WOOL MARKET	
BOSTON, Mar. 11 (AP) — Some houses are receiving a large number of calls for 64's and finer and 58-60's territory wools while others are experiencing a very slow demand for these wools. Asking prices are quite firm on 60's and finer qualities and steady on 58-60's. Scattered sales are being closed on 58's territory wools at firm prices in range of 40-55c secured basis for strictly combing staple. Lower grades in territory lines are slow.	

NO SECRET	
There is no secret about the cost of our service. It is fixed by the same principles which govern the charges of any reputable commercial organization. Our patrons select the merchandise they desire. Butter and Eggs Steady; Poultry Demand Is Good

PORTLAND, March 11 (AP) — Wholesale butter and egg quotations remained unchanged today. Butter trade was active, demand strong for top grades and receipts about equal to demand. Egg market opened unsettled, receipts liberal and trading irregular due to price shading and direct sales from producers. Dealers in country dressed meats and poultry were flooded with veal offerings and quotations were depressed another half cent to range from 13-13 1/2 cents a pound to producer. Other dressed meats were steady. Poultry demand was good with supplies moving promptly. Heavy hens were quoted up cent at 15 while mediums and lights were firm at former extreme tops of 15 and 13 cents respectively. Conditions in the fresh fruit and vegetable trade were reported by government market news service as follows: Willamette Valley hothouse cucumbers are again available in moderate volume, after several months absence from the market. Hothouse lettuce prices were firmer at California yesterday, with shipments considerably lighter. Portland's cheap left-over stock was mostly cleaned up yesterday at \$2.50-2.75, and good fresh stocks are moving to retailers at \$3-3.25 per crate of 48 and 58. First Florida new potatoes sold to retailers yesterday at \$10.00-12.00 per cwt. First carlot arrival was divided between Portland and Puget Sound points.

Butler Sees Wet Issue Prominent

PASADENA, Cal., March 11 (AP) — Prohibition "will be all important issue in the 1932 presidential election, in the opinion of Dr. Nicholas Butler, president of Columbia University. "I for one will bring up the issue in the Republican party," he said. "And there will be many others with me. The 18th amendment must be repealed and the police powder returned to the states." Dr. Butler, who is here on a short vacation, will address the University of California student body at Berkeley March 22 and plans to return to New York in
