piece of snowballs and lilacs, with tall tapers.

Bridge was played following the dinner at three tables, and Mr. and Mrs. C. E. Playle received the prize for high score.

Last night's meeting was the last of the spring season.

Plans were made for a picnic at Riverside park on July 15 and the next meeting will be held on June 17 at which time Mrs. Turner Oliver, Mrs. Robert Eakin and Mrs. J. K. Wright will be hostesses.

Piano Pupils In Recital at Hotel

On a stage set to resemble a rustic garden, Mrs. George Birnie presented a group of her piano pupils in recital last night at 8 o'clock in the La Grande hotel ballroom. A lattice work background and a profusion of spring flowers on the stage formed the garden and a rustic bench and lamp lent quaintness to the atmosphere.

Over 150 parents and friends were present at the recital in which each of the nine pupils gave an excellent performance.

Appearing in the recital were Frances Furgason, Jean Davies, Mil-

dred Green, Betty Vogel, Stella Jean Ingle, Patricia Longfellow, Frances Alexander, Jean McKennon and Frank Tyler. An interesting part of the program was the brief presentation of the life and music of Edward Grieg, a Scandinavian composer, of the last part of the 19th century.

Twelve members of the Helomala club were guests of Mrs. James Oneal yesterday afternoon at bridge. Prizes were received by Mrs. George Moeve and Mrs. Jack Oliver.

The rooms were decorated with lavender and white lilacs and the color scheme was carried out in the bridge table appointments and in the two-course luncheon which was served by the hostess late in the afternoon.

A no-hostess meeting will be held in two weeks, and it will be the last of the season.

HANDANA TRIM ON NAVY BLUE DRESS
WASHINGTON (AP)—Gay red and yellow silk in imitation of a bandage handkerchief trims a navy blue street dress. It is draped carelessly about the neck in cowl effect and bits of it flutter loosely from the sleeve ends. A band of it peeks from beneath the blue skirt.

The new hairdressing style covering the ears should make the girls sit up and listen.

Don't Rasp Your Throat With Harsh Irritants

"Reach for a **LUCKY** instead"

Now! Please! — Actually put your finger on your Adam's Apple. Touch it — your Adam's Apple — Do you know you are actually touching your larynx? — This is your voice box — it contains your vocal chords. When you consider your Adam's Apple, you are considering your throat — your vocal chords. Don't rasp your throat with harsh irritants — Reach for a **LUCKY** instead — Remember, **LUCKY STRIKE** is the only cigarette in America that through its exclusive "TOASTING" process expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your **LUCKY STRIKE**, and so we say "Consider your Adam's Apple."
