RUPTURE EXPERT HERE

C. F. Redlich, Minneapolis, Minn. will demonstrate without charge his unequalled method in

at the Foley Hotel from 10 a. m. to 4 p. m.

Mr. C. F. Redlich says: "The 'Perfect Retention Shields' hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief and contract the opening in a remarkably short time.

The secret of their success is in their simplicity. An expertly adjusted device seals the opening without discomfort or detention from work. It is practically everlasting, sanitary, comfortable and actually holds ruptures which heretofore were considered uncontrollable.

Stomach troubles, backache and constipation, nearly always a consequence of rupture, promptly disappear.

Bring your children. According to statistics 95 per cent recover by our method.

NOTICE: All whom we have treated during the past ten years are invited to come in for a free inspection. Evening appointments by telephone only on the first day.

PAINTING POINTERS

Walls and Ceilings are the Most Important Factors in Decoration

They are the largest surfaces, and because of that they must be subdued and soft-toned. To keep walls simple, PAINT them with a "flat" wall paint such as VELUMINA FLAT WALL PAINT which gives walls a soft, delicate mist of color. It shows no laps or brush marks - lends spaciousness to rooms and easy washing takes the place of redecorating.

Color in the Home is essential to the spirit of modern decoration. Today, as never before, wonderful colors are available to the home decorator with WATERSPAR Varnish and Enamels. And best of all, the fuss and muss of refinishing is gone because of quick drying.

The Cheap Paint Humbug is the cheap-price-per-gallon paint so short in covering capacity that it saves only three or four dollars on the first coat of painting the average house, and in five years costs \$233 more than if quality paint such as PATTON'S SUN-PROOF had been used in the first place. Ask to see the paint-cost chart.

Paint Floors with Modernized Colors! Don't think of painted floors as painted with the crude, harsh floor colors you used to know. FLORIDE ENAMEL brings modernized color to floors and gives you durable easy-to-clean, tile-like floors. For wood or concrete floors.

Make These Stores YOUR Stores for paint, varnish, enamels and brushes. They handle the famous Pittsburgh Proof Products line, for 75 years identified only with highest quality manufacture. Don't Think of the Good Painter as Just a Paint Slinger. Nothing could be further from the fact. No two painting jobs are exactly alike and the experience, judgment and responsibility of the good painter more than justify his higher bid.

For Your Own Work, use a good brush. That's indispensable to good results even in expert hands. HORSESHOE Brand brushes better your work.
