## THE NEGLECTED DEBUTANTE

THE society columns referred to her as "one of last season's buds." Other girls her age married and set up homes. While she was left to face the future alone. Yet if she had only known in time...

Too often, really charming girls allow poisons of constipation to take the bloom from their cheeks, to bring the pimples and wrinkles that age complexions.

Constipation is so much more prevalent among women, so much more difficult for them. What a pity when prevention is so easy. Simply eat a delicious cereal.

Two tablespoonsful of Kellogg's ALL-BRAN, eaten daily, are guaranteed to prevent and relieve both temporary and

recurring constipation. In severe cases, use with each meal. Kellogg's ALL-BRAN sweeps the intestines clean of all poisonous wastes. How much better than taking habit-forming pills and drugs.

Serve Kellogg's ALL-BRAN with milk or cream; fruits or honey added. Use for making fluffy bran muffins, breads, omelets, etc. Look for the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.
