Missions Win in Fourth
At Emeryville the Missions had a big moment in the fourth inning when they got their three runs, thereby defeating Oakland 3 to 2. The batteries: Kinney, Walsh and Brenzel for the Missions; Adolphs, Turbs and Read, Pool for Oakland.

EMPIRE TOO GOOD
ASHEVILLE, N. C., Apr. 10 (AP)—One fan down here doesn't think much of Brick Owens who is umpiring games for the New York Yankees on the spring training team.
"That fellow takes all the fun out of the game," said the man, referring to Owens. "He's so good you can't make fun of him, or cuss at him, or throw anything at him."

Senior League Teams Fail To Match American

NEW YORK, Apr. 10 (AP)—Someone with an analytical bent will please forward and explain the comparatively weak showing National league clubs have made up to the current writing in the spring exhibition circuit.

For, with the complete return almost in the senior organization has failed to compile anything like the winning record credited to teams of the American league. This despite the fact that the National, as a whole, was supposed to be more strongly balanced from top to bottom.

Not only did the American take a commanding lead over its rival circuit in the interleague argument during the past week, but it has posted a far more impressive record against all competition since the exhibition grind began.

St. Louis Exception
Without any help from the champion Philadelphia Athletics, the American league has bested the National in 27 out of 49 direct engagements. Only one National league team, St. Louis, has done better than break even.

Even more impressive, perhaps, is the fact that the American league, in all games, has turned in 103 victories to 59 defeats, while the National barely has shown a profit, winning 84 and dropping 79. Four National leaguers haven't been able to reach a 500 average, even while playing in the outlying districts.

White Sox "Hot"
Donnie Bush's Chicago White Sox supplied the fanfare for the past week, winning six out of their seven engagements, including three straight over the Giants to square their extended feud at six victories apiece.

The Yankees, with five wins out of six starts; the St. Louis Browns, with four out of five, and Washington, with four wins, one loss and a tie.

Youthful Tennis Stars Selected To Play Mexico

By Herbert W. Barker
NEW YORK, Apr. 10 (AP)—The United States Lawn Tennis association has turned to the rising generation in its campaign to regain the Davis Cup, held since 1927 by France's musketeers of the racquet.

Twenty-year-old Francis X. Shields of New York, and 19-year-old Sidney B. Wood, of the University of Arizona, definitely have been selected to represent this country in the first round cup tie with Mexico and also for the second round series with Canada, granting that Mexico is defeated.

Against Mexico, the two youngsters will have the aid of the youthful "veteran," Wilmer Allison, of Austin, Texas, a member of several recent American Davis Cup teams. Their companions in the battle with Canada will be selected later.

Play Begins May 1
The Mexican series will be played at Mexico City May 1, 3 and 5, with two single matches the first day, the doubles on the 3rd and the final two singles matches on May 5. If victorious, the Americans then will move to Montreal to meet Canada May 21, 23 and 25.

Neither Shields nor Wood has played Davis Cup tennis but both played brilliantly in American tournaments last summer. Shields is ranked nationally at No. 2, just behind the national champion, John Doe, recently defeated both Jean Borotra and Christian Boutsin in the indoor international team matches against France. Wood, who is ranked No. 4, just behind the 26-year-old Allison, already has gained recognition as one of the foremost strategists in the game.

Allison's one great Davis Cup triumph was scored in the challenge round with France in 1929 when he and John Van Ryn of Philadelphia, defeated the crack French double combination of Henri Cochet and Jean Borotra.

J. B. Adoue Jr. will be non-playing captain of the team for the Davis Cup series in Montreal. He will pilot the squad at Montreal.

NOTRE DAME'S GRID PRACTICE IS RESUMED

SOUTH BEND, Ind., Apr. 10 (AP)—Heartly "Hunk" Anderson and Jack Chevigney today took up Notre Dame football affairs where Knute Rockne left off last week.

It had been suggested that spring football practice be dropped, but Mrs. Rockne and school officials decided the dead leader would have wanted it to be resumed and a call was issued for candidates to report today. The drills will continue until the end of this month, and will be voluntary.

The problem of selecting a successor to Rockne is still being pondered by officials of the University and an announcement by the Rev. Fr. Michael M. Mulcaire, C. S. C., chairman of the athletic board of control, is expected next week.

Donovan Defeated By Freddy Myers

VANCOUVER, B. C., Apr. 10 (AP)—Freddy (Doc) Myers, Chicago, using a Boston crab, forced "Wild Bill" Donovan, San Francisco, to concede the dead leader would have wanted it to be resumed and a call was issued for candidates to report today. The drills will continue until the end of this month, and will be voluntary.

In the first half of the double bill Howard Cantonwine, Iowa, took two falls out of three to defeat Tom Grant, Spokane.

Cantonwine tipped the scales at 215 pounds and Grant 205.

NOME, Alaska, Apr. 10 (AP)—A dog team pace of nearly 10 miles an hour over 28 miles of Alaskan trails enabled Al Carey, Nome, to win the Nome-Golovin race, a classic event of the All-Alaska championship series.

Carey, winner of the race last year, finished the long two-day grind yesterday in 16 hours, 26 minutes, 42 seconds. The contestants had remained overnight at Golovin.

Seven drivers took part, with David Henry finishing in second place 34 minutes behind Carey. Carey led the pack into Golovin, covering the first day's lap in seven hours, 41 minutes, 36 seconds.

This Game Of Golf

THIS GAME OF sports Bobby Jones, being in the movies, and on the air, and out of competitive golf forever, has evolved an idea to which he intends to devote the remainder of his public golfing career—which, necessarily, must be restricted to exhibition matches in the interests of Sweet Charity.

"I intend to play exhibition matches for charity," said Bobby, "whenever and wherever the opportunity offers, with this stipulation I'm going to ask for 25 per cent of the receipts to go to a charity trust fund in Atlanta, Ga., the remainder to go to the local charity putting on the match."

TO DIRECT FUND
"This trust fund is to be held under my direction, so far as disbursements of the principal or interest are concerned, and I hope that in a few years it may accumulate to an amount that is worth while—it's not going to be doled out piecemeal."

"Now that I am out of the competitive phase of the game, I want to feel that I'm doing something for my home town and my home state with the game which I have loved all my life. Of course I cannot go ahead and make up any schedule calling for regular appearances—not a tour or anything like that. But I intend to play whenever people want me to, and it can be done."

It was on this basis that Bobby played late in March at Aprun Caliente with Leo Diegel against George Von Elm and Morrie Dutra. A match also is planned in Portland, Oregon, and a couple in the Los Angeles district before Bobby is finished with his movies series.

TOURNAMENT FOR JONES
William Wrigley, owner of the Chicago Cubs, who has been putting on a high priced professional, or open, golf tournament in the winter at Catalina Island, has become impressed with the importance of more and better amateur competitions, and this spring, about the middle of April, he announces the first Bobby Jones amateur invitation tournament.

It was a suggestion, I believe, of Darsie L. Darsie, Los Angeles golf writer, and will supplant the open event of former seasons.

The trophy for the first tournament, at which Bobby himself will be a spectator, will be a cup; for future tournaments it will be a handsome silver statue, twenty inches tall of the retired champion at the finish of a driving stroke.

UNION PERSONALS

By Mrs. L. Z. Terrall (Observer Correspondent)
UNION, Ore. (Special)—Mrs. J. H. Blinn, who teaches at Roosevelt, Wash., was brought to Hot Lake last Friday for treatment. She has been very ill but is improving and hopes to be able to resume her work the first of the next week. Her husband who teaches in the La Grande high school accompanied her to Union on Wednesday where she has been under the care of her sister, Mrs. Nora Webb, since then.

Henry Caldwell is assuming the responsibility of farm duties at the ranch on Catherine Creek, owned by his father, C. L. Caldwell, this summer. He is caring for the stock and milking nine cows at present and expects to have a dairy herd of 17 during the summer. Until the house is furnished for housekeeping, he will drive back and forth to his work. Later on his aunt, Alice Caldwell, hopes to help him solve the batching problem.

Mrs. Louise Lathrop, of Catherine Creek, was a house guest of Mrs. Nora Webb in Union last week. One day they drove to the Julius Fisher home near Cove for a visit.

The Needle club, under the direction of Mrs. Cecil Griegs at Union, is beginning its third problem and expects to finish up their course of work by the time school closes. All work by the girls, eight in number, are making plans for "Achievement day" which will consist of a tea for the mothers and others interested in the work. As a sample of their cookery they will serve cookies.

J. I. Sturgill, who lives on a small tract in North Union, continues very ill and the doctor has been called from Hot Lake several times this week to see him. Mr. and Mrs. Walter Stingham, who have been making frequent trips from Elgin during the serious illness of her father and since the death of her brother Frank, came over Wednesday night to remain for awhile. Mrs. Lela Sturgill and family returned to Portland Tuesday.

Troubles have certainly not come singly in the Sturgill family the past few months. Two sisters of Mrs.

Sturgill are quite ill. Mrs. Elliot has been at Hot Lake for many weeks and another sister, Mrs. John Clark, has been quite ill at her home in Union for a couple of weeks. Mr. Clark was called to Portland on Friday to look after some business matters.

Mrs. C. E. Lawson entertained at a delightful bridge-luncheon at her home on the Cove-Union highway Thursday. Four tables of bridge were arranged. The long table that was set for 17 guests was given a note of spring with its bouquets of daffodils. The meal was attractive as well as delicious and the guests were quite uncomfortable by the time they had disposed of all the good things. Four tables of bridge were arranged for the afternoon and prizes were awarded. Mrs. G. A. Selbird, Mrs. Merton Davis, Mrs. F. N. Fox and Mrs. G. F. Hall. Perhaps these are not in the order of firsts and consolations but the prizes were all most acceptable.

Oklahoma City Puts In Blinn for Mayor
OKLAHOMA CITY, Apr. 10 (AP)—Re-electing Ratin' Jack Walton, Oklahoma City voters have placed the reins of city government in the hands of quiet-spoken C. J. Blinn, for the next four years.

Blinn, an attorney, has promised a house cleaning at the city hall and takes into office with him a complete ticket of anti-administration councilmen.

The former governor, impeached and ousted in 1923, was decisively beaten, a record ballot of 41,682 votes giving Blinn 28,376 to his 18,307. Walton twelve years ago this month won the office which was denied him Wednesday. By a coincidence, William Hale Thompson was elected mayor of Chicago at the same time and Wednesday also was defeated.

The defeated candidate is under federal indictment for alleged mail fraud in connection with an oil stock selling project.

Blinn, when his victory was assured, telegraphed his congratulations to Anto J. Cernak, mayor-elect of Chicago, who defeated Thompson. "Congratulations on our joint victory," the message said. "Walton goes down with Thompson."
