Angels Will Be In Running This Year On Coast

By Russell J. Neuland (Associated Press Sports Writer) SAN FRANCISCO, Feb. 9 (AP)—Los Angeles manager Jack Leivelt...

Leivelt says: "Winning the first half of the season last year did not convince Manager Leivelt he had the necessary club to repeat this year."

"Manager Leivelt did not stop at any one department in making his alterations for 1931, he started in with the pitching staff and went clear into the outfield in cutting off players who have been replaced with new ones."

The Angels' ace pitcher when the Cubs took Ed Baecht, big right hander who won 26 games, and a good infielder when Frank Signorino, second sacker, was drafted by Cincinnati.

Al Shealey, right hander, and Charley Moss, a southpaw, both of American association experience, already have been turned over in the hands of John Schulte, catcher, and Eddie Farrell, second baseman.

Schulte will do the bulk of the receiving to the contentment of old Turk Hannah, Coast league workhorse these many years. Hannah will coach and help the young pitchers. Farrell will contest for the second base position with Louis Baker, secured from the San Francisco Seals in a trade for Pitcher Art Delaney.

In addition to Schulte, either Grace or Campbell, a couple of other catchers owned by the Cubs, will become Angel property while two more pitchers and the outfielder are yet to be named in the Baecht transaction.

Manager Leivelt will open the season with seven starting pitchers, Win Ballo and Carroll Texes are hold-over regulars. Bill Peters, left hander, and Charles Mohrrief, young right hander from Fresno, are counted on for relief work.

With the only infield change at second base, Ray Jacobs will be back at first, Carl Dittmar at short and Fred Hanesy at third.

Arnold Bates will be the only regular outfielder back this season. Wes Schulmerich, center fielder, was sold to the Boston Braves for cash and outfielder Jimmy Walsh, formerly with Seattle. Manager Leivelt figures on Walsh as a regular and expects the Cubs to give him a slugger to fill the other position.

The United States finished sixth; Austria fifth; Poland fourth; Czechoslovakia fifth, and Sweden sixth.

Washington took the two games from Oregon State by scores of 39 to 30 and 28 to 26. Both contests were hard fought. Washington and Oregon State will do battle at Seattle Friday and Saturday. The latter took another game from Idaho, 51 to 21, last week.

Oregon Wins Again Things looked up for the University of Oregon for the first time this season last week when it defeated Idaho, 33 to 30 and 41 to 34 at Moscow. They were Oregon's first victories of the season and they lifted the Lemon-Yellow out of the cellar. Monday and Tuesday Oregon meets Washington State at Pullman. Oregon will play a side game with Gonzaga Wednesday at Spokane.

Oregon State's games during the week will be with Idaho at Corvallis Friday and Saturday. They may pull the Staters back into second place, depending of course, on what W. R. C. is able to do with Washington.

Down south, last week's games upset the standings considerably. By winning a pair of games from Tels...

CRAIG WOOD WINS TOURNEY WITH BIRDIE

HABLINGEN, Tex., Feb. 9 (AP)—Needing a birdie on the final hole to win, Craig Wood of Deal, N. J., clicked it off yesterday and finished a 36-hole tour in 136, taking \$1000 first money in Harlingen's \$3500 open golf tournament. His par 71 on the last 18 holes was added to a 66 in the first round Saturday.

Horton Smith of New York, whose 187 Wood had beat as he drove from the eighteenth tee, took second money of \$600. Al Espinosa's 141 gave him third money of \$400. Wood's finish brought cheers from a large gallery. He led Smith by four strokes when Saturday's round was over. Smith was three under par yesterday. A love drive from the 18th tee, a spoon shot which reached the edge of the green and a putt which almost dropped for an eagle, gave Wood a birdie four and first prize.

Spitz, 19, Sets Indoor Jumping Record Saturday

NEW YORK, Feb. 9 (AP)—A backyard jumping style has given George Spitz, 19 year old New York university freshman, the world's indoor high jump record, using a style he worked out for himself, jumping in the back yard of his home at Flushing, N. Y. Spitz jumped six feet seven inches at the Millrose games Saturday night to better the former indoor record by a quarter of an inch.

Spitz set a world's schoolboy record last spring when he cleared a foot 4 1/2 inches at an indoor meet since then he has added nearly three inches to his best height, and met of it through his own efforts. Coach Emil Von Eling of N. Y. U. never has tried to change the style that carried the youngster to fame when he was competing for Flushing High school. It is an odd combination of the old style scissors jump with a roll added at the top to carry him over at the greatest height.

In setting the new record, Spitz defeated Harold Osborn, veteran Olympic star who holds the outdoor record of six feet 8 1/2 inches and who had made the best previous indoor mark from a board takeoff, 6 feet 6 1/2. Another enemy of the Illinois A. C. national high jump champion, and Neil Nelson of Butler university, who set the old indoor mark from a dirt takeoff last year.

Other officers named were Dr. W. N. Jacobson, Bremerton, Wash., first vice president; L. Deal, Bellingham.

Wash. second vice president, and Earl Douglass, Everett, Wash., secretary-treasurer. Lewis G. Bates, Seattle, will serve with the officers on the executive committee.

LEL MOKIE, Cal., Feb. 9 (AP)—Polo ceased temporarily today out of respect for Marlin E. Olmstead, 34, prominent poloist and member of a wealthy New York family, who collapsed dead near the Del Monte polo field yesterday. Physicians said a heart attack caused his death.

Olmstead, the son of Mrs. Vance Oswald McCormick, Harrisburg, Pa., was preparing to exercise his polo penies when he slumped suddenly to the ground. Field attaches sought to aid him but he died before physicians arrived.

Sport Slants

By Alan J. Gould (Associated Press Sports Editor) Loyola of the South is just as well pleased that the University of California did not succeed in any attempt to lure Clark D. Shaughnessy away from his post as head football coach at the New Orleans institution.

It is no secret, however, that W. W. Menahan, California's graduate manager, thought very highly indeed of Shaughnessy's qualifications during the hunt for a successor to "Nibs" Price. There is reason to believe that some overtures actually were made to Shaughnessy before decision was reached to engage "May Bill" Ingram for the post at Berkeley.

Meanwhile, New Orleans and Loyola, around the banquet table, made it quite clear to Shaughnessy that they want him to stay there—indefinitely.

UNIFORM FLAVOR IN COFFEE DEPENDS UPON THE ROASTING

Hills Bros. Insure Uniformity by Their Patented, Continuous Process

Coffee experts agree that blend alone, regardless of quality, will not produce a perfect cup of coffee in the roasting of the blend lies the common method of roasting coffee in bulk falls short in developing flavor, because it is not possible to roast every berry evenly. Realizing this, Hills Bros., after years of experimenting, discovered and patented a continuous process of roasting coffee a little at a time.

Control is the watchword of this process. The quantity of coffee passing into the roaster does not vary. The speed of operation and temperature remain the same with the result that Hills Bros. Coffee is absolutely uniform. This process, fittingly called "Controlled Roasting," gives a flavor in the cup that no other coffee has.

Hills Bros. Coffee never "goes stale" because it is packed in vacuum cans. Ordinary cans, even if air-tight, do not keep coffee fresh because air, which destroys the flavor of coffee, is inside. By the vacuum process, air is taken out of the can and kept out. Hills Bros. Coffee is sold everywhere by grocers. Ask for it by name and look for the Arab—the trade-mark—on the can.

Oregon Staters Defeated in Two-Game Series in Seattle.

By taking two games from Oregon State college at Seattle last week, the University of Washington piled up a commanding lead in the northern division of the Pacific Coast conference and forced the Beavers down to third place. Washington State now holds second position. It is the only quarter that still has a chance of overtaking the leaders, and to do that it must win practically all remaining games.
