GIANTS CONTINUE WINNING STREAK

Trounce Chicago Cubs 13 to 6 in Opening Game of Big Series.

By Hugh K. Fullerton Jr. (Associated Press Sports Writer) The New York Giants have served notice they intend to win the pennant. Yesterday they opened a series with the Chicago Cubs by trouncing the 1929 champions and 1930 leaders by a 13 to 6 score to put themselves only two games behind first place. The Giants started hitting in the first inning and at the same time the Cubs began to make errors and New York got off to a lead of six runs. Wally Rostker clouted a home run with two on to make it six runs. Blake settled down after this had started and held his own against Walker until the eighth. The victory brought New York's record up to 22 victories in the 30 games of the last month while in the same time the Cubs have won 19 games and lost eleven. The Giants must win all of the remaining three contests of the series to leave Chicago at the head of the league.

Robins Gain and Lose The third place Brooklyn Robins gained on Chicago and lost ground to New York as rain kept them idle in Cincinnati. The Boston-Pittsburgh game also was postponed while the St. Louis Cardinals slugged a 16 to 0 defeat on the Phillies. The Philadelphia Athletics moved a step nearer the certainty of victory in the American league pennant race by coming from behind to defeat the Detroit Tigers, 8 to 7. Held to one hit in six innings by George Uhle, the A's broke loose in the last three frames to score all their runs.

Yankees Beat Washington kept pace with the leaders by taking a quick 9 to 2 decision over the St. Louis Browns as Sad Sam Jones allowed only six hits in a duel with Collins. But the New York Yankees lost one more of their faint hopes as the Cleveland Indians pulled a 6 to 6 triumph out of a twelve-inning struggle. A Yankee error with two out in the ninth paved the way for the defeat and a home run by Dick Porter settled the overtime dispute. The humble Boston Red Sox staged a three-run uprising in the eighth inning of a mottled duel between Al Thomas and Hod Lisenbee to defeat Chicago, 4 to 2, and keep the White Sox from breaking their sixth place tie with St. Louis. Five Boston errors kept Lisenbee trailing for the first seven frames although he gave Chicago only four hits.

Silverton Drops 11-Inning Game To Long Beach

COLORADO SPRINGS, Colo., Aug. 22 (AP)—Boys' baseball teams from the far west, middle west and south clash today in the semi-final round of the American Legion junior baseball regional championship. New Orleans plays Salina, Kans., in one game. These teams drew byes for the first round. Enderlin, N. D., and Long Beach, Cal., meet in the other game.

Enderlin advanced yesterday by defeating Denver 5 to 3 and Long Beach put Silverton, Ore., out of the running after a hard fought eleven-inning contest, 6 to 3. Winners of today's games will meet tomorrow for the title. The winner of tomorrow's game goes to Memphis, Tenn., to play in the junior world series for the national championship. A hard-driven triple into deep right field with the bases loaded proved the undoing of the Silverton, Ore., nine and the Long Beach, Cal., aggregation advanced to the semi-finals of the all-western American Legion junior baseball tournament by virtue of the three runs scored by that triple, winning an 11-inning struggle from the Oregonians, 6 to 3. Morrow, Long Beach third sacker, who had not hit safely up to that time, turned the trick that eliminated the hard-fighting boys from the northwest. Silverton lost a chance to win the game in the regulation nine innings when Solomons, Long Beach left fielder, made a sensational one-handed catch of Schwab's long drive, retiring the side with the bases loaded.

Schwab pitched masterly baseball for the losers, striking out ten men and allowing only nine hits over the 11 innings, keeping them well scattered throughout until the 11th. Hubbard, Silverton shortstop, belted out three singles and a double in five times up to lead all batters in the tournament. Kitchin also hit a two-bagger, his only safety. The score: R. H. E. Long Beach 6 3 0 Silverton 3 9 3

Batteries: Strick, Hill and Harrell; Schwab and Rudeshauser.

Nolan Skiff won two up from Harvey Carter in the semi-finals in one bracket yesterday, and Orville Davis reached the finals from the other bracket through forfeiture of Dale Cox, who is out of town. Bud Beard, with a 96, is leading for medal honors. Beard was eliminated from the tournament after 54 holes of play with Carter, the two being all square both at the end of the first 18 and a second 18 holes. Mr. Copey announces that a sweepstakes tournament will be played shortly, conditions of play to be decided on in the near future.

R. Norris Williams, veteran Davis Cup player, had to pay a \$2 admission to a Long Island tournament where he was scheduled to play. He later was recognized and the money returned.

LOMSKI AND ROSENBLUM IN 8-ROUND DRAW

ABERDEEN, Wash., Aug. 22 (AP)—Leo Lomski, Aberdeen light heavyweight, battled his way to a draw with Maxie Rosenbloom of New York, champion of the division, in a non-title eight-round bout here last night. The bout featured a smothered held in connection with the state American Legion convention. It was a fast bout with both boxers moving and hitting at lightweight speed, but depending entirely on their left hands. Lomski's famous right that formerly carried so much dynamite was missing except in one or two instances. In the third round, which was his best, Lomski tore the plaster off Rosenbloom's injured eye and a second poke started the blood. He then shook the champion up with a solid right under the heart. Rosenbloom wound up the fight with a furious eight-round onslaught in which he threw everything he had in Lomski's direction. It was estimated the fight drew about a \$7000 house.

Tail-End Teams Defeat Leaders In Coast League

(By The Associated Press) All three of the top-notchers in the Pacific Coast league took a licking at the hands of the more down-trodden clubs in games throughout the circuit yesterday and last night. Hollywood, still leading the league, lost to Oakland, 9 to 8, as the Oaks rose in wrath in the ninth inning and staged a three-run rally to nose out the Stars. Previously in the game the Oaks threw away a four-run lead. As a result of Oakland's last minute decision to win the game, that club is tied for fourth place with the San Francisco Mission, who lost last night to the Sacramento Senators by a 6 to 4 score. The Solons chalked twelve hits off the Reds. Ducks Draw Angels Los Angeles, yet in second place, was drubbed unmercifully by the Portland Ducks, 11 to 3. Although the ducks are next to the tail-enders

they apparently were in sympathy with the uprising of the trailers to cut down the percentage of the leading teams. Seattle broke its losing streak 13 win frod San Francisco, 6 to 3. Paul Zahmsler limited the Seals to eight hits, tossing a slow one that had the Seals swinging before the ball reached the plate. This is the first win of the series for the Indians, who for the past two weeks have been on the losing end.

60,000 Tickets Will be Printed For Grid Game

PORTLAND, Ore., Aug. 22 (AP)—Preliminary plans for one of Portland's outstanding football games of the 1930 season—the Oregon State-Washington State classic November 1—were made yesterday at a meeting of representatives from both colleges. E. N. Strong, chairman of the ticket committee, said 60,000 tickets will be printed to be sold at \$2.50 each. Proceeds will be divided three ways after field expenses are paid. One-third will go to Al Kader temple which will turn over the entire amount to Shrine hospital for crippled children. Among those attending the meet-

ing were Paul Schissler, Oregon State coach; Carl Ledeli, graduate manager, O. S. C.; Earl Foster, graduate manager of Washington State; Howard Greer, publicity director, Washington State; G. E. Hollinger, Washington State coach, was in San Francisco.

Colonel George Drever, former post-tentate of Nile temple, Seattle, promised that Nile's Arab patrol band and chanters would be here for the game. The Al Kader patrol band, drum corps and chanters also will participate in the program. PLAY GAME IN CREEK BED KITTANNING, Pa., Aug. 22 (AP)—A baseball game was played yesterday in the bed of Mahoning creek, dried up by the drought. Athletes of the town have graded the bottom of the stream, which provides a diamond of smooth stone and plenty of sand. And the banks served as ideal bleachers for the several hundred fans who watched the game. John Kilcullen, heavyweight champion of the New York A. C., will enter Yale this fall.
