WHAT MAKES PEOPLE MOODY?

Did you know that our health and our moods are closely related to intestinal cleanliness?

When the system is clogged by constipation, poisons are generated. Often these bring on headaches and listlessness. You feel blue, or become irritable.

The poisons of constipation frequently aggravate nervous troubles, rheumatism, high blood-pressure and heart trouble. Yet constipation can be overcome by eating a delicious cereal: Kellogg's ALL-BRAN. Two tablespoonsful daily are guaranteed to relieve both temporary and recurring constipation.

Try it with milk or cream. Use in cooking too. Recipes on the red-and-green package. ALL-BRAN also supplies iron for the blood. At all grocers. Made by Kellogg in Battle Creek.

LONE MAN GUARDS NEW EL DORADO

CANBERRA (AP) — A Central Australian gold exploration company, which has already financed two airplane expeditions into the waterless heart of Australia, is reported to have discovered a real El Dorado. At the reputed goldfield, in country where even hardy lizards and needle grass find it hard to survive, squats H. B. Lasseter. He is on guard so that claim-jumpers may not seize the reef before the company's geologists and engineers arrive.

Nobody outside the company knows where the field is located, but prospectors with camel trains have concentrated at Alice Springs, a little sun-baked town on the edge of "the big never-never."

They play to rush the field if information leaks out. Special troops are watching them.
