**COVE PERSONALS**

By Mrs. A. G. Conklin (Observer Correspondent)  
COVE, Ore. (Special)—Rev. C. E. Culane is transferring his membership from a lodge where he formerly lived and will be appointed chaplain to the I. O. O. F. lodge of Cove.  
The Blue Mountain Canton No. 14 gave a dance at the I. O. O. F. hall Friday evening that was largely attended by the lodge members from Union, La Grande and Elgin. Refreshments were served by the lodge members. This is the first of a series of dances given by this organization. The next will be given at one of the neighboring towns. It was an invitation affair.  
Ralph Robinson, the Union county cream tester is testing in Cove this week.

The schools have just completed their mid-year exams, although the reports are not ready for distribution. Among those who have been on the sick list for the last week or two are Mrs. Alice Tripper, who has been ill and shut in for three weeks.  
Mrs. Cora Bloom has been ill but is able to be out again. Joe Coyette is suffering from an aggravated cold and flu. Fred McCallister, who underwent an operation at Hot Lake two weeks ago, is recovering and will come home Tuesday, Jan. 13.

Mrs. G. E. Barker and Mrs. Louis Presto will entertain the Ladies Guild at the home of the former Thursday afternoon, Jan. 15.  
Mr. and Mrs. Keith McCool will leave Monday to visit a sister of Mrs. McCool's who is seriously ill at her home in Eugene.  
Mr. and Mrs. Frank Platt and daughter were weekend guests of Mr. Platt's brother, Rev. Walter Platt and family. Their home is in Notsa, Idaho, where they have a large dairy ranch. They have rented their ranch and are on their way to Arizona where they go for the benefit of Mr. Platt's health. They left Monday morning.

Graydon Loree is leaving Wednesday for Portland where he expects to enter Bible school. He does not know yet what school he will enter, but he has a brother, Clifford, living in Portland where he will visit until he becomes located. The Baptist young people gave a farewell party for him Monday evening at the home of Mr. and Mrs. Ben DeBorda.  
The Dorcas society of the Baptist church will be entertained by Mrs. Carl J. Blackland Thursday afternoon, Jan. 15.

Mrs. Ruth McNeill is "a pretty brave little girl and a good sport" as say her playmates. She unfortunately fell and fractured her right arm about a week ago and is now wearing a cast and carrying the injured member in a sling. Mid-year exams came last week and instead of saying she could not write Ruth very diligently wrote her entire examination with her left hand. As she has never practiced writing left handed her writing was not so good at first but improved very much with this practice.  
Mrs. R. S. Comstock is ill of neuritis.

**Gas Masks Universal**

A report made to the American Chemical society says that a few years ago in many branches of the chemical industry gas masks were rarely used in daily work. Today there are gas masks available providing respiratory protection against practically all known poisonous gases.

**"Petriified" Hair**

Under favorable conditions human hair will "petrify" just the same as other parts of the body. When organic matter petrifies, it merely supplies a mold for inorganic matter. As a rule the hair petrifies as a mass and only in rare cases are the individual hairs recognizable. The same of course applies to the fur of animals.—Exchange.

**Artichokes On Market; Butter Lower Locally**

Artichokes were seen in some of the stores today, but they are received rarely from California markets. They sell at 20 cents a piece. Other hot-house products, such as radishes and onions are seen at various stores periodically, and sell around 10 cents a bunch.  
Butter is selling for 29 cents to 30 cents a pound, while eggs remain the same at 25 cents to 30 cents.

**Butter And Eggs Unchanged Today**

PORTLAND, Jan. 14 (AP)—Whole-sale butter and egg quotations were unchanged today. Trade tone continued unsettled and weak for both as a result of recent price declines. Some egg dealers were predicting lower prices here because of further declines in other coast markets and in the east. Early butter and egg trade to retailers was of moderate volume with a fair demand showing.  
An oversupply of veal was evident in the country dressed meat market with top prices for prime stock tending to weaken from 16 to 15 cents a pound. Fancy lambs were barely supplied up to demand and the top price was jumping from 14 to 15 cents a pound. Some sales, assaying to definitely advance a cent above the week's opening level. Other dressed meats and poultry were steady.  
Cattle and some sales, assaying to advance a cent above the week's opening level. Other dressed meats and poultry were steady.  
Fruit and vegetable trade was generally unchanged from Tuesday.

**SLOW IMPROVEMENT**

NEW YORK, Jan. 14 (AP)—Slow improvement followed early selling in stocks today and the market closed firm, with small net gains generally. Trading, however, recorded the slightest volume in weeks. Bulls and cuppers led an afternoon upturn, Illinois Central and New York Central rallying about 3/4. Anaconda, Atchafalaya, Union Pacific, American Smelting, U. S. Steel, American Can and Allied Chemical rose 1/2 to 3/4 net. Sales approximated 1,350,000 shares.
