Never before has there been such profound need for the strength, solace and influence of religion. The church, mindful of the divine inspiration that guides it, accepts the challenge. Walz, will bring the message. The choir will take their annual vacation, and not sing until September. Other music will be furnished that will aid in the worship. Morgan at the piano, and Mr. Andrew Loney with the organ.

At 8 o'clock in the evening the minister will again speak, and special music will be interspersed in the service. There is a cordial welcome awaiting you at all services, Mr. Walz adds.

"Mortals and Immortals" will be the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 17.

Among the citations which will comprise the lesson-sermon will be the following from the Bible: "For as many as are led by the Spirit of God, they are the sons of God" (Rom. 8:14).

The lesson-sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The material body and mind are temporal, but the real man is spiritual and eternal. Man's true consciousness is in the mental, not in any bodily or personal likeness to spirit" (p. 302).

Ghirardelli convenience helps in making Hot Chocolate to drink...too!

Perhaps you are one of the many who think of Ghirardelli's Ground Chocolate as primarily for use in baking and cooking... (If Ghirardelli convenience and Ghirardelli flavor have given you that idea—no wonder!) But don't forget that "hot chocolate" is altogether a new beverage when you make it with Ghirardelli's.

No grating or melting is necessary—as you'll quickly see at the Cooking School—for any Ghirardelli use. And it has a flavor all its own!
