**Buenos Aires Rioters Shoot Two Students.**—(Continued from Page One)  
of events. Fatalities in last night's rioting are likely also to embitter public opinion.  
Police took precautions to prevent student demonstrations which have been scheduled for today.

**FRENCH ACES TO UNDERTAKE TOUR OF U. S.**—(Continued from Page One)  
A menial rapid transit system is proposed for part of New York City, immediately to make arrangement with the French air ministry for presentation of the purse, either in Paris, New York or Dallas.  
When the scarlet plane flashed into view yesterday and came to rest after circling Love field, police and national guardsmen were powerless to restrain the cheering, milling thousands who pressed forward to hail the heroes, after hours of tense waiting.  
Rifles, clubs and the mounts of guardsmen formed a barrier inadequate to curb the throng. Finally the fliers made their way to the administration building where they spoke a few words into a microphone, while guards continued to oppose the crowd.  
Chicle handled in 1929 via the Mississippi-Warrior barge line totaled 2897 tons.  
Georgia's first tobacco warehouse was built in 1786.

One walnut tree imported from Chile nearly 60 years ago started an industry that now spreads over 5000 acres in Santa Barbara county, Cal.  
Los Angeles, on the Pacific coast, is east of Reno, Nev., which is east of the Sierra Nevada mountains.  
Experiments in growing Turkish tobacco in Canada, near Leamington, Ont., have proved successful.  
Great numbers of range cattle were reported killed by rats in the Siberian-Mongolian famine area.  
Japan exports about ten million gold fish yearly, mostly to the United States.  
The Florida citrus-exchange expects to save \$200,000 a year by using new light weight containers.
