, of Dearborn, Mich., made a 67, and Al Espinosa turned in a 69.

### BROWN WINS FROM WOLGAST IN 10 ROUNDS

LOS ANGELES, Aug. 20 (AP)—Smashing his way to a ten-round victory here last night over Midget Wolgast, recognized in New York and England as the best heavyweight champion, Newsboy Brown, veteran Los Angeles pugilist, today had added himself to the list of those who have defeated champions without annexing their crowns.

The bout was an overnight affair. Brown being required to come in over 112. He weighed 113 1/2 pounds at the weigh-in.

Brown found no great difficulty in connecting with Wolgast's body. Punishing blows to the mid-section, mixed occasionally with hefty rights and lefts to the head, were the newsboy's six rounds to two for his opponent.

Brown was down for no-count in the fifth but bounced right up to greet matters with a barrage of rights and lefts. In the eighth he staggered Wolgast with a heavy left to the body.

### SUAREZ BEATS FLOWERS WITH HOOK IN SIXTH

NEW YORK, Aug. 20 (AP)—A third victory to his credit, Justo Suarez, Argentine lightweight, looked around today for more worlds to conquer. He knocked out Bruce Flowers, New Rochelle, N. Y., negro in the sixth round of a ten-round bout at the Queensboro stadium last night.

Suarez gave Flowers a bad beating, flooring him with heavy rights for counts of nine in the second and third rounds and knocking him down for the full count with a left hook.

The victory was the most decisive of Suarez' American campaign. Previously he had outpointed Joe Glick and Herman Perlick in ten round bouts. Flowers, one of the country's leading 135-pounders, had scored a knockout over Tommy Grogan in his last start.

### American Stars To Be Selected After Big Meet

CHICAGO (AP)—Three track stars who sent the Union Jack of the British Empire to the masthead in four Olympic events will represent that flag here.

They carry Britain's hopes for victory in the dual track meet with an American team the night of August 27.

None who will represent the United States in the games to be held in the mammoth Soldier Field ever has won a first in an Olympic.

Chief of the British headlines will be Percy Williams, the unrecognized Canadian, who out-pointed America's highly touted sprinters in both the 100 and 200 meters at Amsterdam in 1928.

There also will be Lord Burghley, the hazy noblemen, who won the 400 meter hurdle race at Amsterdam, and Eric Liddell of Scotland, who was first in the 400 meters at Paris eight years ago.

Jimmy Ball, Canadian, second to Ray Barbull in the 400 meters at Amsterdam. Also will represent Great Britain.

On three previous occasions the Anglo-American team, who have been held. The teams tied in 1920, but the United States representatives won in 1925, 1 to 3, and in 1928, 8 to 6. The British scoring system in which only a first count is used.

Definite determination of the two teams who will clash here will not be had until after the Empire championships at Hamilton, Ontario, on August 16 to 22, and the National Amateur Athletic Union meet at Pittsburgh, August 22 to 25.

In the Springs, Williams likely will be opposed by George Simpson of Ohio State and Eddie Tolan of Michigan. Tolan recently defeated Williams at Vancouver. Simpson failed in 1928 to make the Olympic team when he pulled a tendon in a trial race.

The events include three-mile race in which six men will run for each team; a 400-yard relay, mile relay, 480-yard hurdle relay, two-mile relay, pole vault, hammer throw, high and broad jump, shot put and javelin throw. A special 100-yard race will not count for points. One point will be given for each event.

### Wins Twice During The Same Battle

CHICAGO, Aug. 20 (AP)—Andy Shauck, Grand Rapids, Mich., heavyweight, today figured he should be credited with two victories over Jack McAniff of Detroit, for one evening's work.

Shauck knocked McAniff from the ring in the first round of a ten-rounder at the Congress Arcade arena last night. The Detroit heavy finally got back into the enclosure but Referee Johnny Bell had counted him out. The crowd yelled for more. It got and Shauck consented, after protest, to try it again.

A low right hand blow by McAniff hurt Shauck so that the latter could not continue and he was awarded the bout on a foul in the third.

### Sport Slants

By Alan J. Gould  
(Associated Press Sports Editor)

Earth shocks produced by the activities of the heavyweight battalions in this country seem to have been felt in faraway Japan.

I have in hand a copy of the Japan Times & Mail, of Tokyo, which understands that a plan is afoot to have Musashiyama, Kokugikan wrestler, enter boxing, in an attempt for the world heavyweight championship.

This, it appears, is no passing fancy, for I read further: "Mr. Kojima, minister of communications, Mayor Nagata of Tokyo, Mr. Mitsuru Toyama, and Mr. Ryohji Uchida, are reported to have been keen interest in the plans of Musashiyama."

It is said that if a Japanese won the championship, Japan would profit by \$20,000,000 in a year.

It appears the Japanese have not examined the situation sufficiently to discover that the heavyweight fighters and promoters, not the nation or the public, collect the financial returns, with accruing privileges.

Of course, Musashiyama, should he win the championship, might turn out to be more philanthropic. Even so, \$20,000,000 seems a trifle high. It is doubtful, for example, whether Italy has so far paid any part of the national debt through the activities of Primo Carnera, the most profitable of all the 1930 heavyweights.

The Japanese may have confused boxing with foot-racing. It will be recalled that Finland attracted so much attention and publicity through the exploits of Paavo Nurmi as a runner of world renown that the government was able successfully to negotiate a \$10,000,000 loan in Wall Street.

Minutal of the fate that has befallen most wrestlers essaying ring careers, what are the qualifications of this Far Eastern bruiser?

"Musashiyama" is an amiable chap, but he has powerful arms, intelligent and courage—the qualities that are supposed to be possessed only by a middle-class farmer and decided on his present career much against his will as well as that of his parents.

He was urged by the officials of the wrestling association to become a sumo player because of his splendid physical power and mental clarity. Musashiyama is not so big as either Dewagatake or Asahiko. His reach is six feet and two inches and

he tips the beam at exactly 250 pounds. But he is only 20 years old and is as brassy as he is powerful physically.

All that the big parade of the ring has needed to make it complete is an Asiatic aspirant. But it might not be necessary for Musashiyama to alter his activities to become a contender. Sumo, the sport at which he has gained fame, is described as a combination of wrestling, music and shinto ceremonies, where "no willful physical harm is inflicted."

This description exactly fits most of the performances that have been put on recently under the misnomer of heavyweight boxing or fighting.

Sport writers call it "Tom Thumb" baseball in the Nashville plant of the Southern Association, due to the park's small size.
