# USED TRUCKS!

**MR. EX-SERVICE MAN**--At these times a man must specialize in his work to get ahead. If you want to increase your earnings--get a truck. A man with a truck not only earns more money, but doubles his opportunities of getting work. There is always a demand for men with trucks. That has been proven conclusively this winter with the State Highway Dep't. Men who had trucks were hired at good wages, men who didn't have them worked three days a week. Come in and see our late model used trucks and *buy with safety.*

**MR. WAGE EARNER**--To you, as to the Ex-Service Man, we cite the advantages of a man who owns a truck over the man who has to work with only his hands. A truck Doubles a man's opportunities and more than doubles his earning capacity. If you have a passenger car --trade it in on a truck. Now is the time to get into this type work. And when you buy -- *Buy here with safety.*

**MR. FARMER**--Trade in your passenger car for a truck! A passenger car costs money to run and it returns you but pleasure and convenience; whereas a truck earns money for you--it pays for itself. Service your farm with a good truck--drive the truck into town, it costs but little more than your passenger car to operate. If you have an old worn out truck--trade it in on a good dependable used truck. It doesn't pay to repair old obsolete equipment when you can get practically new equipment at such low costs. Come in and ask us about our trucks that are sold *with our OK Tag that Counts.*

**MR. TRUCK OWNER**--Some of your equipment is old and worn out. Trade it in! Read over the bargains listed below--does it pay you to continually have your old trucks in the shop for repairs? Remember, in your business, a lay off on a truck costs you money, not only for repairs, but for time lost. We have late model fours and sixes--come in and see them, drive them and convince yourself of the extra value. *Buy With Safety.*

<p><b>1929 FORD MODEL "A" TRUCK</b></p> <p>This truck is OK in all respects. Heavy Duty tires, completely reconditioned motor, excellent cab and a \$60 grain bed. An ideal truck for the farm.
