TRAIL OF RUINED INDOOR MARKS LEADS FOUR MIDWEST STARS TO DRAKE RELAYS

Le Sentman and Verne McDermott, Illinois hurdling and pole-vaulting pair, and Hugh Rhea, Nebraska shot-putter, are three of the stand-out performers entered in the Drake relays at Des Moines, Ia., April 24 and 25.

DES MOINES, Ia., April 23 (AP)—A litter of broken records strewn along the trails of four track and field stars during the indoor season foreshadows possibly more destruction when they and several hundred others gather for the Drake relays here April 24 and 25.

Lee Sentman and Verne McDermott, Illinois' hurdling and pole-vaulting pair; Harold Manning, Wichita college's great little two-miler, and Hughie Rhea, burly Nebraska shot putter, are the most logical choices to contribute record-breaking performances.

This year's relay meet, the 22nd annual revival of the fleet-foot festival established by Maj. John L. Griffith before he became commissioner of the Big Ten, involves more than ordinary interest.

It will bring together many of the collegians who are already aiming at places on the 1932 American Olympic team, and who figure that every performance in this spring's major meets will have an important bearing on their chances for the trip to Los Angeles next summer.

Sentman, who is gradually gaining recognition as one of the finest high hurdlers the United States has produced, faces a real job in trying to crack the 14.8 mark made by Bob Simpson of Missouri in 1917 over the 120-yard route of high sticks.

This mark, oldest on the Drake relays record book, was tied by Guthrie of Ohio State in 1925 and by Dye of Southern California in 1926. The Illini ace has blazed a brilliant trail indoors this spring setting new world's records over the high hurdles at 50, 60 and 75 yards.

McDermott is in just as tough a spot, apparently, with the Drake record, owned by Tommy Warne of Northwestern, reading 13 feet 11 inches. McDermott has topped Warne this spring and has vaulted sensationally, setting a mark of 13 feet 9¼ inches in the Big Ten indoor title meet.

Warne, though seriously handicapped by a foot injury, has been soaring over 13 feet consistently.

Manning and Rhea have but to come close to some of their own past performances to earn new records. The Wichita running machine unreeled two miles in 9:18.1 last spring in the N. C. A. A. meet for the second fastest collegiate two miles on record, Tel Berna of Cornell having done it in 9:17.8, 18 years earlier.

The Drake standard is 9:26.2, set by Orval Martin of Purdue last year. Manning has a 9:15.8 indoor two-mile to his credit, also.

Rhea has jumped rather suddenly into the 50-foot class of shot-putters this year, being only three-quarters inch short of that mark in the Illinois relays indoors, making 51 feet 2½ inches in the Texas relays, and 50 feet 11 inches at Rice.

The Drake record is 49 feet 1½ inches, held by Rhea's old rival, Jim Bausch of Kansas, now out of college competition.

LEADERS GETTING GOOD PITCHING

Cardinals, Braves and Yankees Holding Down Opponent Rallies.

By Gaylor Talbot Jr.
(Associated Press Sports Writer)

There still is nothing that quite takes the place of old fashioned, air-tight pitching when it comes to winning ball games. And it takes no more than a cursory examination of the records up to now to discover why the St. Louis Cardinals and Boston Braves are setting the National league back on its heels, nor why the New York Yankees are doing likewise in the junior circuit.

They have been getting some swell pitching. In seven games the Cards' great mound staff has allowed only nineteen runs, considerably under three to the contest, and the Braves' surprisingly stout staff has given up only 28 scores in the nine tilts. Yankee moundsmen have held opponents to 29 runs in eight games and five of their starting pitchers have been in at the finish. This would seem to be as good an answer as any to the skeptics who wondered what the Yanks would do for pitching this season.

Elliot Goes Route

By way of contrast, only one member of the Philadelphia Nationals' staff, Jim Elliott, has managed to go the route in nine games.

Old Tom Zachary became the third Braves hurler to start and finish in as many days when he set the hapless Brooklyn Robins down with four scattered hits yesterday and blanked them, 4 to 0. So completely befuddled was the flock that Uncle Bobbie sent in pinch batters for Babe Herman and Lefty O'Doul in the ninth.

Two Card pitchers, Sylvester Johnson and Jim Lindsey, gave a similar masterpiece in beating the Cincinnati Reds, 3 to 2. They allowed only four hits, and not a Red was left on base.

Although the Yankees increased their advantage over Washington and Cleveland by trimming the Boston Red Sox, 7 to 5, there was little satisfaction in the victory. Babe Ruth was injured going after a fly in the sixth inning and there was a possibility he would be out several weeks. Up to the time he was hurt the bambino had driven in three runs and scored twice.

Giants Win

A three-run splurge in the seventh, touched off by Hughie Critz's home run, enabled the Giants to nose out the Phillies, 5 to 4, in their debut at the Polo grounds. Clarence Mitchell went the route, allowing 11 hits but checking the Phils in the pinches.

The Athletics gave Lefty Grove a four run lead in the first inning, and that was sufficient. He beat Washington, 5 to 1, Joe Cronin's home run in the second depriving him of a shutout. Cochrane planted one for the A's.

Pat Caraway was invincible after the second inning and the Chicago White Sox opened before the home folks with a 10 to 2 win over Cleveland. Eichrodt led a 14-hit assault on three Indian curvers with four hits and a sacrifice in five trips.

Rain kept the Chicago Cubs and Pittsburgh Pirates apart, and wet grounds prevented the scheduled Tiger-Brown skirmish at Detroit.

Penn Relays At Philadelphia To Reveal Strength

PHILADELPHIA, Apr. 23 (AP)—America will start taking inventory of its Olympic material when 3000 athletes from high and prep schools and colleges compete in the 37th annual University of Pennsylvania relay carnival at Franklin Field here April 24 and 25.

In keeping with a policy of aiding in the development of athletes for the quadriennial games, the carnival management has from year to year added standard Olympic events.

The 3000 meter steeplechase, in which the United States has been woefully weak in the Olympics; the decathlon, won only once by this country, and the 400 meter hurdle race are three events on the relay program that attract a host of college athletes intent on preparing for the international games.

More than 500 colleges and schools from many sections of the country will participate in the 100 event program of relay races and special events. They will represent the middle west and every section of the Atlantic seaboard.

The decathlon championship will find Pennsylvania's great all around performer, Bernard Berlinger, defending his title against a strong field of contestants.

Both the American and carnival records are in jeopardy because of Berlinger's spectacular performances during the past indoor season.

At least 12 college athletes who will run on relay teams or participate in the special events are regarded by track and field authorities as Olympic possibilities.

They are: Joseph McCluskey, Fordham, 3000 meter steeplechase; Carl Coan, one mile; Bernard Berlinger, decathlon, and William Carr, 440 yards, of Pennsylvania; Everett Coyler, Cornell, and Oscar Sutermeister, Harvard, pole vault; Donald Fleet, Boston college, and Dale Letts, Chicago university, 880 yards; Paul Rekers, Penn State, and George Bullwinkle, City college of New York, one mile; Eugene Record, Harvard, 120 yard hurdles, and Aloysius Kelly, Georgetown, 100 yards.

Dismiss $1,250,000 Suit Against O'Neill

NEW YORK, April 23 (AP)—Federal Judge Woolsey yesterday dismissed the $1,250,000 suit of Miss Georges Lewys against Eugene O'Neill in which she charged he stole the plot of "Strange Interlude" from her novel "The Temple of Pallas Athenae."

The judge said he was convinced she had "made a wholly preposterous claim."

At the trial, which took place in March, O'Neill's attorney said the playwright had never heard of Miss Lewys' novel when he wrote his Pulitzer play.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a tired, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

"But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute.

Babe Ruth Not To Play For 2 Weeks

BOSTON, Apr. 23 (AP)—Babe Ruth is lost to baseball for two weeks at least, possibly a month.

Dr. Francis H. Newton, of the Peter Bent Brigham hospital, where the Babe was taken yesterday after his left leg gave way while chasing a long fly, discovered a severe charley-horse in Ruth's left thigh. Dr. Newton believed Ruth would be able to leave the hospital today but said that he would not be able to play ball for "two weeks or a month."

While the Babe was chasing a ball in the sixth inning his left leg buckled and he fell to the ground. A squad of Yankees carried him from the field and he was taken to the hospital after a hasty examination at the dressing room.

Night Baseball To Start; Ducks Beaten By Stars

By the Associated Press

Under the gleam of 300 one-thousand watt electric lights, the San Francisco Seals and Sacramento's Senators tonight will play the first night baseball game in the 1931 Pacific Coast season.

The game will be played in the Seals' new stadium at San Francisco. The stadium is equipped with a $34,000 lighting system for night games.

Hank Severeid's two homers materially aided Hollywood's Stars in defeating Portland 5 to 2 at Portland. Hank lifted the ball into the left field bleachers in the seventh with one on and the Stars one run behind. That put the Stars ahead and they stayed there. His other homer went into the same bleachers in the fifth. No one was on. Both the clouts were obtained off Curt Fullerton.

Smother Senators

A barrage of Seal hits smothered the Senators and brought a 12 to 2 win for the San Francisco club. The Seals got half their runs in the sixth, the inning in which Henry Gana smashed one over the left field fence scoring a man ahead of him.

Oakland snatched a 5 to 4 win from Los Angeles in the elevents inning. A home run by Dondero in the first, scoring Brubaker and Moore ahead of him, started the Acorns with a three run lead while the Angels took five innings to square. The Acorns scored again in the ninth and the Angels promptly followed. It took two extra innings to decide the winner.

Indians Score Victory

DERN DEFEATS HANSEN TWO OUT OF THREE

PORTLAND, Ore., Apr. 23 (AP) — Ira Dern, popular Salt Lake heavyweight, defeated Charley Hansen, Seattle, two out of three falls here last night. In spite of increased weight around his midsection, Dern still has plenty of speed in reserve and can still execute his own patented and copyrighted hold, the airplane spin when necessary. He demonstrated this last night when he took the third and deciding fall from Hansen with a spin after two minutes of wrestling.

Hansen proved to be a worthy substitute for Joe Malcewicz, who was booked to wrestle Dern, but who was injured in a match in San Francisco and could not appear. Dern took the first fall in 4 minutes 45 seconds with a headlock just as Hansen was preparing to trip the Salt Laker with a body slam. Hansen came back to successfully execute his body slam in the next fall, crashing Dern in 22 minutes with enough force to partly stun him. Dern came back fresh for the final fall and within two minutes hoisted Hansen for his merry-go-round trip and dropped him head first to the mat.

Dern weighed 205 pounds, Hansen 199.

"I shall never be without Kruschen Salts, will never cease taking my daily dose and more than glad to highly recommend it for the great good that is in it." Mrs. S. A. Solomon, New Bern, N. C., Jan. 1930."
