## Playlet Feature Of Club Meeting

The eternal dreamer in the eternal garden in spring was symbolized in the playlet presented by the Past Matrons club of the Eastern Star at a regular meeting of the Eastern Star last night in the Masonic hall. The

garden was set to represent a flower garden with a lattice background entwined with flowers, and the costumes which the girls wore were fashioned of crepe paper to represent various countries.

George Birnie played the part of the dreamer, who sang, and as he sang, finally choosing the American girl as his bride with Father Time conducting the marriage ceremony. The girls of the nations were eulogized in song by Mr. Birnie, Mrs. W. W. Nussbaum and Charles Graham, accompanied by Mr. Nussbaum at the piano and Andrew Loney Jr., cornet.

Other girls whom the dreamer saw in his fancies were the old-fashioned one, played by Mrs. Myrtle Broughton; Sun Bonnet Sue, Mrs. Anna Bacon; Caroline, Mrs. Ida Cherry; Merry Widow, Margaret Wells; and two little girls in blue, Mrs. Susie Lee and Mrs. Fausta Tyler.

The program, which was written by Mrs. Harry Miller, of Long Beach, Cal., was very clever and brilliant and was received enthusiastically by the large group of local people and out-of-town visitors who witnessed its presentation.

A business session preceded the program, and refreshments were served at the close of the meeting.

# Consider your Adam's Apple!!

# Don't Rasp Your Throat With Harsh Irritants

## "REACH FOR A LUCKY INSTEAD"

Eve started it and the daughters of Eve inherited it. Eve gave Adam the apple, and it seems that Adam must have passed it on. For every man and every woman has an Adam's Apple. Put your finger on your Adam's Apple — that is your larynx, your voice box — it contains your vocal chords. Consider your Adam's Apple — when you do so, you are considering your throat — your vocal chords. Don't rasp your throat with harsh irritants. Reach for a LUCKY instead. Here in America LUCKY STRIKE is the only cigarette which brings you the added benefit of the exclusive "TOASTING" Process, which includes the use of modern Ultra Violet Rays. It is this exclusive process that expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your LUCKY STRIKE. And so we say "Consider your Adam's Apple."

LUCKIES are always kind to your throat
