CARNERA BATTLE NOT POSTPONED

Fight to be held Mar. 5 as Scheduled Despite Cracked Rib.

By Alan Gould

MIAMI, Fla., Feb. 21 (AP)—Despite Primo Carnera's cracked rib and any other pains that may or may not exist in the area of the box office, Italy's gift to the heavyweight winter carnival will meet Jimmy Maloney, of Boston, at the Madison Square Garden stadium here March 5—as scheduled.

The Miami boxing commission late last night decided against any postponement of the Carnera-Maloney show, supported by the request of Promoter Frank J. Bruen, after hearing conflicting reports about the big Italian's condition from four physicians, studying X-ray protographs and listening to a debate between the managers of the two principals.

Arrangements went forward under the direction of "Pa" Stribling for the first of the two winter fistic shows, featuring Mickey Walker and Johnny Risko, next Tuesday night.

Max Schmeling was expected in Miami today to help the bailyhoo for the Risko-Walker bout. The German and Stribling are scheduled to box exhibitions on next Tuesday's card.

OVERTURNS DOPE

NEW YORK, Feb. 21 (AP) — Kid Francis, another of those well-known under-dogs, has overturned the dope in Madison Square Garden where short-enders in the betting have won with monotonous regularity in recent months.

The rugged little Italian, held on the short end of 8 to 5 odds, showed the utmost contempt for expert opinion by belting Eddie Shea, clouting Chicago featherweight, all over the ring last night and winning the unanimous decision of the referee and two judges.

Shea, returning to New York after an absence of six years and in the role of foremost contender for Bat Battalino's 126-pound crown, never could fathom Francis' unceasing attack, won only three of the rounds, reeled under the Kid's body attack in the eighth and tenth rounds and was completely exhausted by the time the final gong sounded.

YOUNG FIRPO WINS

BOZEMAN, Mont., Feb. 21 (AP) — Young Firpo, 179, of Spokane, Wash., defeated Eddie Shelton, 183, of Great Falls in the ten round main event of a boxing card last night.

The battle was rough throughout. Firpo was given five rounds, with three even.

CORBETT BEATS WALKER

SAN FRANCISCO, Feb. 21 (AP) — Young Corbett, Fresno welterweight southpaw, came through with a victory in the first defense of his recently acquired state welterweight championship last night, by punching his way to a ten round decision over Paulie Walker, Trenton, N. J.

The tight marked Corbett's return to the ring after a month's layoff due to illness, and disclosed him as a new type of fighter. Instead of laying back and winning by superior counter punching, Walker's cautious style forced the Fresnan to force the fighting.

SUB-DISTRICT TOURNEY TO BE HERE NEXT WEEK

(Continued from Page One)

Each team will be allowed eight men in the La Grande tournament, the same number that is allowed at the district and state tournaments.

Drawings for the La Grande tournament will take place at L. M. S. at 8 o'clock Monday evening, with a disinterested committee conducting the drawing. All who are interested are urged to attend.

WALLOWA STRONG

WALLOWA, Ore., Feb. 20 — With the victory over Baker Saturday night, the Wallowa High school basketball quintet has a victory over every team in the three counties they have met. They have won eight victories and met with their defeats but they have beaten every team in the district. Joseph, North Powder, Union and the Baker Bulldogs have handed them defeats but in each instance they have retaliated by a leg of victory over their opponents. Joseph alone was able to defeat them on the local floor but they defeated Joseph in the Joseph gym, which is considered quite a feat for any visiting team.

Cougar chances in the tournament should be good if the boys get themselves in the right condition, avoid those things which harden an athlete's eye and wind, and play the kind of basketball which they have displayed on recent occasions.

Whitman Noses Out Willamette By Three Points

SALEM, Ore., Feb. 21 (AP)—Whitman college defeated Willamette, 38 to 35, in the first of their crucial two-game basketball series here last night. Willamette got off to a good start, running up a score of 8 to 1 and maintained a lead of several points through half of the first period. The visitors finally found the basket and soon forged into the lead and at the half the score was 19 to 14 in their favor.

In the second half, Willamette quickly climbed to within three points of the leaders. Then Mantell, Whitman forward, and Mills, sub center, got busy and soon put the Missionaries ten points ahead.

With only two minutes of play, Willamette again rallied to move within three points of their opponents. Carpenter, Whitman guard, scored a basket just as the whistle sounded, and the basket was disallowed.

Adams, Willamette, with 14, was high-point man. Mantell for Whitman was runner-up with 13. The teams play here again tonight.

Salem High defeated the Chemawa quintet, 38 to 21, in a fast game played as a preliminary to the big game.

Stanford Mermen Defeat Oregon U.

PALO ALTO, Cal., Feb. 21 (AP) — Stanford swimmers defeated University of Oregon 54 to 30 here yesterday in a meet in which three Pacific coast intercollegiate records were smashed and another equalled.

Fletcher of Oregon set a new breast stroke mark of 2 minutes 40 4-5 seconds at the 220-yard distance, while Clapp of Stanford negotiated the 440-yard free style in 5:09¼. Both, of Stanford, accounted for the third record when he made the 100-yard backstroke distance in 1 minute 6 seconds.

Gardner, Cardinal sprinter, equaled the best previous time in the 50-yard free style by covering the distance in 24¾ seconds.

LUCK ASSISTS HELEN HICKS TO WIN TITLE

PALM BEACH, Fla., Feb. 21 (AP)—Helen Hicks of Idlewild, N. Y., today wore the crown of the Florida women's golf championship because her ball, lying as a cup-lip stymie, was knocked into the hole by Virginia van Wie, of Chicago, after the New Yorker appeared to have lost the extra hole final match.

The finalists went to the 19th tee after halving all but two of 18 holes, 12 of them in succession. Virginia chose to play the stymie in an effort to win with a five instead of taking a safe half in six.

Her ball struck that of Miss Hicks, knocked it into the cup for an automatic five and caromed off to the side.

Union County's Quota For Camp This Year Is 10

VANCOUVER BARRACKS, Wash. (Special)—Union county's quota of students for the citizen's military training camp at Vancouver Barracks this summer has been set at 10 youths between the ages of 17 and 24.

Overholtzer, Harry M. Pennington, Gerald O. Rockwell, Lucie E. Shirley and Daniel M. Sullivan, all of La Grande, and Jack D. Moffett of Imbler. Muir Due Here Tuesday; Will Have Workout

The main eventers for the wrestling card to be staged in Rex hall Wednesday night—possibly the last wrestling match this city will see this season—are to arrive here Tuesday and Wednesday, it was announced by Ray McCarroll, promoter, today.

Bon Muir, 205-pound Australian heavyweight champion, is due here Tuesday and plans to work out with McCarroll Tuesday night with the public invited. Hansen, who wrestles in Spokane Tuesday, will be here Wednesday afternoon.

The ring is being erected at the Rex and also bleachers are being erected around the ring, and all will be in readiness a day or so before the match.

Muir lost to Hansen here in their first meeting in La Grande about a month ago, although he had the upper hand until the older man saw an opportunity for a body slam.

The match Wednesday night will be conducted under the present boxing and wrestling ordinance although it will be repealed in all probability the same night at the city commission meeting.

By Mrs. A. G. Conklin
(Observer Correspondent)

COVE, Ore. (Special)—Cove High school's basketball team closed its pre-tournament season last night at Joseph, performing the difficult feat of winning from the Wallowa county team on its own floor. The final score was Cove 18, Joseph 17.

Joseph scored the first basket of the game but at the end of the first period Cove held a 10 to 2 lead. At half time Cove, although held scoreless in the second quarter, still held a 10 to 5 lead. In the last half Joseph came on with a rush but fell short of victory.

This gives Cove eight out of 12 high school games, also a victory over the Baker Y team.

Cove's lineup last night was: Paige (3), Weimer (7), forwards; Richards (6), center; Smith (2), Anderson, guards.

Prof. Johnson Gives Talk At Imbler Monday

By Mrs. Ray Wilson
(Observer Correspondent)

IMBLER (Special)—The illustrated lecture given at the high school by Prof. Harry Johnson Monday evening, drew a large crowd. The subject was "Majestic Oregon" and the views were exceptionally fine. Professor Johnson told Indian legends concerning many of Oregon's scenic wonders and explained them geologically. This was the second in a series and as the interest of the public seems to be increasing it will probably be necessary to seek larger quarters as the English room was taxed to capacity.

Professor Swearingen was a dinner guest of Mr. and Mrs. C. C. Welch last Sunday.

Jack Loyd is back in school after a long absence due to illness.

Valentine day was celebrated in a rather unique way in the 7th and 8th grade room this year. Instead of the usual Valentine box party these two grades took an objective test in United States history. The test covered all of the 7th grade work for this year and as the 8th grade has not reviewed this material for this year they were at quite a disadvantage because the 7th grade has just completed the work. The resulting grades also proved this to be true as some of the 8th graders received low grades while the 7th grade as a whole received high scores, many of them earning grades of 98 and 100. The 7th grade will now start work on the first part of the 8th grade work for next year.

An attempt was made to rob the Imbler Cash store Monday night. The molding was removed around the glass of the back door. Evidently the robbers became frightened and decided to leave this job as "unfinished business."

Mrs. William Ledbetter returned to her home from the Grande Ronde hospital on Tuesday.

Miss Bond, local teacher, spent Sunday in Haines.

Spring must be here, at least the croquet players seem to think so, for they were out Thursday having a great time.

Miss Andrew, primary teacher, spent the weekend at the home of Mr. and Mrs. Overton Scott at Fairview, Oregon.

There was a large turnout Tuesday evening for the M. I. A. play, "The Song of Solomon." The characters were well taken by: Mrs. L. B. Billings, Mrs. Sykes; William Westenskow, Mr. Sykes; Mrs. William Westenskow, Mrs. Smithers; Mrs. Conner Westenskow, Mrs. Bomberger; Ernest Erchieson, Rev. Ketna.

The Misses Lucy, Margarette and Pearl McClune and Elva and Pearl Boswell were visitors in Imbler Tuesday.

Professor Swearingen prepared refreshments for the last daily meeting. They left the room for a few minutes and upon their return found that someone had stolen the "eats." Mr. Swearingen says he wants it understood that he furnishes refreshments for dairy meetings only and not the public at large.

The Church of God will have Sunday school at 10 a. m., prayer meeting at 11 a. m. and preaching service at 7:30 p. m. Evangelist C. C. Crist, of Idaho, will preach there Saturday evening, Feb. 21 at 7:30 p. m. J. S. Loyd is superintendent. He says in all of these meetings they will use the words of the Book, "Whosoever Will May Come."

The basketball game between North Powder and Imbler completing Imbler's season with another victory for the Imbler grades, the score being 17-13. The game was much slower than the one played between these teams at North Powder last Friday. That game ended 22-8 also in favor of Imbler. The Imbler players in the game here Tuesday were: forwards, Lyle Cromer and Charles McCoy; center, Hardey Coe; guards, Lyle Coe and Elmer Perry. Now and then Imbler showed some of the flashy floor work as well as tricky passing that was the predominating feature of the game at North Powder, but on the whole the game was fairly slow, due mostly to the close checking on the part of both teams. High point man on the Imbler team was Charles McCoy with 7 points. Lyle Cromer was a close second with 5. Hardey Coe and Elmer Perry both had one field goal to their credit. At North Powder Hardey Coe was high point man with 9. The games played by the Imbler grades this season along with the scores of each team follow: Imbler at Summerville, 36-2; vs. high school freshmen, 30-9; vs. freshmen, 19-9. Elgin at Imbler, 39-4. Union at Imbler, 14-7. Imbler at Cove, 20-5. Imbler at Cove, 13-10. Imbler at Union, 20-8. Imbler at North Powder, 22-8. North Powder at Imbler, 17-13. The Imbler team is on the long end of all these scores, having won six victories in all of the 12 games played this season.

Katherine Pullins, pianist of B. & C. Book club, fired harmonies in the harmonica band and rubbing rather of the girls' grade basketball team, his mates to Idaho. The room feels the loss very much. Bernice Fowler succeeds Katherine as president of the book club.

A Valentine party was given last Friday in the 5th and 6th grade room. Refreshments were served, games were played and a Valentine box was enjoyed by all. The room was divided into various committees which completely planned and gave the party. It was unanimously declared a success. A series of slides upon Lewis Pasteur were enjoyed by the pupils of these grades. A plan for a regular visual instruction period is being made.

Sport Slants

By Alan J. Gould
(Associated Press Sports Editor)

It took Jack Dempsey quite a while to convince New York's right population that he is a fine referee.

Now it wouldn't be surprising to see old Johnnie take over the position Leo Magnolia, the tall dramatic Italian, held for years in the rings of the metropolis. There was a lengthy period when no championship match or duel of leading contenders was accepted as quite the last word unless Magnolia called the boys together and limned the instructions. But Leo went down to Florida to referee Jack Sharkey's bout with Young Stribling and he hasn't been back.

Dempsey, referreing for stuff fans in the smaller centers, wanted to break into New York. The Madison Square Garden promoters wanted him. The commission welcomed him.

But the fistic fates were all upon the big fellow. He started with one of the silliest travesties that has ever been staged in the Garden. Otto Von Porat tapped Phillip Scott on the jaw and the Englishman swooned, claiming foul. The blow was low.

When Phil refused to get up Jack could do nothing but give him the right.

Dempsey's second effort was another farce. Tom Heeney was in there with Mike Baer, the handsome but dumb youngster from California. In the third round Mike shoved Tom from the ring. It was a ticklish situation and there were half a dozen possible rulings.

Baer could have been disqualified for pushing Heeney from the ring. Tom could have been disqualified for taking a count without being hit. The New Zealander was helped back into the ring by his seconds. Another violation of the rules. It was a fine muddle. And to make it worse the knockdown timekeeper jumbled the count.

Last week Dempsey went down to the commission unannounced and asked for a comeback. Other officials had been assigned to work that night.

"Let me go in," Dempsey asked, "and give my check to the fellows who were supposed to work."

Dempsey did a splendid job. He went through the ten round semi-final grovling at a couple of mediocre heavies, slapping their backs until they were red and welted, hauling them apart rudely in clinches, getting more fight out of them than seemed possible.

He was even better in the main go between Tommy Loughran and Baer. He moved around the ring fast, made the boys break at his word, and kept things going at top speed.

But for those who still believe Dempsey can come back it was rather a sad sight.

At the end of the twenty rounds of the two bouts, Jack was exhausted. Perspiration soaked him. His legs trembled and seemed about to cave in.

Refereeing is different from fighting, to be sure, but the legs didn't seem to be there any more. If Dempsey does come back he'll have to make it short and snappy.
