Neighborhood Club Sponsors Program On State Highways

For the past two years the Oregon trail committee of the Neighborhood club has been working on a program of highway beautification and preservation of the natural scenery along the routes of travel. Therefore, the meeting Tuesday afternoon at 2 o'clock at the La Grande ball room, is of special interest since Ray Conway, manager of the State Automobile Association, will be in La Grande to discuss some phase of the work.

The program will be attractive to residents throughout the county, and invitations have been sent out to women's civic clubs throughout the county and all individuals, whether members of these clubs, are urged. Guests from Baker, Pendleton, Walla Walla and various towns in Union county are expected.

The Neighborhood club finds the work doubly interesting since the tourist season is beginning and they have co-operated with various organizations throughout the state in beautifying Oregon's natural scenery, and making the state a draw for tourists for the year. Last year they assisted financially in making a survey of Oregon highways and roads.

Miss Helen Williams will play two piano selections, "Home by Mouse-sourki" and "The Little Shepherd," by DuBusay, Mrs. Harold Bohnenkamp will sing "The Open Road," by George Ross, and "To a Hilltop" by Cox. Mrs. A. L. Richardson will present two vocal numbers, "Trees," by Rasbach, and "Dream Fancy" by Marshall.
