Oregon Berries Reach Markets; 'Gras Is Steady

PORTLAND, May 12 (AP)—Good shipping demand and active buying on retailers' accounts preserved a firm tone to the wholesale butter market as trading opened today. The wholesale egg market tone, however, continued weak by reason of fresh receipts continuing markedly in excess of consumptive demand. Only a sizeable into storage movement about a carload a day during the current season, has prevented further recession of prices to producers by cleaning up the day to day trading surplus.

Club Continues Cathedral Study

The Daughters of the Union Veterans also plan to take part in the navy day exercises which will be conducted by the Spanish American War veterans, May 24 at the river.

"um" Delicious!

This is the popular verdict when your meals are cooked from foods you have selected among the nationally known brands. Is there anyone who for a moment would question the quality of these food products? Think of them when you visit your grocer.

LIBBY'S 100 FOODS

Whether it is a can of delicious tender corned beef or some golden ripe California peaches that interests your fancy today you will always find Libby's foods the standard of excellence.

Libby's Pineapple — lower priced this year than ever before and better quality! What a variety of uses it has!

DEL MAIZ CORN

Another product of national quality. Every can is uniform, sweet and fresh. Use it in a variety of recipes and serve it often. Del Maiz is corn at its best! Plumper, meatier kernels! Sweeter, fresher flavor!

GOLD MEDAL FLOUR

Is there a housewife who can say that she is not familiar with the famous slogan "Eventually, Why Not Now?" Many of us have thought, and probably still believe, Gold Medal to be out of reach in price. You will be agreeably surprised when you inquire at your grocer and find quite the opposite to be true.
