La Grande School Quintet Holds Gem Staters Down During First Half.

Lewiston, Ida., Jan. 30 (AP)—Lewiston State Normal school won a decisive victory over the Eastern Oregon Normal basketball team of La Grande, Ore., here last night, piling up a score of 44 to 27.

After taking a lead in the first few minutes of the game, the home-town boys were never headed, although in the first half the score was relatively close and the play was fast and hard. Half-time score was 15 to 10.

The high point man of the game was Frost, Lewiston forward, with 15. Baxter was high for the Oregon teachers with 11 points.

Lawrence and Biggar, both of Lewiston, scored 10 and 6 points respectively.

The Oregonians left today for Cheney, Wash., where they will meet the trainers from that college in a game tonight.

Seattle Eskimos Defeat Portland

PORTLAND, Ore., Jan. 30 (AP)—In a wild hockey game, featured by much roughness, the Seattle Eskimos went into first place with Vancouver by defeating the Portland Buckaroos, 2 to 0, here last night. Two penalties were called and three fights indulged in.

Seattle scored their two goals in the second period.

Butherford of the Eskimos and Gordon Teel of the Buckaroos, mixed in mid-air for about three minutes, both taking off their gloves and throwing their sticks away. Teel finally caught Butherford with a left hook, opening a cut on his lower lip. They were banished for 10 minutes.

Ex-Notre Dame Player To Coach Annapolis Team

ANNAPOLIS, Md., Jan. 30 (AP)—"Navy Bill" Ingram's shoes as head football coach at the United States naval academy are to be filled by Edgar E. "Rip" Miller, all-American tackle at Notre Dame in 1924, and Navy's line coach for the last five years. It has been learned at the academy.

Miller has been a member of the coaching staff of the academy since 1919 when Ingram first took over the reins. Naval academy authorities would neither confirm nor deny the appointment of Miller, but a high naval athletic official said yesterday that he had been agreed on. Formal announcement would not be made for several days, he said, however.

MT. GLEN, Jan. 30 (Special)—The Mt. Glen M. I. A. basketball team chalked up two victories this week, one of them by the narrow margin of one point.

Wednesday night the quintet was host to the Imbler M. I. A., winning 20 to 18. The following night Union M. I. A. journeyed to Mt. Glen and lost a see-saw contest to the Mt. Glen cagers 19 to 18.

Sharkey-Walker Fight Rumored

CHICAGO, Jan. 30 (AP)—Chicago stadium officials today were silent on current reports that they would attempt to match Jack Sharkey and Mickey Walker in June as a counter attraction to the New York Madison Square Garden's proposed Schmeling-Young Stribling fight at Soldier Field.

Walker always has been a big attraction in Chicago and the Chicago stadium officials admit their belief that he and Sharkey would provide a match able to attract customers away from the heavyweight championship fight.

Sarpolis Defeats Howard Cantonwine

VANCOUVER, B. C., Jan. 30 (AP)—Dr. Karl Sarpolis, Cleveland, took two out of three falls from Howard Cantonwine, Iowa grappler, in a feature mat bout here last night. The winning fall awarded to Sarpolis in fourth round of a scheduled eight round bout was unpopular with the crowd.

In the semi-final, Al Karasick, Russian brawler, and Stanley Pinto of New York wrestled five rounds to a draw each taking one fall. Jack McLaughlin, Vancouver, took a one fall victory from Ray Lyons, Portland, in the curtain raiser. The participants were all heavyweights.

Art Thurnblad New 3-Cushion Billiard King

CHICAGO, Jan. 30 (AP)—Arthur Thurnblad, of Chicago, who thought he could play billiards because he was a good geometry student, is the new three-cushion champion of the world.

The lanky Spade captured the title, worth between \$20,000 and \$30,000, by upsetting another Chicagon, Aljen Hall, 50 to 43 in 53 exciting innings last night in the final match of the 1931 championship tournament.

His victory was one of the most surprising triumphs since the days when the famous Willie Hoppe hunched up his short trousers and topped over the gray thatched masters of yesterday.

Shaky Beginning Thurnblad, a draughtsman by profession, played a consistently brilliant game against Hall as he did in brushing through to the finals.

Mr. and Mrs. D. Leo Hibberd and their two sons, Eugene and Keith, were dinner guests at the Nebeker home Sunday.

The highway between Mt. Glen and La Grande is exceptionally good for this time of year. Snow plows have kept the road open and are now leveling it. This is very much appreciated by all, but especially by the men going to La Grande to work each day.

A number of trucks are hauling logs from the Snyder Timber company to La Grande.

Vern Strong shot a coyote here that brought \$20 bounty. Albert Calkins also caught a smaller one that sold for \$5.

The Mt. Glen basketball squad won over the Second Ward team, the score being 30-13. They will play the Imbler and Union teams this week in the hall at Mt. Glen.

AMATEURS PLAYING

CHICAGO, Jan. 30 (AP)—Robert Harper, of Denver, the defending titleholder, held a 16-point lead over Dr. Andrew Harris of Chicago as their battle for the national amateur three-cushion billiard championship extended into the second of three 50-point blocks.

The champion opened defense of his title yesterday by winning the first block, 50 to 34 in 61 innings.

The third case of smallpox has been reported in this community. Mrs. P. P. Zaugg is the last victim although her case is a mild one.

The Boy Scouts basketball team played the Second Ward team in the community hall here recently, the score being 14-3 in favor of the local boys.

Mrs. Martin Berry was injured by a fall on the icy pavement in La Grande. She is under the doctor's care.

A telegram from Los Angeles announced that Andrew Rose died there Thursday. He was a resident of this community and also of La Grande.

Wool Report

BOSTON, Jan. 30 (AP)—The Commercial Bulletin will say tomorrow:

The market has continued moderately active this week both in worsted and woolen wools, with prices practically steady on the basis of last week's closing rates.

There seems to be a disposition on the part of buyers to await the opening of the new heavy-weight season and purchases in the meantime are for piecing-out orders for prompt delivery or for sampling purposes.

Foreign markets are a bit steadier following the shortening of the London sales to close February 5 by the withholding of 50,000 bales.

Mohair is dull and nominally unchanged.

The Commercial Bulletin will publish the following quotations:

Domestic, scoured basis: Oregon — fine and f. m. staple 65-67; fine and f. m. combing 60-63; fine and f. m. clothing 58-60; valley No. 1 57-59.

Mohair: Oregon — 38-40; domestic grading, first combing 50-52; good carding 34-36.

Upon an eastern basketball invasion with a Haskell Indian tenth I was coaching some 20 years ago I observed that these Indian boys derived much sport by appearing very naive.

At that time many of these Indian boys' parents in Oklahoma owned expensive motor cars. But they thoroughly enjoyed resigning an ignorance of motor-vehicles and then getting away to themselves and indulging in hearty "guffaws" at the expense of their more sophisticated eastern hosts.

These crafty Indian boys also enjoyed jokes on each other. For instance, the team had much sport jollying a mate because his father, having come into an oil inheritance and desiring to obtain the most elegant transportation possible, bought a very expensive motor hearse, put his entire family, including children and squaw, in the glass compartment and took them for a ride. The father did the driving.

"Pat" Page, Indiana's football mentor, who resigned recently, in 1904 pulled a novel play against the Kansas City Athletic club quintet. This was before "Pat's" entrance at the University of Chicago. He then was playing on the Lewis Institute team.

Tells of Queer Tricks Used By Basketball Men

This is the fourth of a series of basketball articles written by Forest C. (Pong) Allen, director of athletics at the University of Kansas. In it Allen, as he puts it, reports on "some queer antics of officials and players."

LAWRENCE, Kan. (AP)—As in football, a body of legend is growing up around play on the hardwood courts. These stories concerning curious officiating and queer antics of players here are springing up constantly. Here follows some which have originated this season and some of the best I have heard or witnessed during my years in the game.

George Cooper, coach of the Colorado Teachers at Greeley, was the victim of a queer officiating angle recently at Butte, Montana.

Apparently for no reason whatever the basketball czar banished one of Cooper's boys from this particular game.

Cooper asked the referee who his player had been disqualified.

"Because," was the reply, "I detected malice in his eyes."

Competent officials do not read the eyes or minds of players for malice or forethought.

"Pete Parsons, ex-Iowa varsity player, former Colorado coach and at present sports editor of the Denver Post, tells a good one on a Jewish boy from Brooklyn, New York. This boy was an adept at tripping.

The referee had called the third foul on him for tripping, with this admonition:

"Cut out that tripping. You can't do that another time."

"Oh, yes, I can," retorted the tripping player. "I can do it once more."

It takes four personal fouls to disqualify.

Like Mahoney, of Omaha, a clever player and a versatile official-batter, was playing in the sage brush country of Nebraska when a rather inexperienced and bluffing official shouted at Mahoney:

"On, you! Holding!"

With a sober face and friendly gesture Mahoney asked:

"Was that a personal or a technical foul?"

With great nonchalance the official replied:

"Oh, you weren't holding very tight, so we'll just call that a technical foul."

As the referee tossed the ball up between Page and a gigantic opponent, Page literally climbed his opponent's eyes were following the ball in its upward ascent.

Much quicker than it takes to tell it, Page literally climbed his opponent's thigh and the other in his abdomen and, on his one play, much to the surprise of the official, controlled the tip-off.

No foul was called.
