PAPER MANUFACTURE ADDS TO RICE GROWERS' INCOME

WASCO, Cal. (AP)—A \$5,000,000 factory here is ready to begin converting rice straw into wrapping and other kinds of paper. Many California rice growers merely burn their straw after the combination have passed across a field, but this marketing of a by-product is expected to help offset unfavorable price factors in adverse years. The state's rice production this year was estimated at about 3,000,000 bags. Louisiana's rice production for 1930 is indicated at 30 bushels per acre, or a total of 17,670,000 bushels. A total of 84,138 carlot shipments of fruits and vegetables was sent from Florida during the 1929-30 season.

Piles Go Quick Without Salves or Cutting

Thousands of Pile sufferers have learned that quick and permanent relief can only be accomplished with an internal medicine. Neither salves or cutting remove the cause. Bad circulation of the blood in the lower bowel causes piles. The veins are flabby, the bowel walls weak—the parts almost dead. To end Piles an internal medicine must be used to stimulate the circulation and strengthen the affected parts. Dr. J. S. Lechnhardt was the first to discover a real internal Pile remedy. He called his prescription HEM-ROID, and prescribed it for 1000 patients with the marvelous record of success in 900 cases, and then decided every Pile sufferer should be able to get HEM-ROID from their own drugist with a rigid money-back guarantee. Dr. Lechnhardt's prescription has a wonderful record of success right in this city and Red Cross Drug Store invites every Pile sufferer to try HEM-ROID and guarantee to refund the purchase price if it does not end all Pile misery. —Adv.

How One Woman Lost 20 Lbs. of Fat

Lost Her Double Chin
Lost Her Prominent Hips
Gained Physical Vigor
Gained in Vivaciousness
Gained a Shapely Figure

If you're fat—first remove the cause! Take one half teaspoonful of KRUSCHEN SALT in a glass of hot water before breakfast every morning—cut out pastry and fatty meats—no light on potatoes, butter, cream and sugar—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALT at Red Cross Drug Store, Monro Drug Co., Glass Drugs, Inc. (last 4 weeks). If even this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—you money gladly returned.

Mrs. Matine Carey of Buffalo, N. Y., writes—"Since I began taking Kruschen Salts I have lost 20 pounds and I feel as if I had lost 50 pounds—I feel so good and the best part of it all is that I'm eating anything I like." —Adv.

Voluntary Retirement of Judges On Full Pay at 70 Feature of Bill

SALEM, Jan. 22 (AP)—Voluntary retirement of judges on full pay at the age of 70 is provided for in a group of bills pertaining to the judiciary and judicial procedure which Senator J. W. Crawford has ready for introduction. Another of the measures provides for a state judicial council of 15 members, five judges, five lawyers and five laymen instead of the present council of five judges.

The retirement bill applies to supreme and circuit court judges who have served continuously for 15 years as supreme or circuit court judges or attorney general.

The enlarged judicial council would be appointed by the chief justice. Among the five judges would be the chief justice himself, one associate justice and three other judges of courts. The theory of naming five laymen, it was said, is that they would serve as a "leavening influence."

Other provisions of the group of bills are:

- Amending the law relative to disbarment proceedings to make it clearer and more definite, and prohibiting publicity until the charges reach the supreme court.
- Providing that the court may suspend rules of evidence so as not to require a litigant to prove or disprove a set of facts when there is no bona fide dispute, even though there is an issue in the pleadings.
- Providing for the appointment by the supreme court of a state code reviser. His duty would be, during and between legislative sessions, to formulate bills for the clarification of laws, and for the repeal of useless laws, and to coordinate the statutes for codification. He would receive compensation of \$500 a year.

Removing the requirement that chattel mortgages be witnessed.

Age Limit Provided Adding a qualification for supreme court and circuit court judges that they be not over 70 years old at the time of appointment or election, the act not to apply to judges in office at the time of passage of the bill relative to their running for re-election unless they shall have served for 15 years.

Reinstating the statute authorizing the chief justice to assign circuit judges to districts other than their own.

Amending the service of summons law so that summons may be served on the vice president and cashier of a corporation, as well as upon their superiors.

Providing for levy of attachment or execution on personal property interest in estates of decedents.

Requiring courts to instruct juries in writing before argument by counsel. At present the juries are instructed after argument and not in writing unless requested.

From other sources bills are to be introduced providing for a non-partisan judiciary, and preventing the practice of law by persons not licensed.
