PHILADELPHIA IS NEARING PENNANT

Only 31 Games Left to Play for A's, Who Have 8 1/2 Game Lead.

By Hugh S. Fullerton Jr. (Associated Press Staff Writer)

While the National league pennant race goes merrily on without getting very near to a decision, the Philadelphia fans are about ready to hear the news that the Athletics have clinched the American league title for another year.

It will require an amazing winning streak on the part of the Washington Senators or the New York Yankees combined with a wholly unexpected slump on the part of the A's to keep the world's champions from capturing another American league flag. After yesterday's 10 to 6 victory over Detroit, the Athletics had only 31 games left to play, and a margin of 8 1/2 games over Washington. If Philadelphia slumps so far as to lose half of its remaining contests, winding up the season with 33 victories and 63 defeats, Washington must win 25 of its remaining 34 games to tie with the Yankees now ten games behind, could, possibly, only win 13 games.

The Senators continued their chase yesterday by trouncing the St. Louis Browns, 14 to 4, scoring a ten-run burst in the fifth inning which went a long way toward averting the disaster suffered in St. Louis, but Washington's 18 hit assault brought 30 runs while the Athletics were giving Bob Grove his usual backing. Grove did some ragged hitting as he won his eighth straight game and his 134th victory of the season, but he was presented with a seven run lead before the Tigers started to score. The other American league clubs had a day of scheduled idleness.

The leaders of the National league were joined in grief yesterday as all three victors to their rivals of lower rank in the standing. Cincinnati pitched proved better than Brooklyn's in two close duels, both being decided by 1 to 0 scores.

Five Home Runs

The last-place Phillies evidently were destined to win their twelfth game with the champion Chicago Cubs although it required three days of effort to give them a 10 to 8 decision. Five four baggers played the important part in denying the dispute, although the Phillies gave away four runs in the first inning and were out, 17-13.

A single homer and a wild pitch by Fred Fitzsimmons were about enough for the St. Louis Cardinals as they defeated the New York Giants 5 to 4. Pinch batsman George Fisher made a four base clout for three runs while the wild heave by the Giant pitcher allowed the tying run to score. Out of the pennant race, Pittsburgh gained a triumph of its own by shutting out the Boston Braves, 5 to 0, and passing the 500 mark for the first time since June 4.

JOE HAUSER IS FAR AHEAD OF BABE RUTH

BALTIMORE (AP)—Joe Hauser, home run king of the International league, is piling up a batting average which is going to cast some major league team a pretty penny.

The Chicago White Sox already are reported to have offered \$75,000 for his contract.

The slugging first baseman of the Baltimore team, who twice has been under baseball's big tent, in addition to annexing the all time record in the International for home runs, now tops organized baseball with circuit clouts for the season.

Fifty-four homers had sailed from his bat on August 12, with 23 two-baggers and seven triples. He had clubbed in 120 runs to lead the league. His hitting is well over the 300 mark.

The former record for circuit smashes, set in 1926 by Bill Kelly of Buffalo with 44, was passed August 5 by Hauser when he slugged three at Jersey City to reach 45.

Hauser began his baseball career with Providence of the Eastern league and was sold to Milwaukee of the American association. Going to the Philadelphia Athletics he broke his leg during the first season. When he returned to the A's, he was sent to Kansas City on option and later recalled.

Fearful of the injured leg, Connie Mack asked waivers, and the slugging first sacker went to Cleveland from whom he was bought last fall by Baltimore for \$7,500.

LOVE WOMAN MAYOR

RIO DE JANEIRO (AP)—The city of Lagos in the state of Rio Grande do Norte is believed to be the only municipality in any Latin-America with a woman mayor.

San Francisco's Seals will inaugurate night baseball in the club's new \$1,500,000 park in 1931.

Hollywood Wins From Oaks, 6-4; Ducks Drubbed

By the Associated Press

A crowd of 12,500 persons last night saw the Hollywood Stars, leaders of the Pacific coast league, defeat Oakland 6 to 4 to maintain their top position. Today, with the series evened, the Stars and Oaks were to get down to serious baseball, for if Hollywood loses and Los Angeles wins, the Stars will be tied for top by the Angels.

Los Angeles, only one game behind, stepped on Portland again and administered a 10 to 2 beating to the Ducks. Four Portland pitchers failed to stop the Angels' rush. The southern club, playing on its home grounds, has won both games of this week's series and is pounding the heels of the Stars.

Indians Also Lose

Another drubbing was received by the Seattle Indians, tailenders in the league. San Francisco defeated the lowly Braves 18 to 7 at San Francisco, yesterday. Both Crossett and Oana hit homers for the Seals.

The Sacramento Senators, playing at home, white-washed the San Francisco Missions, 7 to 0, and thereby evened the series. Fay Thomas allowed the Missions but three hits.

Eight Players Start Drive For Net Championship

FOREST HILLS, N. Y., Aug. 21 (AP)—Eight players stood today within striking distance of the national women's tennis singles crown which only one can win.

This group, comprising the sole survivors of an original field of 57, met in the common-sense way of 73. The other sisters were Kate, Florence and Ellen.

WHY FAT MEN STAY FAT

The trouble with me, and I guess this applies to 90 per cent of the men who are putting on weight, I didn't have the energy or "pep" to keep it off. Lost all interest in any healthy activity and just lazed around accumulating the old pounds until I got that "Kruschen feeling."

Start taking Kruschen Salts—that's the common-sense way to reduce—but don't take them with the idea that they possess reducing qualities in themselves.

That's what they do—they clean out the impurities in your blood by keeping the bowels, kidneys and liver in splendid working shape and fill you with a vigor and tireless energy you'd think you'd never had again.

As a result instead of planting yourself in an easy chair every free moment and letting flabby fat accumulate you feel an urge for activity that keeps you moving around doing the things you've always wanted to do and needed to do to keep you in good condition.

Then watch the pounds slide off! Kruschen Salts are the up-to-date Fountain of Youth. Take one-half teaspoonful in a glass of hot or cold water and if they don't change your whole life about reducing, go back and get the small price you paid for them. Get an 85 cent bottle of Kruschen Salts—lasts 4 weeks at Red Cross Drug Store, Glass Drugs, McCormac Drug Co. or any progressive druggist anywhere in the world.

OH BOY! WHAT JOY LIFT CORNS RIGHT OUT

The English Way

Right from England comes the new better, joyful way to take out corns—callouses go also and you can rub off that hard skin on heels and toes with your hand—the magic treatment.

Ask Red Cross Drug Store or any leading druggist for a package of Radox—put 2 table-spoonfuls in a gallon of hot water—do this for 3 or 4 nights in succession—they lift out the corns.

This joyful exhilarating foot bath is simply great—you'll enjoy every minute of it and your burning, sore, itchy feet will feel better than they have for years—ask for Radox and foot comfort will be yours.

GOVERNOR TO KEEP OUT OF GAME STRIFE

(Continued from Page One)

tion ditch means the obtaining of a federal appropriation of \$25,000 for experiments in solution of the problem of the annual loss of millions of trout and salmon fry.

Further, the governor says Clifford is in a game farm operation, on field and upland birds, and that he is responsible for the policy of holding trout fry and turning them out to the public as a fish catching or caring for themselves.

Haps "Organized Minority"

The statement declares that Clifford has turned the financial affairs of the department from a deficit into a surplus.

The governor raps the "organized minority" of Oregon sportsmen, particularly the Multnomah Anglers and Hunters club.

"By far the greatest voice in both approval and disapproval of the commission in dismissing Clifford and Clark has come from the organized minority," he says. "Past experience has demonstrated that the majority of the troubles of the game commission has emanated from Multnomah county, and principally all from the members of the Multnomah Anglers and Hunters club. So far as I know the history of this state no game warden has ever been able to please the various factions of this club and I doubt whether one will ever be able to do so."

He did something no governor has ever done before when at the time of Commissioner Miller's term (expired) he offered to appoint one of a list of five he suggested by the sportsmen of Multnomah county, that county being entitled by his commission's report. I soon discovered that I made a mistake because the gathering from the list of five was named turned out to be purely a political affair. However, I kept faith and appointed one of the list of five as a member of the commission.

FALL FROM TRAIN FATAL

LITTLE FALLS, N. Y., Aug. 21 (AP)—A body believed to be that of Samuel I. Lipp, Cincinnati banker, was found today on the New York Central railroad tracks near here.

The body was clad in pajamas over which were worn the coat and trousers of a business suit. Papers and cards in the pockets indicated the victim was Lipp.

Preliminary investigation indicated he fell from the observation platform of a New York Central train.

MRS. HOOVER GIVES CAMERA MEN HINTS

WASHINGTON (AP)—Mrs. Herbert Hoover often suggests effective poses for the news photographers.

She operates a small movie camera and has made quite a study of picture making.

When she visited the President's school in the Blue Ridge mountains just before the summer commencement exercises she posed the children in the school room for the waiting camera men.

She laughingly told one of the men that his idea of a little girl reading a book was old fashioned and suggested a different arrangement.

Walter Hagen Cards a 67 For Course Record

IRION, Mich., Aug. 21 (AP)—"The Hag" isn't through yet. Suddenly reversing the form that threatened to topple him once and for all from his pedestal as one of golf's greatest stylists, Walter Hagen once more stood out today as a one big threat in one of the favorite tournaments of his long career, the Western Open championship.

A record-breaking 67, five strokes under par, in the 62 hole qualifying round over the championship Indian wood country club course yesterday and a 66 in the practice test the day before, was Hagen's signal of his promised comeback. The rounds shattered the course record and again placed him as a marked man in a championship struggle.

The Hagen of Old

Hagen appeared the Hagen of old. He snatched his shots with his old time accuracy, snared an eagle and four birds on his triumphant round and lost only one decision to par on the short thirteenth, where a short approach and a rimmed putt forced him to take a four against a par three. It was one of the best rounds he has ever carded and that included the many he tallied in the triumphant seasons that have been his.

Withal, Hagen faced spirited competition and a big fight from a brilliant field as the big push-off in the 72 hole medal drive for the championship opened today. Chief among his rivals were Tommy Armour, the defending champion from Detroit; Horton Smith, and "Wild Bill" Sayers, who did not have to qualify yesterday because of their low scores in last year's championship. Then there was Johnny Farrell, the former National Open champion from New York who finished one shot behind Hagen in yesterday's 18 hole qualifying test with a brilliant 68; Al Watrous, Detroit pro, who scored a 69 for the championship; and Espinosa brothers, Al and Abe, from Chicago, both good campaigners in medal play.
