BETTY NUTHALL WINS NET TITLE
Defeats Mrs. Harper, of San Francisco, Yesterday 6-1, 6-4.

(Associated Press Sports Editor)
FOREST HILLS, N. Y., Aug. 25 (AP) — Betty Nuthall, 20-year-old British girl with a smile on two continents and a blistering forehand drive, is the new tennis champion of the United States.

She wasn't considered good enough to have a place this year on the British Wightman cup team and she was a disappointment at Wimbledon, but before an American gallery that has made her its darling, she scored a double triumph in the finals of the national women's championships on the rain-drenched courts of the West Side tennis club.

Succeeding to the title forfeited by Helen Wills Moody just before the tournament started, Miss Nuthall captured the singles championship by defeating Mrs. Anna Virginia McCune Harper, San Francisco left-hander and fifth ranking American, 6-1, 6-4.

Returning to the courts after a heavy downpour and playing on slippery turf through intermittent showers, Miss Nuthall teamed with 17-year-old American girl, Sarah Falfrey of Boston, to win the doubles honors. They came from behind to Mrs. Harper and Edith Ross, also of San Francisco, 3-6, 6-3, 7-5.

For the first time in 43 years, the American woman's singles championship goes abroad in Miss Nuthall's possession, but few victories by homebred stars have been received with any more applause than was Betty's triumph.

She was a favorite all week in the tournaments with Mrs. Moody out of the competition, and the completion of her march of conquest in impressive fashion against Mrs. Harper. Except when she staged a strong rally in the second set, leading at one time by 4-2 on game and 30-0 points, the California woman was outclassed by hard-hit drives.

Mrs. Harper, her mere 114 pounds and slim, a contrast to her rival's size and strength, had neither the service nor the stroking battery adequate to combat Miss Nuthall.

The English girl was extended in only one match in the entire tournament. That was in the semi-final when she defeated Marjorie Morrill, 6-1, 6-4, 6-2.

RANKINS THWARTED AGAIN
PORTLAND, Ore., Aug. 25 (AP) — For the third time, Tex and Dick Rankin have been thwarted in their attempt to set a new endurance record. Last night at 9:35, after being in the air six hours, a broken oil line forced down the Ontario-Oregon monoplane on Swan Island airport. The fliers being unable to reach their own base of operations.

Twelve gallons of oil sprayed over the pilots before they made a landing. They circled the airport several times dropping flares to signal for the lights to be turned on. KASUMIGAWA, Japan, Aug. 25 (AP) — Although his plane functioned flawlessly during a forty-minute flight today, Harold L. Bromley, aviator planning to make a flight to the United States, announced postponement of his take-off until dawn Wednesday at the earliest.

The scheduled departure for the transpacific hop was tomorrow morning, but discouraging weather reports promising strong headwinds caused delay in the start. Bromley has been anxious for an early start, as a typhoon was reported south of Japan, which threatens considerable bad weather within the next two or three days. Approach of September means typhoons are likely to be frequent.
