**ANGELS WALLOP DUCKS 18 TO 5**

League Leaders Bunk By Southerners—Seattle Wins From Reds.

By the Associated Press

Los Angeles Angels pitched the ball in the Pacific Coast league today and their pitcher, who had been in the Portland Ducks' lineup for 18 to 5.

Portland blew up in the second inning and the Angels crossed home plate 12 times. The run came off the Angel line and the Ducks were down. The Ducks' pitcher, who had been in the Portland Ducks' lineup for 18 to 5.

Seattle won from the Reds in the second inning and the Angels crossed home plate 12 times. The run came off the Angel line and the Ducks were down. The Ducks' pitcher, who had been in the Portland Ducks' lineup for 18 to 5.

**Smith, Churio Tied For First At Southport**

SOUTHPORT, Ore., May 14.—(AP)—Horton Smith, from Missouri, and Churio, from the Argentine, today tied for first place in the 100-yard dash at the 1931 Southport professional golf tournament. They tied at 10:10.

They were the stroke ahead of Harry Cannon, Young British professional who led yesterday's first round with 79 and could do no better than 77 today.

Smith had a stroke advantage on Churio yesterday but he took a 75 today to tie the South American tie.

Churio has been one of the sensations of the tournament with his steady play. He qualified on the 100-yard dash in 10:10 and today he tied the top score of the tournament.

After a steady start today in which he took four on short par three holes he settled down to finish out his round in par figures.

Joe Parsons, who is a par 70 today to give him a 36-hole total of 154, was the runner-up.

Joe Parsons, American, took shot today after a fine 72. He was a 36 hole score of 154. Parsons was better than Smith, who had a 36 hole score of 154.

When all the scores were in, Smith and Churio still were in the lead with 75.

The 100-yard dash of the tournament will be played tomorrow. Parsons, Cannon, and Smith are the four favorites to finish, posted a 77 for a 36-hole total of 154. Four strokes behind the two leaders.

**STANDARD RATING SCALE**

for Electric Refrigeration

- Is the refrigerator manufactured by a reliable company with proper experience in the electric refrigeration field?
- Does it have plenty of food and shelf space?
- Is the cabinet itself well designed, sturdy built and properly finished?
- Is there provision for the freezing of an adequate supply of ice cubes? (Quantity of ice cubes, number of cubes which may be of large or small size, should be taken into consideration.)
- Will the refrigerator constantly maintain a proper temperature for the preservation of foods?
- Can the freezing of ice cubes and the defrosting be done easily?

**STRAIGHT THROUGH to TRUE VALUE**

with this new method of judging Refrigeration

Now—with the Standard Rating Scale—you can choose electric refrigeration like an expert. You can go straight through single unimportant "features" to those essential advantages that mean lasting satisfaction. You weigh all the facts. Come in and measure Kelvinator by the Scale—find out why Kelvinator, the oldest domestic electric refrigerator, is recognized as the greatest value as well.

**Eastern Teams Win 11 Out Of 14 In The West**

By George Taylor Jr.

Associated Press Sports Writers

Through hard hitting and wet weather since they reached the western seaboard, the eastern teams already have managed to demonstrate their superiority that they will hold the balance of power in the American league.

They have won 11 of their first 14 inter-league engagements. Through yesterday's games, Eastern Philadelphia Athletics had scored three straight over their western rivals, the New York Yankees, had won a pair between games. Washington had won three out of four and the Boston Red Sox three out of five.

Detroit Tigers had won the eighth game of the season and the eighth game of the season and the eighth game of the season and the eighth game of the season.

Wichita, Kan. (AP)—A skinny Wichita who can match all-around progress with nearly anyone his size—120 pounds—has a specialty which may lead him a hard on the 1932 Olympic team.

Diminutive Harold Manning—"the kid" to his teammates—already has turned in the second fastest two miles ever run by an American collegian.

His next big objective is to erase the word "second" from the description.

Coch Harry T. Goerger believes he has every right to aspire to that achievement.

A driving finish regardless of the position of his opponents and a stride measuring 8 feet 6 inches combined to send him to the forefront as a distance runner.

Last June Manning ran far away from the nation's best distance men to win the N. C. A. two-mile at Chicago in 8:18.4. Just three-tenths of a second slower than the American college record of 8:17.8, set by Tel Bena of Cornell back in 1912.

During the 1931 indoor season he bettered 9:20 in winning the Millrose games' two-mile, and he has turned in excellent races in the big outdoor relay meets thus far.

Manning first began to attack records when he was in Sedgwick, Kan., high school. In practice one day he ran a mile paced by four quarter-milers and made such unusual time that he was encouraged to go after the current state record. He broke it with a 4:30 performance.

In the Deake relays he ran anchor mile in a distance relay team and was clocked in 4:16.1.

Manning has developed much in physique since his record performance of last year's N. C. A. meet and with the prospect of one of the best fields of two-milers in history for competition, he appears to have

**DAVID BELASCO DEAD IN GOTHAM**

(Continued from Page One)

not once during his long career did he ever consider retiring.

That subject brought a vigorous outburst from him when it was mentioned on the occasion of his 75th birthday anniversary.

"I shall retire when I am carried feet first out of the theatre," he said. "I expect to be working hard and producing plays when those who say I should retire have passed away. Why I've been on and off the stage ever since I was eight months old. My first appearance was with my mother in a mother-and-infant part."

Mr. Belasco's major honors came from the artistic details with which his dramatic productions were embellished. Constantly, he was in pursuit of every item that would make his plays realistic to the highest degree, especially from the scenic viewpoint. The attractions with which he was connected as producer, author, collaborator, adapter or manager, numbered more than 400 and included many successes of this and previous generations of theatre-goers.

While building his reputation along those lines, Mr. Belasco at the same time was equally successful as a leader of a school of realistic acting, many of whose pupils became stars on their own account. Among them were Mrs. Leslie Carter, David Warfield, Blanche Bates, Lillian Gish, Milton Sills, Ina Claire and Jeanne Eagles.

(Of ancient) Portuguese extraction, Mr. Belasco was born at San Francisco, July 25, 1854. In his later life there was a question as to the year of his birth, nearly all biographical works giving the year 1859. It wasn't that Belasco was sensitive about his age—he never paid attention to it—but was rather proud of his ability to continue in the career he followed in his work for one of his years.

On each recurring anniversary of his birth, he would jocularly announce to his wife, "Today is my 75th day I am 21," an indication of how old he felt.

**Fire Loss Small In The Past Ten Days**

PORTLAND, Ore., May 14 (AP)—A ten day fire report issued yesterday by Major John D. Guthrie of the Federal forestry office showed small forest fire loss in Oregon national forest during the period. The largest blaze was a 1,000-acre tract in California which spread for a small distance over the Oregon line in the Shastan forest.

For the rest of the state, but 15 fires, representing 50 acres were reported. Washington had but one fire during the past ten days.

A politician doesn't seem to realize that the steam he blows off can also be condensed.

**Powerful Skin Remedy Discovered**

Dries Up Eczema, Pimples and Unsightly Skin Eruptions

Results in 7 Days Or Money Back

This wonderful antiseptic, known over America as Moore's Emerald Oil, is so efficient in the treatment of skin troubles that the itching of eczema often stops with one application.

A few applications and the most persistent cases of eczema often are healed never to return.

Moore's Emerald Oil is safe and pleasant to use and it is so powerfully antiseptic and penetrating that even old stubborn cases have yielded to its influence.

Moore's Emerald Oil in the original bottle is dispensed by pharmacists. Red Cross Drug Store always has Moore's Emerald Oil on hand—an 85 cent bottle lasts 2 weeks.—Adv.

**Catarrhal Deafness May Be Overcome**

If you have catarrhal deafness or head noises go to Red Cross Drug Store or your druggist and get 1 oz. of Parmitin (double strength) and add to it 1/2 pint of hot water and a little sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Cleared nostrils should open, breathing become easy and the mucous stop dripping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has catarrhal deafness or head noises should give this prescription a trial.—Adv.

**HOW ONE WOMAN LOST 102 LBS. OF FAT**

Almost Unbelievable—Nevertheless True

Dear Friends:

You advertise Kruschen Salts for reducing, so I finally tried them and when I started I weighed 219 pounds and when I took them for a year and 2 weeks, I lost exactly 102 pounds.

I am 23 years old and I look at least 5 years younger now than I did when I was fat. I have a picture of myself before and after so if you want to see them let me know.

I am always telling my friends about the wonderful salts. I am always advertising them.

I took 2 bottles every month for a year and 3 weeks. It amounted to \$25 for reducing 102 pounds but it was worth it.

If I can be of any help to you let me know.

Yours truly, Miss Nellie Simpson, 1903 Wayne street, Swinvale, Pa., Oct. 31, 1930.

The Modern Safe Way—Right Way to Lose Fat

Just take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.

You can hasten the reducing action of Kruschen by going lighter on potatoes, pastry and fatty meats.

Unlike other salts, Kruschen does not reduce by ridding food through your system. Rather it's an ideal blend of 6 separate mineral salts which help every gland, nerve and body organ to function properly.

Women everywhere are overjoyed with this marvelous reducing treatment. Frequently pained by pounds of surplus fat leaves and soon you possess that trim, slender figure you've always craved.

An 85c bottle of Kruschen (lasts 4 weeks) is sold by leading druggists the world over—so start this SAFE method to lose ugly fat TODAY! Red Cross Drug Store, L & L Drug Co., Glass Drugs, Inc., sell lots of it.—Adv.
