POOR EYES CAUSE SUICIDE

WASHINGTON, June 5 (AP) — Fear that falling eye sight would bar him from entrance to West Point was blamed by police today for the death of Richard McKirdy, 19. He was found in his room, a bullet hole in his head.

Officers said the youth, a college student at Yellow Springs, Ohio, had brooded over his defective eyes as he planned to seek entrance to the military academy. The coroner's office said a certificate of suicide would be issued.
