## DOUBLE BILL IS WON BY BEAVERS

### Portland Stages Come-back After Losing Four Straight to Hollywood.

By the Associated Press  
The weather man did quite a bit to make up schedules in the Pacific Coast league yesterday.

Both games of a double-header between Oakland and Los Angeles in the southern city were postponed because of rain and the second game between the Seals and Sacramento at San Francisco was called in the third inning when a downpour made further play impossible.

Portland came back to take both games from Hollywood but lost the series 4 to 3. The first game, a slugfest, went 17 to 4. The Ducks took the second 6 to 1. Joe Bowman allowed the Stars but seven hits.

The Los Angeles series ended with two victories all around. Sacramento won the morning game 6 to 4. In the ninth inning, Leonard Backer, Senator first sacker, was hit solidly on the left ear by a ball pitched by Bill Henderson. The injured player was removed to a hospital where X-ray pictures failed to reveal a skull fracture. Doctors said he would have to remain for a week, however, for observation. Neither team had scored when the second game was called. The morning Sacramento victory enabled the senators to tie the Seals in the series at three each.

The Mission Reds and Seattle split a double header in the north, enabling the Missions to take the series 4 to 3. The home team took the first game 7 to 6. Holland hit a homer. The Missions came back to take the second 7 to 3.

## Yankees Ousted From First Due To Double Loss

By Gayle Talbot Jr. (Associated Press Sports Writer)  
As if it wasn't bad enough to lose three of his best outfielders, including Babe Ruth, within a week's time, something even worse has happened to make Joe McCarthy prematurely grey. His New York Yankees have taken to lapsing mentally in the pinches and to say that McCarthy is perturbed is putting it lightly.

As the outright result of two rarely unflinching gestures over the weekend, the Yankees lost the series of first place in the American league, a position they had held since the season opened. The Cleveland Indians, rained out both days, took over the top without a struggle.

Slow Thinking  
McCarthy's boys pulled the first one Saturday when Chapman became confused on where to toss the ball at a vital point in the tenth inning. He didn't make up his mind until after the Red Sox had scored the winning run.

But that was scarcely anything compared to the rare skit given by Lou Gehrig and Lynn Gary yesterday at Washington. Gary was on base when Lou smote one far into the center pavilion. Gary, rounding third, looked back in time to see the ball bounce back into the catcher's hands, though it had been caught for the third out and headed for the dugout. Before they could steer him safely past third, Gehrig passed by with a fine burst of speed and crossed the plate. There went to runs, the exact margin by which the Senators eventually won, 9 to 7. Chapman later hit one into the stands with a fellow Yankee on base and the whole team turned out to greet them safely past third.

Carl Fischer relieved Marberry in the third to get credit for the victory, striking out ten batters during his tenure. The Yankees used a quartet, including George Pipgras, who made his first appearance of the year.

Dusty Cooke Injured  
Dusty Cooke joined the New York hospital squad when he fell going after Bluege's homer in the third inning. He will be out at least two weeks, physicians said, the result of a displaced collar bone. Myril Hoag is the third Yankee outfielder on the shelf.

In the day's only other American League engagement, Detroit secured its fourth straight victory at the expense of Chicago, 8 to 4. Sorrell and Sullivan allowed the White Sox only three hits, while the second deficit for the champions Cardinals and their first shutout. Two walks, a stolen base and an outfield fly, gave the Pirates their only run off Bill Hallahan.

Charley Root, veteran Chicago right-hander, started, finished and won his third straight game in dominating Cincinnati, 3 to 1. Root has permitted only four runs in 27 innings. Rogers Hornsby again led his team's offense with three hits in five.

Hain spiked the day's festivities at Brooklyn, New York, Boston and Cleveland.

A move to establish a four-man fish and game commission failed in the Missouri legislature.

## Calamity Jane Dejected; Bobby Takes 38 Putts

By Paul Zimmerman (Associated Press Sports Writer)  
LOS ANGELES, Apr. 27 (AP)—Calamity Jane lay dejected in Bobby Jones' golf bag today.

The famed putter, which aided this Atlanta lawyer in becoming the world's greatest golf champion, failed its master miserably on Wilshire country club's salt soaked greens yesterday, and therein lies a story. It all happened in a best-ball match for charity, in which Jones and Leo Gallardo, the former, cruised through 18 holes to finish all-square with California's Dutra brothers, Mortie of Long Beach and Olin of Santa Monica.

Even on Bobby's thirty-seventh putt, a dramatic 8-footer which had it dropped, would have won the match on the eighteenth, did Calamity Jane fall. Jones had just presented the 2000 who heaved the slip-tipped ankle deep into a flooded barranca to explode his submerged ball almost into the cup.

Mortie Dutra and Leo Gallardo were in similar difficulties and were less fortunate in getting out, while Olin's third was 15 feet from the pin. Bobby took 38 putts, while the other three took 32 each and Mortie 30.

Losses Confidence  
"I knew the putt was lined up right, but after such a miserable showing on the greens, I had lost confidence, and pulled the shot slightly." The ball rolled 3 inches to the left of the cup, but allowed him to halve the hole for Olin also was down in 2 for a 5.

Jones was out in 38 and home in 37, while Diegel took two 37's and Olin Dutra a 36 and a 38. Mortie played the best brand of golf for the afternoon, shooting a steady 36 and 37. The difference rested in the putting. Bobby took 38 strokes on the greens, whereas Diegel and Olin used up 32 each and Mortie 30.

## Athletes From Mid-West Schools Take Major Honors In Relay Meets

By Hugh S. Fullerton Jr. (Associated Press Sports Writer)  
NEW YORK, Apr. 27 (AP)—Athletes from the mid-west ran off with the major share of honors in the nation's two big relay carnivals at the weekend despite competition from other sections of the country, the handicaps imposed upon them by rainy weather at Philadelphia and the usual complement of upsets, which placed favored performers among the also rans.

Not only did mid-western competitors capture three relay championships and two individual events—Penn relays at Philadelphia from the east's best runners, jumpers and weight tossers, but the competitors in the rival carnival, the Drake relays at Des Moines, Ia., made better times and distances in the majority of events that can be compared.

The deluge which marked the finish of the Penn relays slowed things up considerably, but three seconds fell and one was equaled, and it took four of those to beat the marks made under better conditions at Des Moines. Out of 16 events to be compared, the Penn performers finished ahead in only four and made exactly the same times in two more. Ohio State's athletes gained the credit for the two even breaks as Keller won the 120-yard high hurdle in 14.40, equaled Michigan's mark at Des Moines, 14.40, and the scariet and gray two-mile relay team ran the four halves in 7:52 2-10, the same time that Penn scored a victory for its own carnival, equating the meet record of 3:18 for the mile relay to beat out Michigan by one-tenth of a second.

Other eastern victors came in the broad jump and high jump. Penn records fell without threatening the supremacy of the Drake performers. Munn of Minnesota tossed the shot 48 feet 7 1/2 inches without threatening the new Drake carnival record of 59 feet 7 1/2 inches made by Rheba of Nebraska Saturday. Williams of Hampton Institute, Virginia, threw the javelin 197 feet 1 1/2 inches at Philadelphia, but fell more than two feet short of the mark of 198.9 feet made by Hein of Washington State at Des Moines.

A table of comparative performances follows:  
Relays:  
Distance medley—Penn, 10:25.4; Iowa State, 10:21.6.  
Sprint medley—Ohio State, 3:27.6; Wichita, 3:30.6.  
440-yard relay—Ohio State, 4:24; Kansas, 4:21.  
Half-mile relay—Army, 1:29.3; Michigan, 1:27.  
3:181.  
Two-mile relay—Ohio State, 7:52.3; Michigan, 7:52.2.  
Four-mile relay, Penn, 18:02.4; Illinois, 17:42.4.

Special Events:  
120-yard hurdles—Keller, Ohio State, 14.7; Hager, Iowa State, 14.7.  
100-yard dash—Lamb, Lehigh, 10 seconds; Clark, Oklahoma, 9.7.  
Broad jump—Boyle, Penn, 23 feet 11 inches; Gordon, Iowa, 23 feet 10 1/2 inches.  
High jump—O'Connor, Columbia, 6 feet 2 inches; Strong, Southwestern State Teacher, 6 feet 3 1/2 inches.  
Pole vault—Lee, Yale, 13 feet; McDermott, Illinois, 13 feet 6 inches.  
Shot put—Munn, Minnesota, 48 feet 7 1/2 inches; Rheba, Nebraska, 50 feet 7 1/2 inches.  
Hammer throw—Conner, Yale, 162 feet 8 1/2 inches; Hill, Illinois, 144 feet 3 inches.  
Discus throw—Tphenfeld, Cornell, 141 feet 2 1/2 inches; Purina, Illinois, 143.88 feet.  
Javelin throw—Williams, Hampton Institute, 197 feet 1 1/2 inch; Hein, Washington State, 199.5 feet.
